

I think Mistress Ruth
is telling the truth

Look at her
standing there

looking SO

"Innocent And Sweet"

while her slave's
fastened spread
eagled on top of
her bedroom sheets

"PLEASE HAVE MERCY!"

"PLEASE!"

her frightened
slave BEGS

"OH GOD PLEASE DON'T
WHIP ME WITH THE BELT

YOU LEFT BETWEEN
MY LEGS!"

"OH GOD I'M
BEGGING YOU!"

"PLEASE DON'T
MISTRESS PEG!"

But what's
gonna happen
at the end of
this story
my friend

is a desire buried
DEEP in her soul
will emerge once
again

and she'll pick UP
that belt she put
between his wide
open legs

and she'll ENJOY
whipping him
without mercy
while he cries
and he BEGS!

Won't she,
slave?

Yes
Mistress!

Ooooooh
YES!
