

Their souls have become ONE
I'm sure you've agreed

and they're giving each other
exactly

what the other one NEEDS

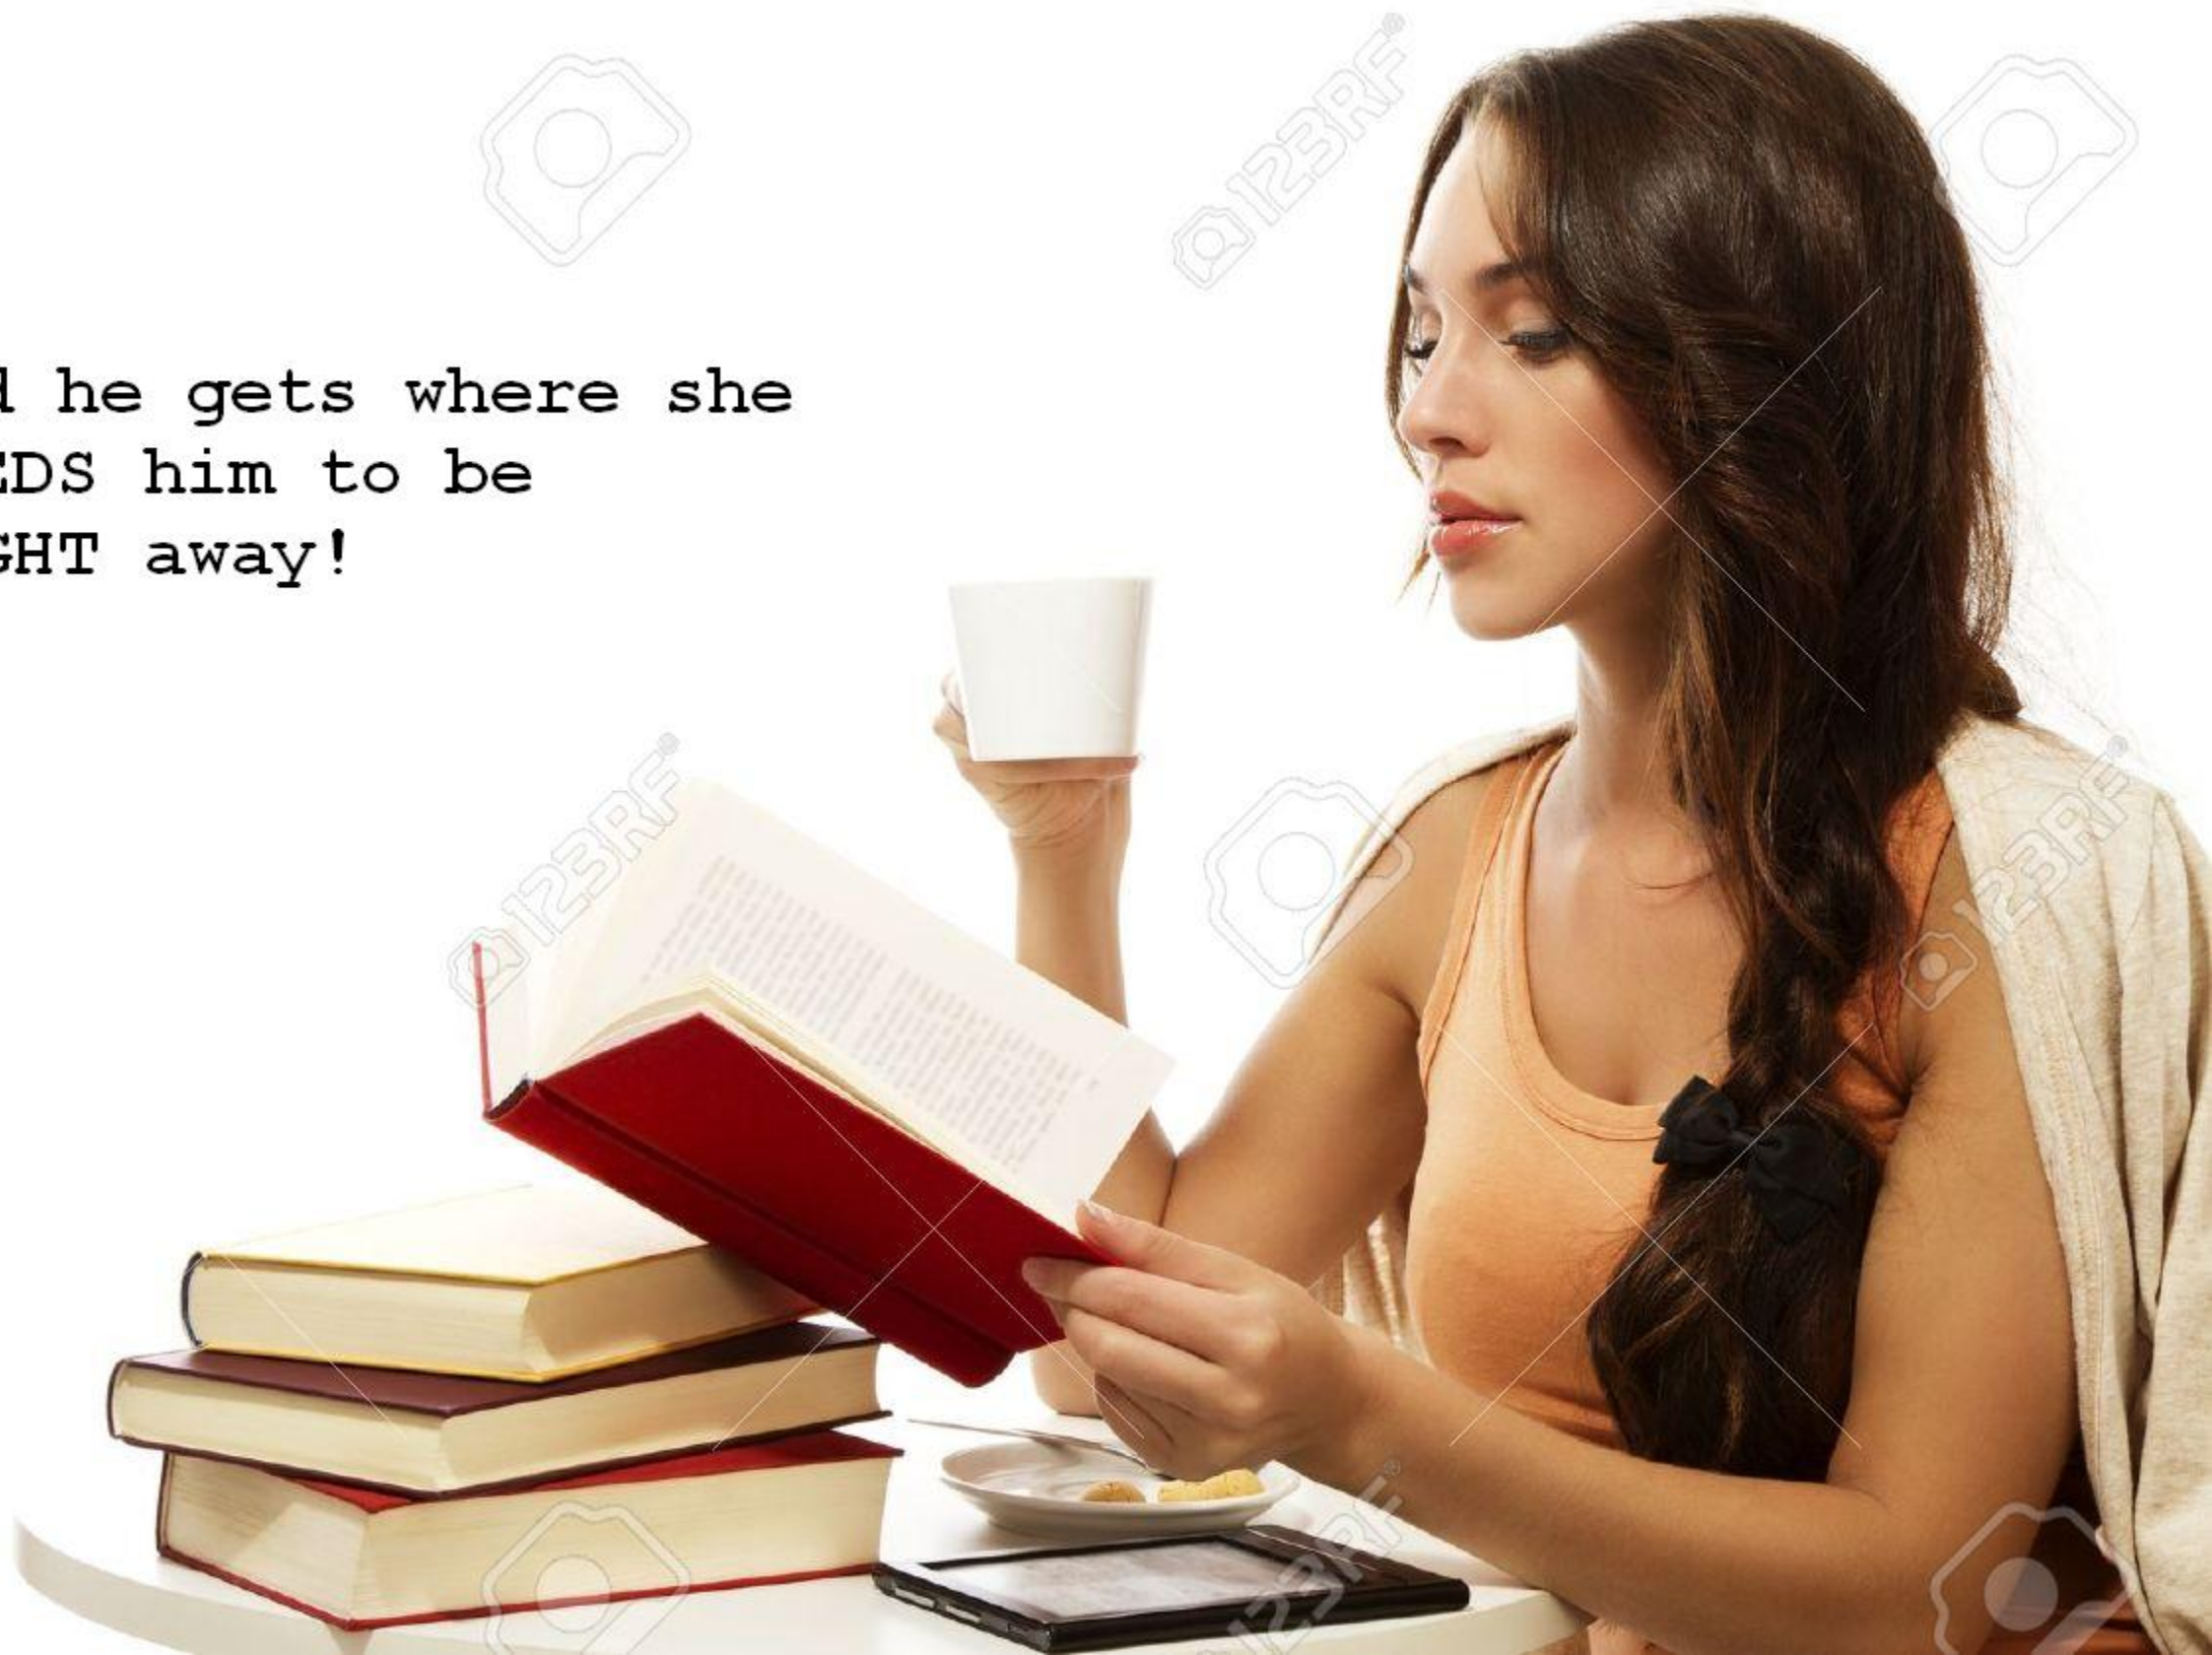

Every night when she
gets home from her office
after another very LONG
stressful day,
she loudly announces

SLAVE ,
I 'M HOME !

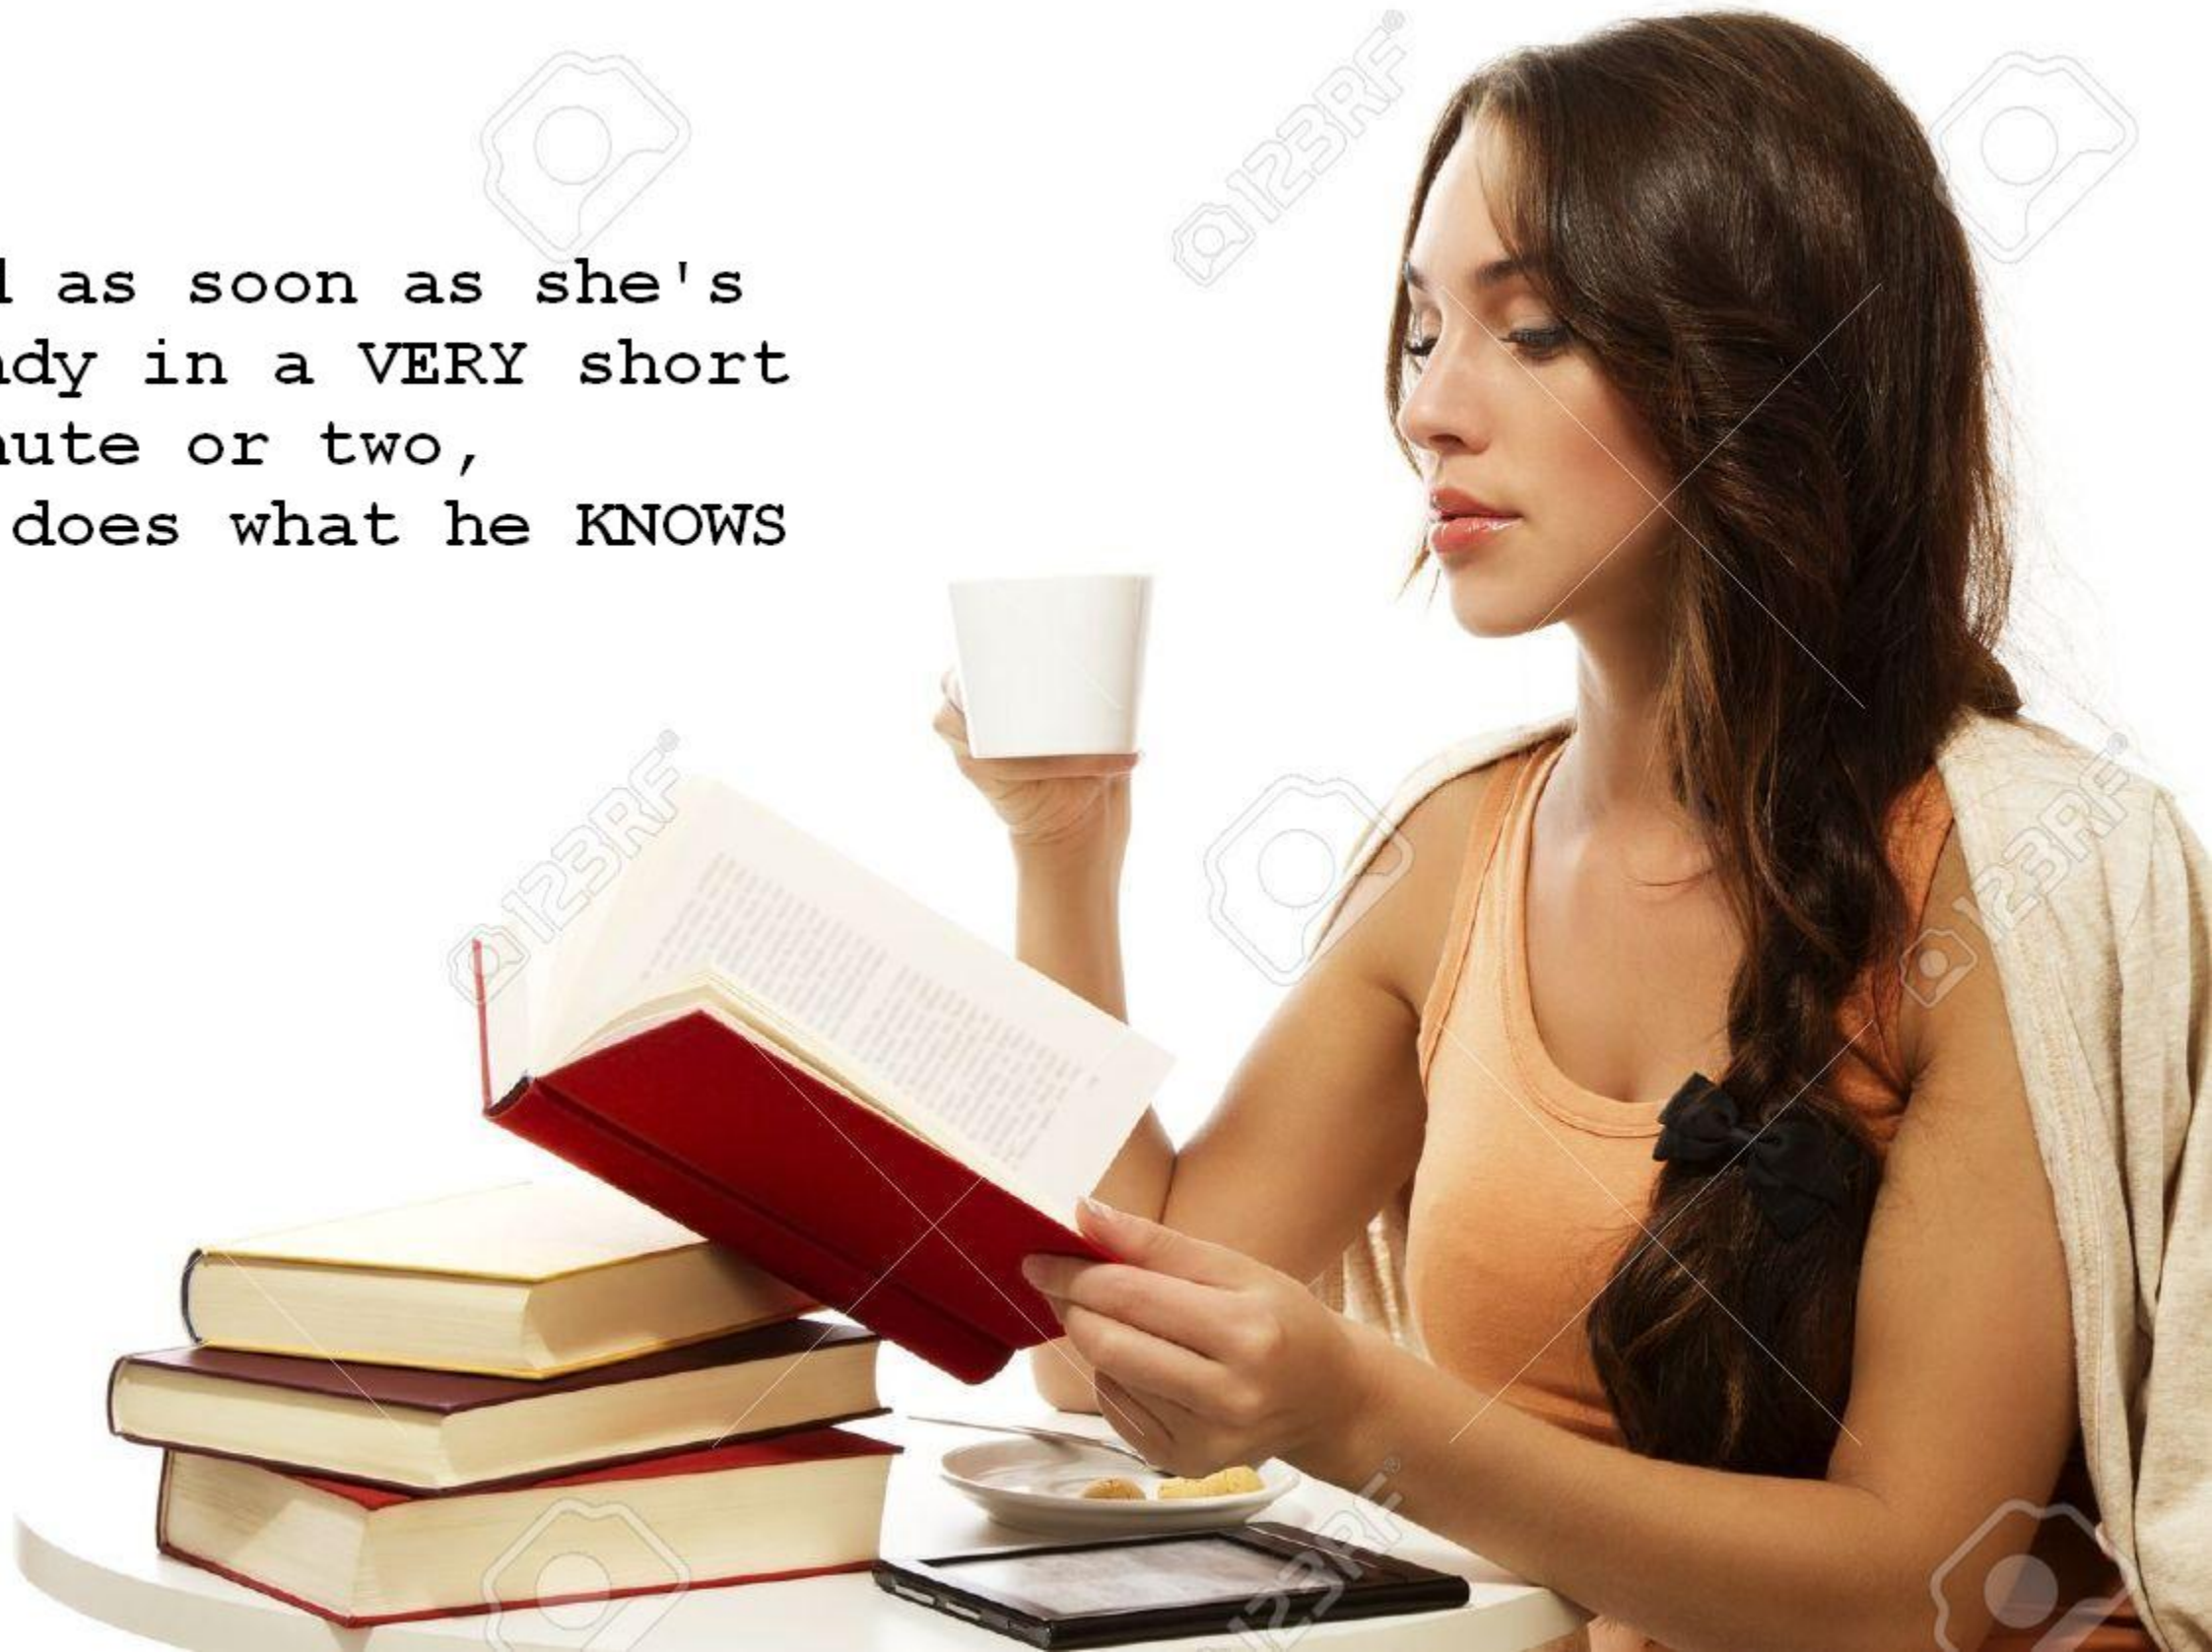

and he gets where she
NEEDS him to be
RIGHT away!

And as soon as she's
ready in a VERY short
minute or two,
he does what he KNOWS

"She NEEDS Him To Do!"

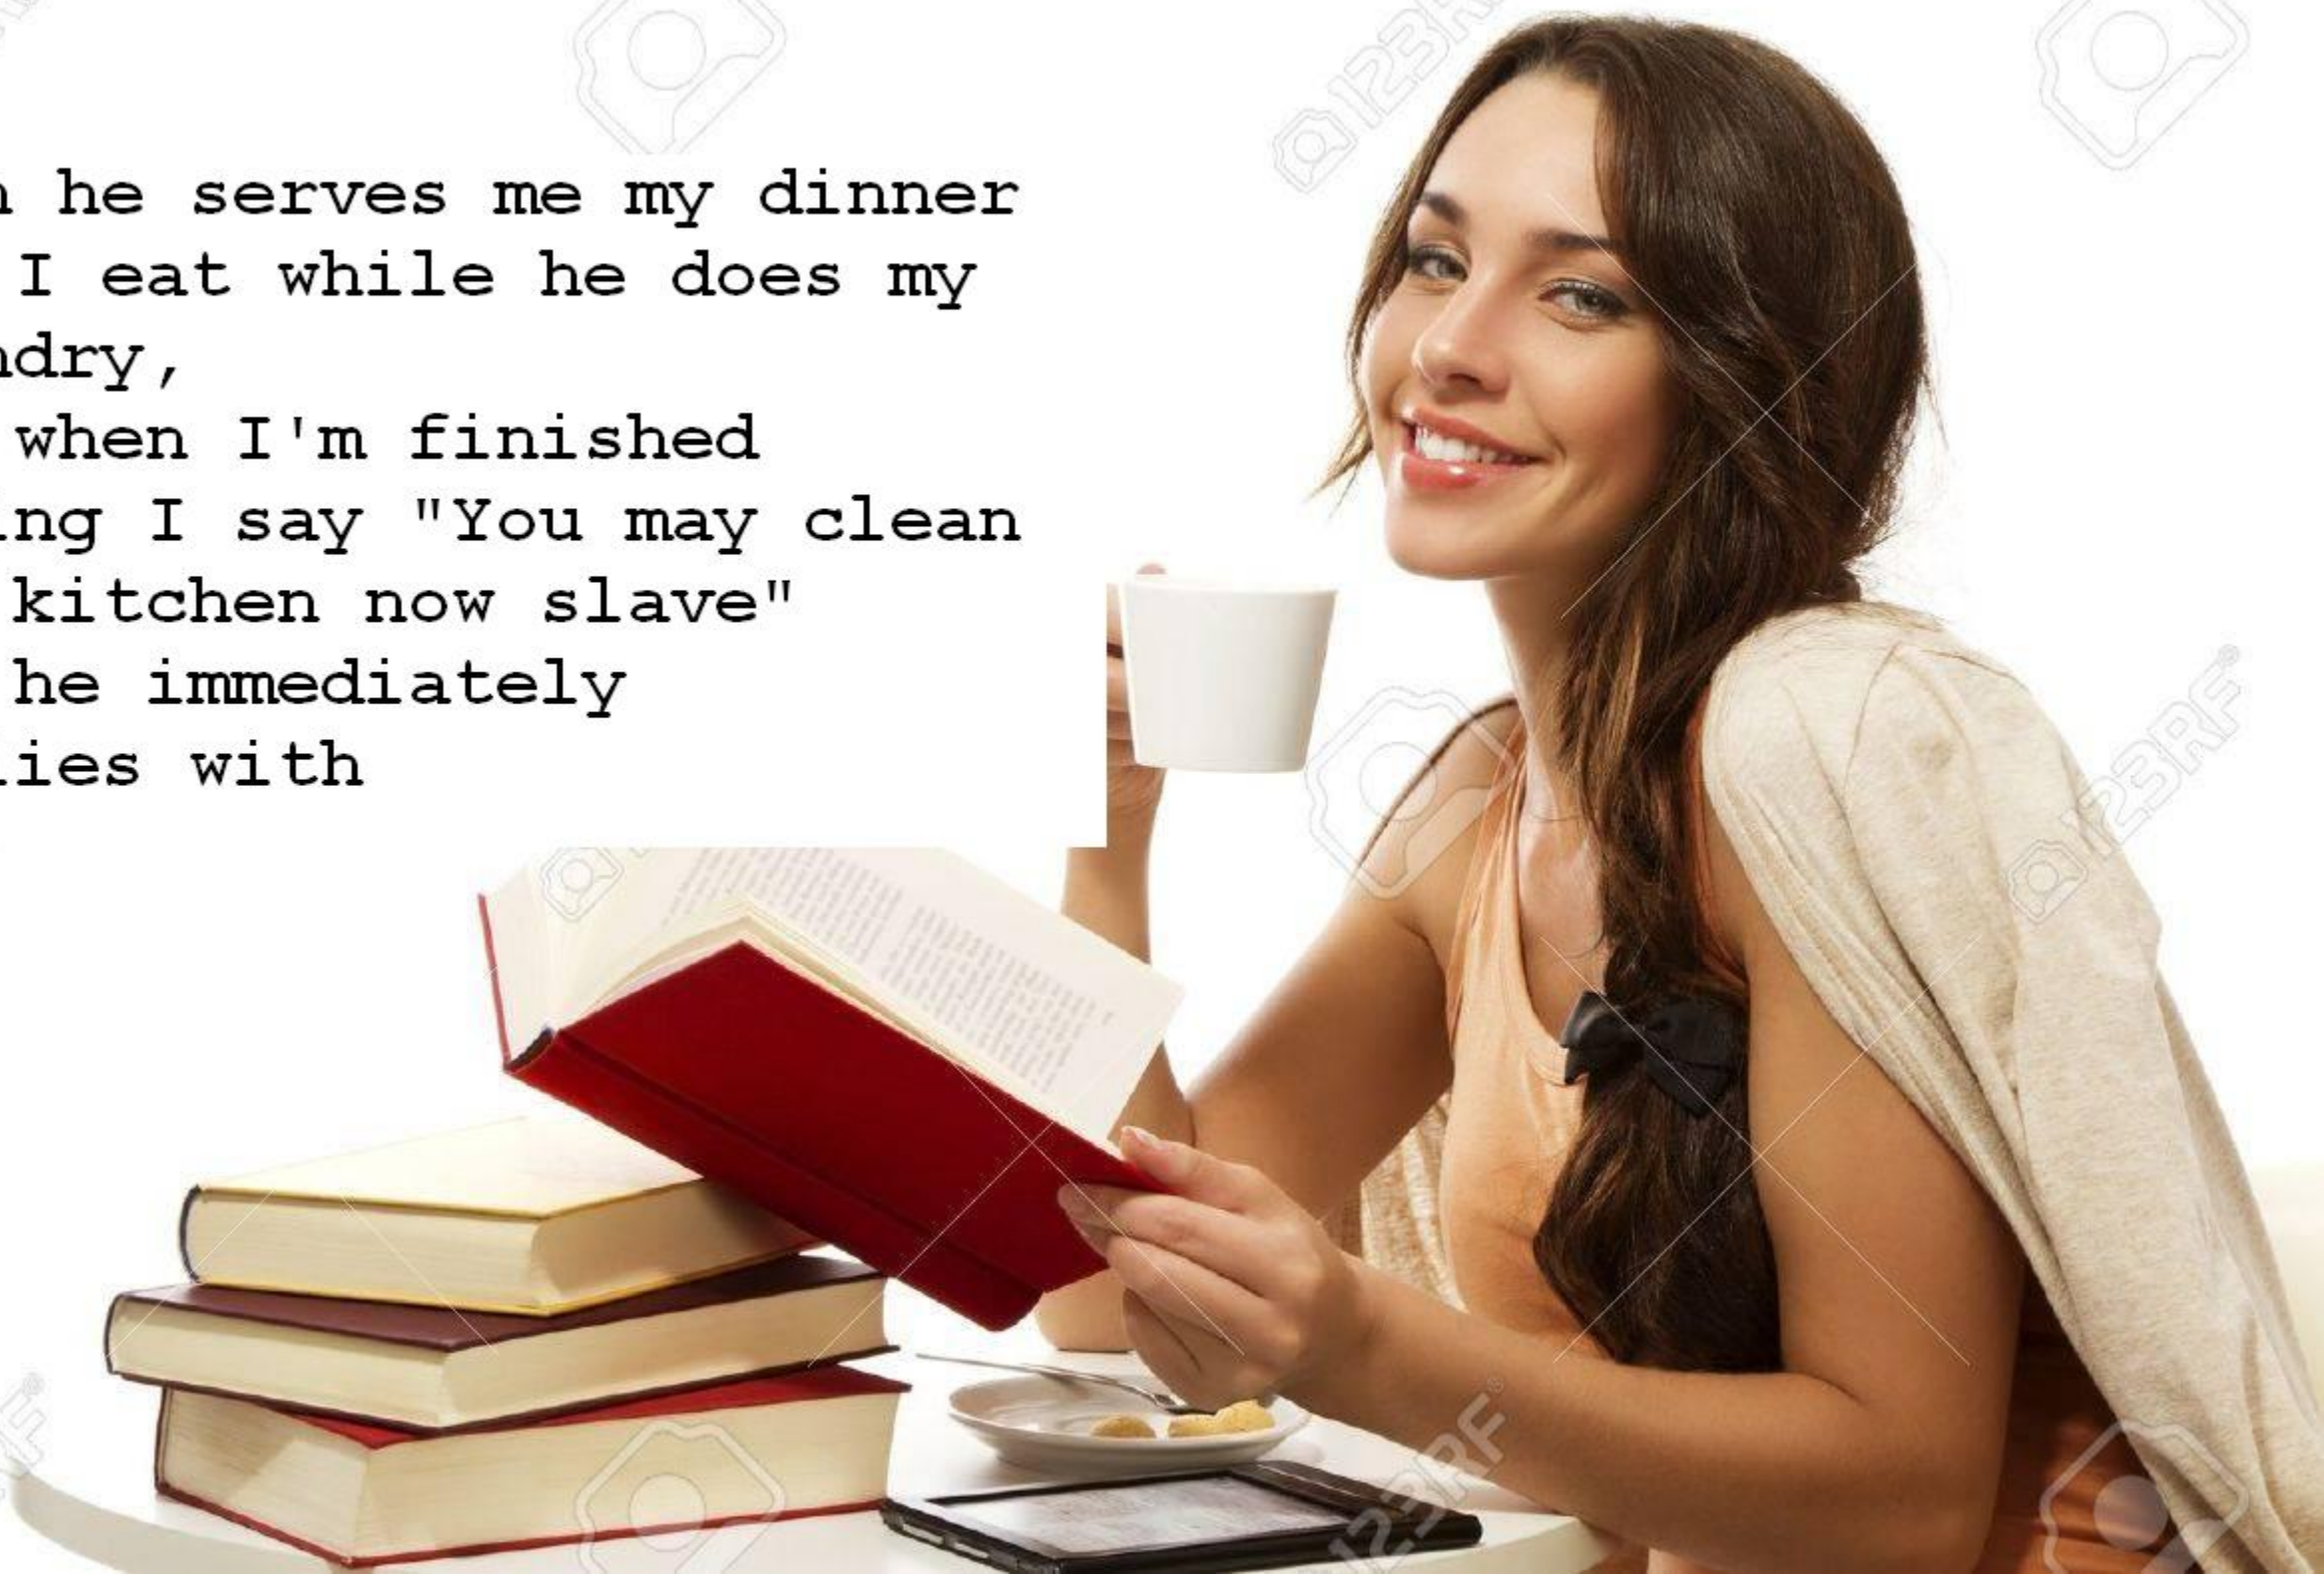

Then he serves me my dinner
and I eat while he does my
laundry,
and when I'm finished
eating I say "You may clean
the kitchen now slave"
and he immediately
replies with

Yes Mistress
Marie!

And after the KITCHEN the bath
rooms cleaned too, along with
ALL of the dusting and the
ironing I need him to do!

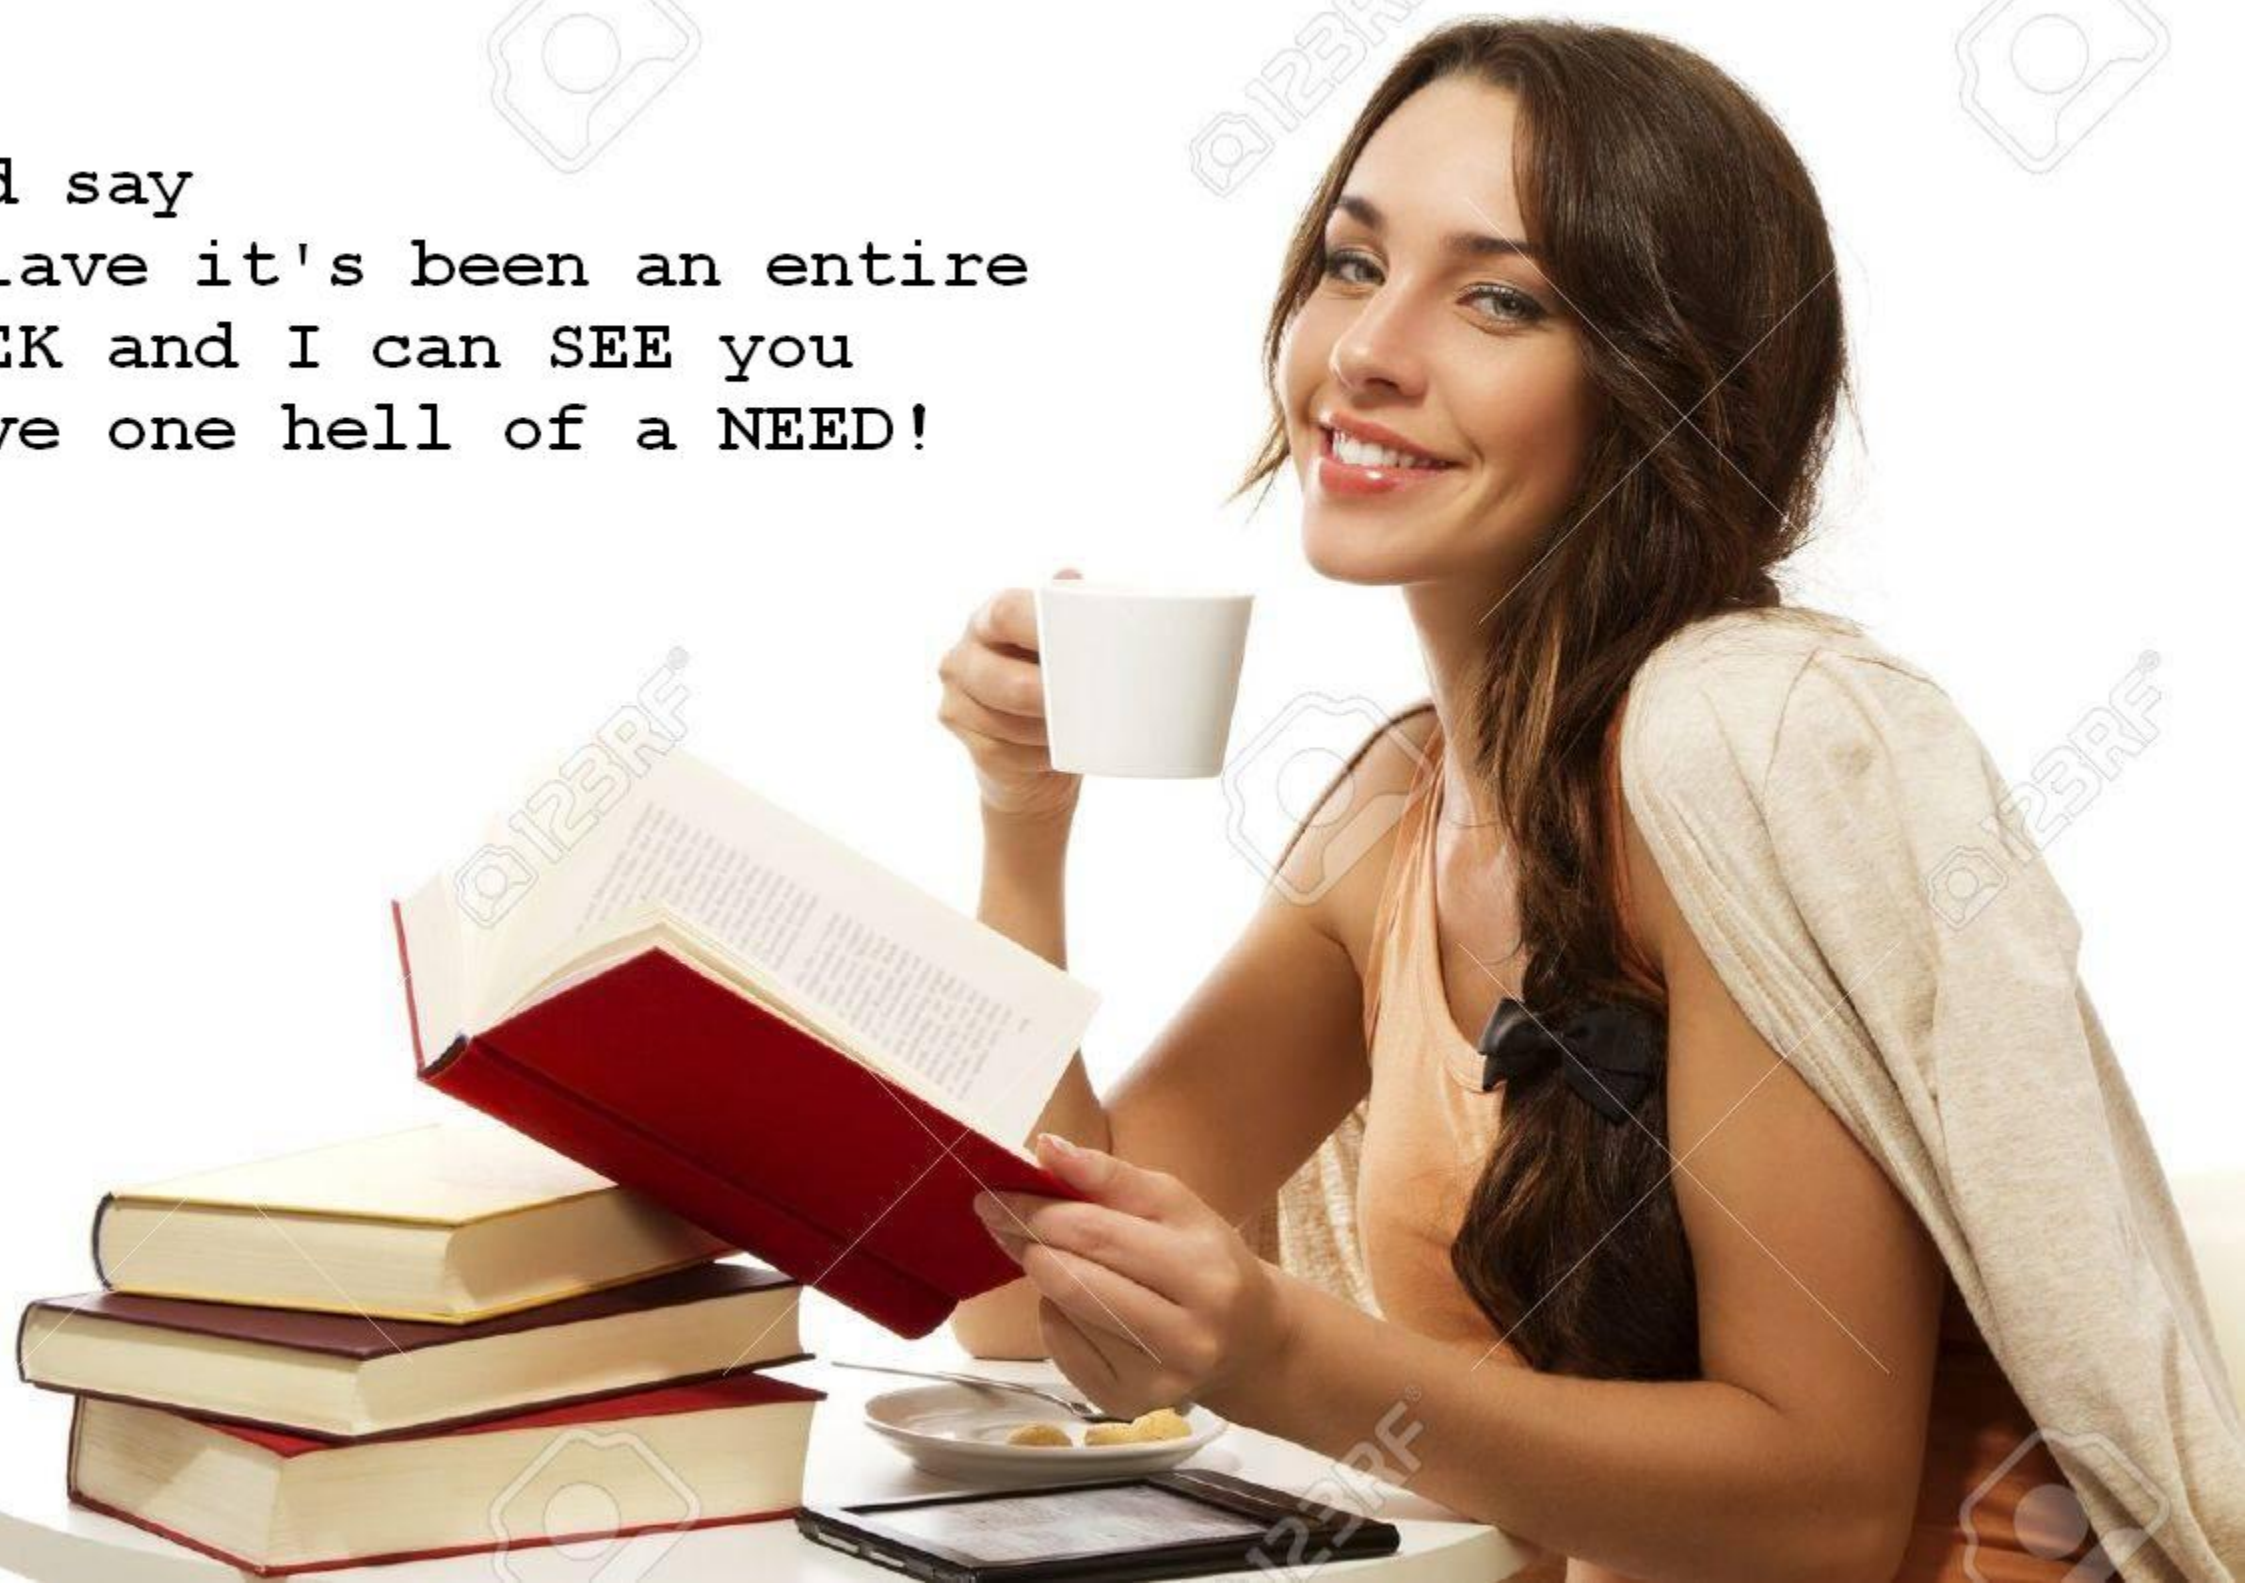

And if I'm in a good mood
and I decide to show him
mercy,
when he's finished all
his chores I'll look
down at him

and say
"slave it's been an entire
WEEK and I can SEE you
have one hell of a NEED!"

And she makes me _jerk off
and after a LONG week I
GRATEFULLY cum for her,

while I
sit and
read!
