

When she tells you
"NEVER cum without my permission!
I MEAN it! No HOW, No WAY!"

Is that supposed to be twenty
four hours a day?

WELL, that answer will be told
by my Wife/Mistress Laurie

quite LOUD and quite CLEAR for
you in this story!

She got me ready
for sleep and after
saying "Good Night!"

she softly told me
"Sweet Dreams!"

"And I HAD One Last Night!"

**You have permission
to cum anytime you
WANT to,
and I want you
to give me
ALL of it!**

**OH MY GOD YES MISTRESS!
THANK YOU MISTRESS!**

**OH GOD! I'M GONNA
CUM NOW MISTRERSS!
THANK YOU!**

The End

And oh my God YES!
I had a VERY sweet
dream,

but when she came
in this morning
and saw the puddle
of my CUM laying
there,

■ Mother FUCKER!
You CAME!

my sweet DREAM
became a very
real NIGHTMARE!
