

She sternly warns "Do NOT come!"

as she takes you in hand

and you try to obey her

for as long as you can

But this is the
HARDEST "come training"
session you've EVER had
yet

cause while I'm jerking
you off I'm making you
watch THIS while you're
wearing

"Your VR Headset!"

Ooooooh YES, the end
of THIS "come training"
session I think will
come REALLY fast,

I mean, what if
this were YOU?

How long would
YOU last,

being jerked off
while YOU're
watching this

by my VERY
talented hand,
VERY fast?
