

For some guys

training there must be

for some guys

it comes naturally

For what
SHE did?
I say
Hooray!

A man
must BE
taught

"To OBEY!"

He moved
in after
Christmas

and he
simply
would
NOT obey,
so I locked
him IN this
for January

February

March
April
and
May!

And by
June he was
BEGGING me

"Oh God
PLEASE
Mistress
Mai",

"please
don't keep
me locked up
for the
month
of July?"

His pleas
fell on
deaf ears
is what I
remember

as those hot
days of August
turned into
September!

Then
October

November

and
December
went by

and now
he OBEYS
and says

"YES
MISTRESS
MAI ! "

But I
have no
problem
with YOU,

DO I,
slave?

Cause
your cock
got HARDER

with each
lash that
I GAVE!

Didn't
it?

"Yes
Mistress!"

Oh GOD yes!

GOOD !

Now go
do the
ironing!
