

As I lay here all kind of thoughts
are going through my head

some that are pleasurable and some
that I dread

but whatever she does we both know
it's true

I WANT her to do what SHE wants
to do

I wonder
what
thoughts
are going
through
his head

now
that I've
secured
him

like THIS

"On My Bed!"

Is he
giving any
thought
to the
possibility
at all

that I may
use my
strap on
his quite
vulnerable
balls?

Is he
thinking
how maybe
I'll leave
him this
way

and have my
Girlfriends
come over
so we ALL
can play?

A woman with long blonde hair and blue eyes is looking directly at the camera. She is wearing a red, long-sleeved blouse with a large bow at the neck and a black and white plaid skirt. She is leaning her hands on a wooden post. The background is a plain white wall with a wooden door frame visible on the left.

Is he
thinking
I'll tie my
vibrator
to his
cock cage
real tight

turn it on
and go out
drinking
till dawns
early
light?

Well,
whatever
he's
thinking I
can DO it
and that's
what
enthalls

me about
owning his
ass and his
cock and
his two
useless
balls!

And
THAT is
the END
of the
story!
