

Let me tell you a story with which
I'm sure you'll concur

that there's no feeling like being
obedient THIS way for her

and willinly giving to her TOTAL
control

of you down to the very DEPTHS of
your soul!

Once upon a
time when
she first
made him
her slave

she wanted
to take
EVERY night
the gift
that he
gave

because it
felt so damn
GOOD to take
total
CONTROL

of a man
ALL the way
down to the
very DEPTHS

"Of His Soul!"

I'm home from
work Mistress!
How may I serve
you Mistress?

slave?
How are you
supposed
to present
yourself to
me every
night?

Naked on my knees
with my balls tied
tightly so your
gift is ready for
you to take when
I offer it to you
Mistress!
