

What IS it that you REALLY see

when you look at HER while on
your knees

and you BEG her to make you her
slave

and to HER your balls you GLADLY
gave?

And what IS
it that you
REALLY seek

when you
kneel down

"And Kiss Our Feet"

So TELL
me slave,

what DO you see,

what IS your
deepest fantasy,

as you gaze upon
my naked breast,

if you HAD a choice
what WOULD come next?

And while kneeling
naked at my feet,

after offering your
balls to me,

the balls that we
BOTH know are mine,

what kind of thoughts
are in your mind

and what IS your
submissive quest

as you stare with
HUNGER at my breast?

God
slave,

I'm
curious
TOO!

**TELL
me!**
