

The faces have been changed in this
story of denial

but the story is true and it always
made Mistress smile

to have me so willing and eager to
serve and obey

her completely twenty four seven
in every way

Here's a
story about
a submissive
male

slave just
like YOU,

whose Mistress
is doing to
HIM

what I
just got
finished

"Doing To YOU!"

What happens
if you COME,
slave?

The End

And when
SHE'S finally
satisfied,

SLAVE,

what do you
think HE'S
gonna do?

"He's
gonna
BEG,

"PLEASE LET
ME MAKE
MYSELF COME
FOR YOU?",

the way I'M
begging YOU!

And she'll
give HIM the
SAME answer

that I
just gave
YOU!
