

"They make things called "Chastity cages" so a submissive man will not stray

from his his obedience and make himself cum when his owner doesn't WANT him to unless SHE says he may

Oh YES, they WILL make sure that his disobedience about doing THAT is over and DONE

but which one will give the WOMAN the MOST satisfaction with his obeying her about THAT?
Really, WHICH one?

Is it the
one that
BETH uses?

or is
it SUES?

Or one of the
plastic ones
like my friend
BETTY LOUS?

Or the one
with the little
SPIKES inside
of it Amber
uses on HER
slaveboy JIM?

Well, SHARON
said HER boy
doesn't
disobey HER
like that SO

"Let's Just Ask HIM!"

Well, the BEST chastity cage, MY Wife/Mistress SHARON said, is the one I WANT to put on and KEEP on ALL the time in my HEAD!

"It's the ONLY one!" she sternly told me when I became her slave, on the very FIRST day, "That will ALWAYS keep you from doing THIS

"when I'm NOT around to
WATCH you or to SAY that
you MAY!"

"

And if I DON'T keep it
on ALL the time in my HEAD,
she will tie me spread eagled
like THIS to the BED,

and THEN my VERY angry
because I disobeyed her,
strict Wife/Mistress,
will HELP me REMEMBER to
ALWAYS wear it, and she'll
DO it

A woman with long dark hair, wearing a purple sports bra, is leaning over the back of a person whose back is to the camera. She is looking directly at the camera with a serious expression. The background shows a wooden ladder leaning against a wall and a corrugated metal roof. The text "like THIS!" is overlaid on the image.

like
THIS!

Well , I think
the one you'd
always WANT to
wear would be the
BEST choice,
so put it ON in
your head NOW
and KEEP
it on!

YES
MISTRESS
JOYCE!

And I very
STRONGLY
suggest that
you NEVER take
it off unless
I TELL
you to!!
