

She awakened that day
when the house looked like trash
and she got really angry
and paddled my ass

"Wow! "

A woman with her hair in a bun, wearing a light green jacket and dark skirt, sits on a small wooden stool. She is looking towards a nude man who is kneeling on a patterned rug. The man is looking back at her. The scene is set indoors with a plain wall and a dark doorway in the background.

"Why is your
dick hard?"

she
asked me
with AWE

"This has
GOTTA be
the most
AMAZING
thing

THIS Girls
ever saw! "

So red faced
I said

"Mistress,
although
it HURTS
and

"It's Humiliating"

when you put
me over your
lap

and I sob with
each one of
your paddles
hard slaps ,

something
down DEEP
in my
submissive
soul

MAKES it like
this when a
Woman takes
control!"

Then she
STARED as I
knelt naked
in shame and
disgrace

with a VERY
VERY wicked
smile on her
face

and
said

"I think
it's about
time YOU
began
CLEANING
this place!"

"It's
gotten
so DIRTY
it's become
a disgrace"

And THAT
was the
END

of my OLD
life and the
beginning of
a NEW

one where
MISTRESS
took charge

and I was
TOLD what
to do!

And now I
KEEP his
dick HARD

twenty
four
SEVEN,

by being a
castrating
BITCH

and keeping
HIM in
slave
heaven!

DON'T I,
slave?

**"Yes
Mistress!"**

YEAH!
