

"How may I serve you,
Mistress Louise?"

I softly asked Mistress
as I got on my knees

As I kneel here
waiting to serve
my Mistresses
EVERY need

I think that
"My GOD, it would
be awesome INDEED,

if my Mistress
decided
to give me a TREAT

and do THIS and
let me come

"All Over Her Feet!"

You may
COME now
slave!

THANK YOU
MISTRESS!

And my mouth and
my tongue would say
"THANK YOU!"
between her legs,
dear God YES,

after I'd licked
up and SWALLOWED
every drop of my
mess!

But she only
allows ONE
ejaculation each
week

and SHE decides
the HOW of that
release I so
DESPERATELY seek!

But I am NOT
complaining,
cause GOD it
feels GRAND

when I'm
kneeling like
this
and she says

You
may
come!
Use
your
HAND!

And I say
"THANK YOU
MISTRESS!"
as I gladly obey

and jerk off and
come for my
Mistress in her
FAVORITE way!

Yes, sometimes I
DO wonder about
OTHER possible
ways,

but I'll HAPPILY
do it HER way
for the rest of
my days!

VERY happily!
