

It wasn't long in our marriage before
dawned the day

my new wife made me her slave
who she demanded obey

And obey her I did immediately that day
while listening intently to what she had
to say

OH!

And just
in case
you EVER

get ANY
desire
to CHEAT,

here's the
story about
ME

and my
EX husband

"Named Pete!"

And **NEXT**
week

when I'm
FINISHED

destroying
your ASS,

I'll spend the
week giving

your "humbled"
balls

the
ULTIMATE
beating,

before
HANGING you
by them

the entire
NEXT week

for
CHEATING!

The END
of the story
is we got a
divorce

and he has a
restraining
order against
me

so I don't
hurt him
any more!

Now finish
the ironing

and then
wash the
floor!

"YES
MISTRESS!"
