

Some may think it's gross or
disgusting what you'll see at this
story's end

but it IS what the waiters in THIS
restaurant will be eating my
friend!

slave TELL
them about
the new
restaurant we
opened today

a place where
only **WOMEN**
are served
called

"The Fem Dom Cafe!"

Ladies,
unlike OTHER
restaurants
THIS one is,
DIFFERENT
beyond
ANYTHING
that you
EVER knew,

at the Fem
Dom cafe,
the MENU
is YOU!

And YOU
choose your
waiter after
finding a
seat,
and he will
PASSIONATELY
begin to
EAT!

And it don't
matter if
you come
ALONE or in
a group of
three Women
or MORE

we have alot
of waiters
like ME and
if we DON'T,
we'll have
NO trouble
bringing in
a few more!

Now SHOW the
Ladies what
our HUNGRY
waiters WILL
do and say

when they're
told "I'M on
the menu
YOU'll be
eating today!"

Oh my
God YES!
YES Mistress
Faye!

YES! Crawl to
me and EAT
like a GOOD
waiter
SHOULD!
