

Being turned on by Fem Dom a tad MORE than  
a bit

is something that most of us males won't  
admit

And if a woman should ASK us we'd most  
likely lie

and tell her "Hell NO, I'M no submissive  
guy!"

But what if PINOCCHIO'S submissive and HE  
meets a Dom?

Now THAT'S a good question so let's ask  
his Mom!

Imagine  
Pinocchio  
all grown up

A woman with dark hair and bangs is sitting on a light-colored couch. She is wearing a patterned, long-sleeved shirt and dark shorts. Her hands are clasped in her lap, and she has a neutral to slightly sad expression. The background is a plain, light-colored wall.

Yeah,  
that IS pretty  
hard to do!

Let's forget  
that and see  
what MAY happen  
when a grown UP  
Pinocchio

meets a  
Dominant  
woman  
and she  
ASKS him,

A woman with dark hair and bangs is sitting on a light-colored, tufted sofa. She is wearing a shiny, gold-colored patterned blouse and a dark skirt. Her hands are clasped in her lap, and she has a neutral expression. The background is a plain, light-colored wall. The text "Are you" is overlaid on the right side of the image.

"Are you

**"Sure You're Not"**

turned on by  
me making  
you get  
naked  
on your  
knees  
for me

and ORDERING you  
like you're  
SHIT to  
lick me  
to orgasm  
after  
orgasm  
for  
HOURS

while  
denying  
YOU any  
sexual  
release,

**SLAVE?**

"Yes  
Mistress!"

And  
you're  
NOT  
turned  
on

even a  
LITTLE  
bit

by me  
telling  
you that  
you WON'T  
have any  
sexual  
release

until I'm  
convinced  
by your  
obedience  
and your  
servitude

that you  
DESERVE  
that  
privelege?

"No  
Mistress!"

You're a  
**TERRIBLE**  
liar,  
slave!

I mean,  
LOOK at  
you,

you're  
getting  
bigger  
by the  
SECOND!

AREN'T  
you?

"No  
Mistress!"

I'm going  
to keep you  
naked ALL  
day EVERY  
day

whether  
we're  
alone  
or NOT,

make you do  
ALL the  
cleaning  
and  
ironing

and PUNISH  
you if  
you fail  
to obey  
me!

Doe's  
THAT  
turn  
you on?

"No  
Mistress!"

Too bad!  
Now go  
serve  
me my  
dinner,

and make  
sure your  
naked ass  
is under  
the table  
kissing  
my feet  
while  
I'm  
eating!

"Yes  
Mistress!"

A woman with dark hair and bangs is sitting on a light-colored, tufted couch. She is wearing a patterned, long-sleeved blouse and dark shorts. Her hands are clasped in her lap, and she has a neutral expression. The background is a plain, light-colored wall. To the right of the woman, there is a block of text in a typewriter-style font.

Now imagine  
Pinocchio  
lying to YOU

as a red  
blooded  
Woman

what would  
YOU do?

Well, I don't  
know about YOU  
Girls,  
THAT much is  
true,

but **THIS** Mama  
sure knows  
what **SHE'S**  
gonna do!
