

She's not playing games

and with your mind she's not screwing

she's just a strict Mistress

who enjoys what she's doing

But
Mistress,

"But Mistress"
NOTHING slave,

you BEGGED

"Me To Do THIS!"

And I DID it
for at LEAST ten
minutes and some!

But then
you locked me
BACK in my
cock cage,
without
letting me
come,

and that's
TORTURE after
you did THIS

for ten minutes
and some!

YES slave,
it IS!

And GOD
is it FUN!
