

You've dreamt about it a LONG
time, haven't you Son?

maybe your dream will come
true if SHE reads this one!

SHOW it to her Son, give in
to your fears

perhaps it will give her a
few good ideas!

If you've always fantasized about
being like this

in total command of a man who says
"Yes Mistress!"

then I think as a Wife or a
Girlfriend

you may want to read this

A woman with dark hair and bangs, wearing a black latex-style outfit and high-heeled sandals, is sitting on a patterned couch. She is looking towards a man who is lying on his back on the same couch. The man is shirtless and has his hands behind his head. The background shows a window with horizontal blinds. The text "Once upon a time in my earlier life" is overlaid on the image.

Once upon a
time in my
earlier life

A woman with dark hair, wearing a black latex-style top and high-heeled sandals, sits on a patterned couch. She is looking towards a man who is lying on his back on the same couch. The man is shirtless and has his hands behind his head. The scene is lit with dramatic, low-key lighting, and a window with blinds is visible in the background.

I REFUSED to
be submissive
to my very
dominant Wife!

A woman with dark hair and bangs, wearing a black latex dress and high-heeled sandals, sits on a patterned couch. She is looking down at a man lying on his back on the same couch. The man is shirtless and has his hands behind his head. The scene is lit with warm, indoor lighting, and a window with blinds is visible in the background.

But she tied
me to her bed,

I didn't
waste ANY
time,

taking HOLD
of his SOUL

and
everything
ELSE

"That Is MINE!"

And we lived
HAPPILY ever
after!

A woman with dark hair and bangs, wearing a black latex bodysuit and high-heeled sandals, is sitting on a patterned couch. She is looking down at a shirtless man who is lying on his back on her lap. She has her hand on his head. The background shows a window with blinds.

**VERY
happily!**
