

The memories are SWEET
about kneeling naked at your feet
when I called you Mistress
and to train me
you'd make me do THIS

"I jerked off

"Without Coming"

for my
dominant
spouse

until she
sternly said

Stop
jerking
off

and go dust
the house!

"So I
immediately
STOPPED

said YES
MISTRESS
and I

dusted
the house

until
it was
ALL
done,

and when the
dusting was
finished I
got back on
my knees,

and she said

You may go
BACK to
jerking
off

for my
AMUSEMENT
now, Hon!

"So I jerked off
without coming

till she said

Stop
jerking
off

and go
clean the
kitchen!

"So I
immediately
STOPPED

and
OBEYED

A photograph of a man standing in a kitchen, seen from behind. He is nude. The kitchen has white cabinets, a countertop, a sink, and a stove. A drawer is open on the left. Text is overlaid on the man's back.

without
HESITATION
or BITCHING,

and after
a very LONG
hour

she had a
VERY clean
kitchen!"

Then I knelt
back in front of
her and I meekly
asked

"Mistress, do you
want me to perform
some additional
task?"

And you KNOW that it
WAS "Yes Mistress!"
I said

when she said

YES!

Jerk off
WITHOUT
coming

until I
go to
bed!
