

In this story I'll share
my true feelings my friend
about being tied to her bed

waiting for
her AGAIN,

because
I STILL

"Haven't Learned"

to obey
my Mistress,

so when she's
GOOD and READY

she'll come
in and do THIS!

And as I lie
here I WONDER,

that maybe I GIVE
her such crap

because I
actually
CRAVE

her USING
her strap!

Now start
COUNTING!
