

If you want her always in a pleasant mood
then try developing THIS attitude

"May I speak,
Mistress?"

YES
slave,

you
MAY!

"Thank you for
keeping me

"Safe For Another Week"

from yielding to the
temptation of making
myself come without
your permission

and being
disobedient
to you,
Mistress!"

"Thank you for
keeping me safe
from being PUNISHED
for yielding to that
temptation, Mistress!"

You're
welcome,
slave!

"Mistress?"

WHAT,
slave?

"Please don't punish
me for asking,

but may I be allowed
to make myself come
for for you SOON,
Mistress?"

"Please?
I've been GOOD,
Mistress!"

I KNOW
you have,
slave!

Maybe I'll let you
make yourself come
at the end of THIS
week!

"THANK YOU
MISTRESS!"

You're
welcome,
slave!

And
slave?

"Yes,
Mistress?"

Do NOT expect
it EVERY week!

"Yes
Mistress!"
