

A Female led relationship for her
can be very happy

show your Wife or Girlfreind this
story and I'm sure she'll agree

Here's a
VERY short
story about
what I feel
for a man
is the
PROPER
and always
SHOULD be
the way

he greets
his hard
working
Wife when
she gets
home from

"Her Office Each Day!"

HI HONEY!
I'M HOME!

Welcome home
Mistress! How
may I serve
you?

You may put a BIG
glass of wine on the
coffee table for me,
take my shoes off and
massage my feet while
I relax for a while
before you serve me
my dinner!

YES
MISTRESS!

The End

And a very
HAPPY one!
Huh Girls?
