

Here's a story of two slaves
and the life they now lead
since this story their Mistress
decided to read

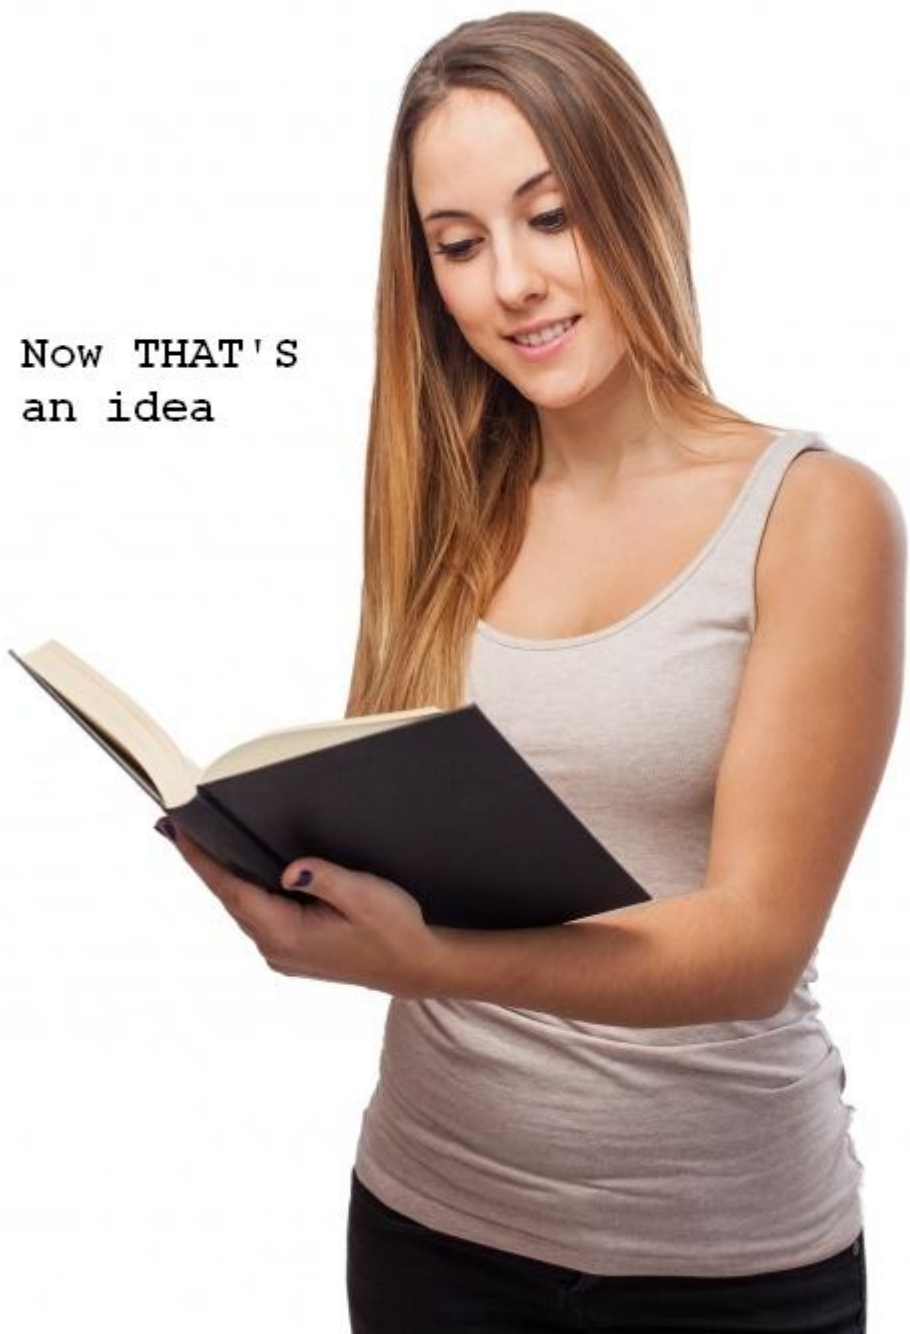

Wow!

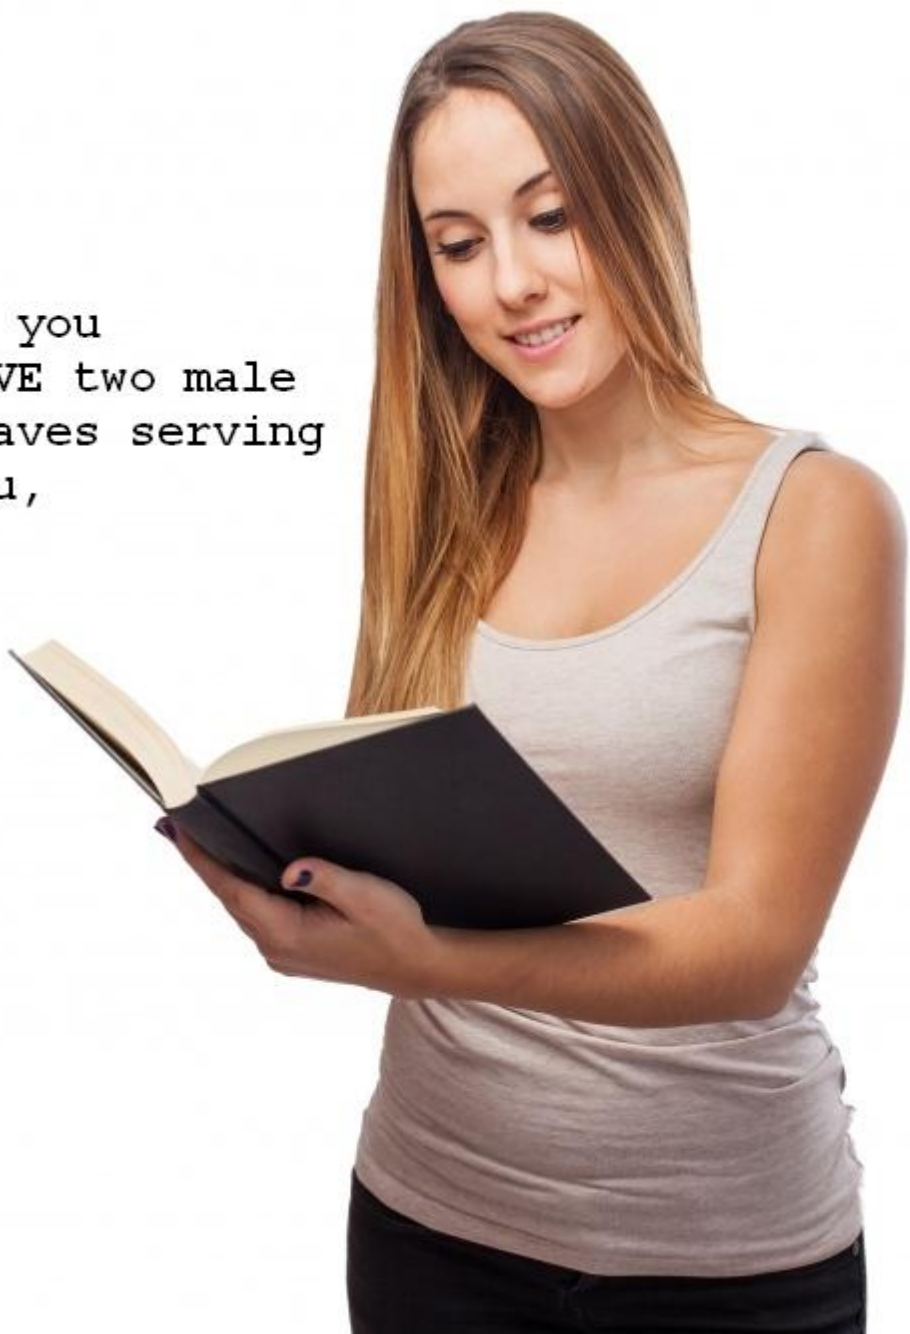

Now THAT'S
an idea

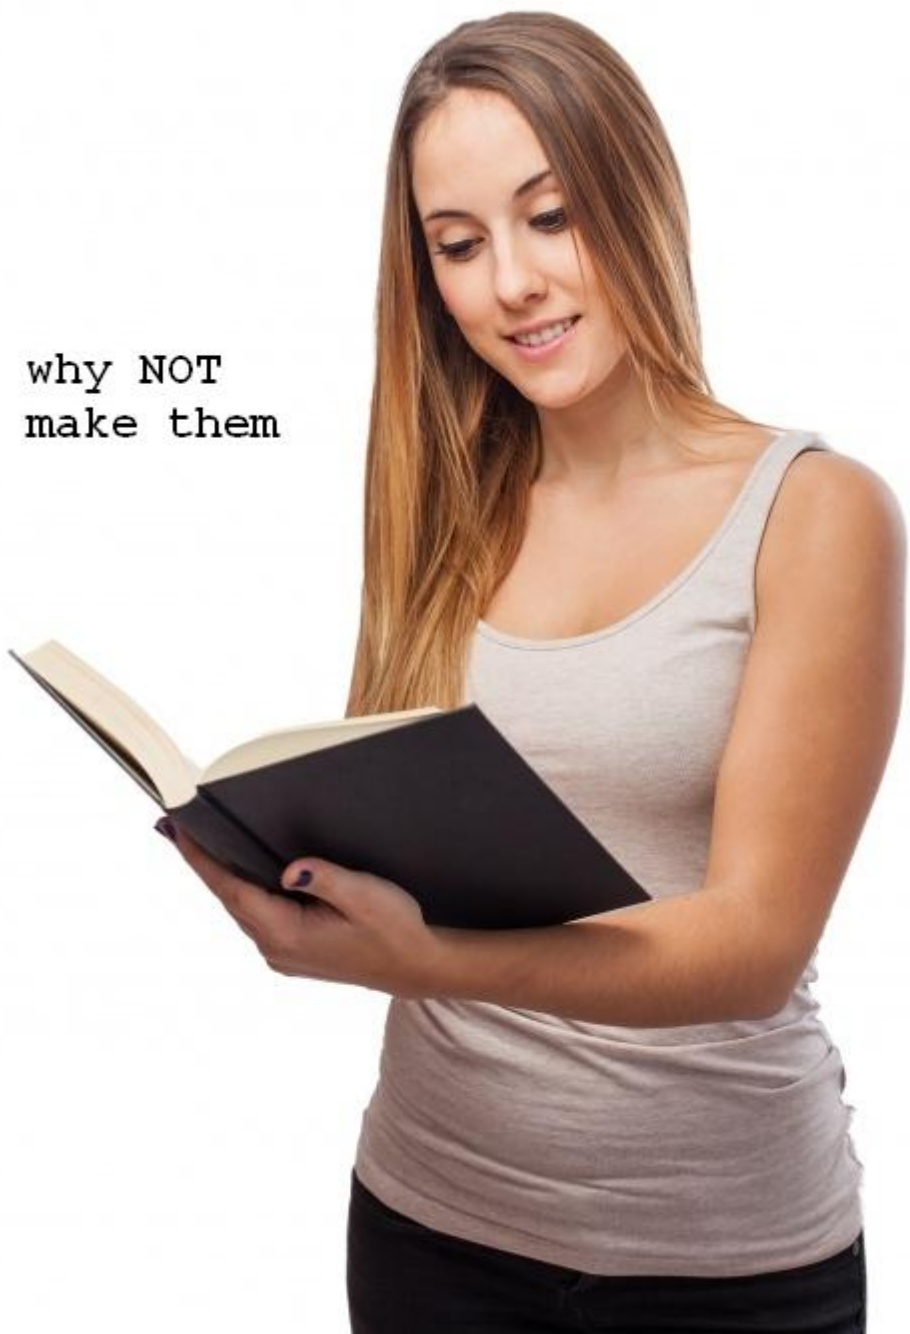

that I
think's
really
neat!

If you
HAVE two male
slaves serving
you,

why NOT
make them

"Compete?"

I have TWO
male slaves

and I've made it
THEIR mission

to compete
in their
SERVITUDE

because only
ONE gets
permission

to give me ALL
of his come,

ONE time
each week

while the
OTHER one
SUFFERS

and tries
harder
NEXT week!

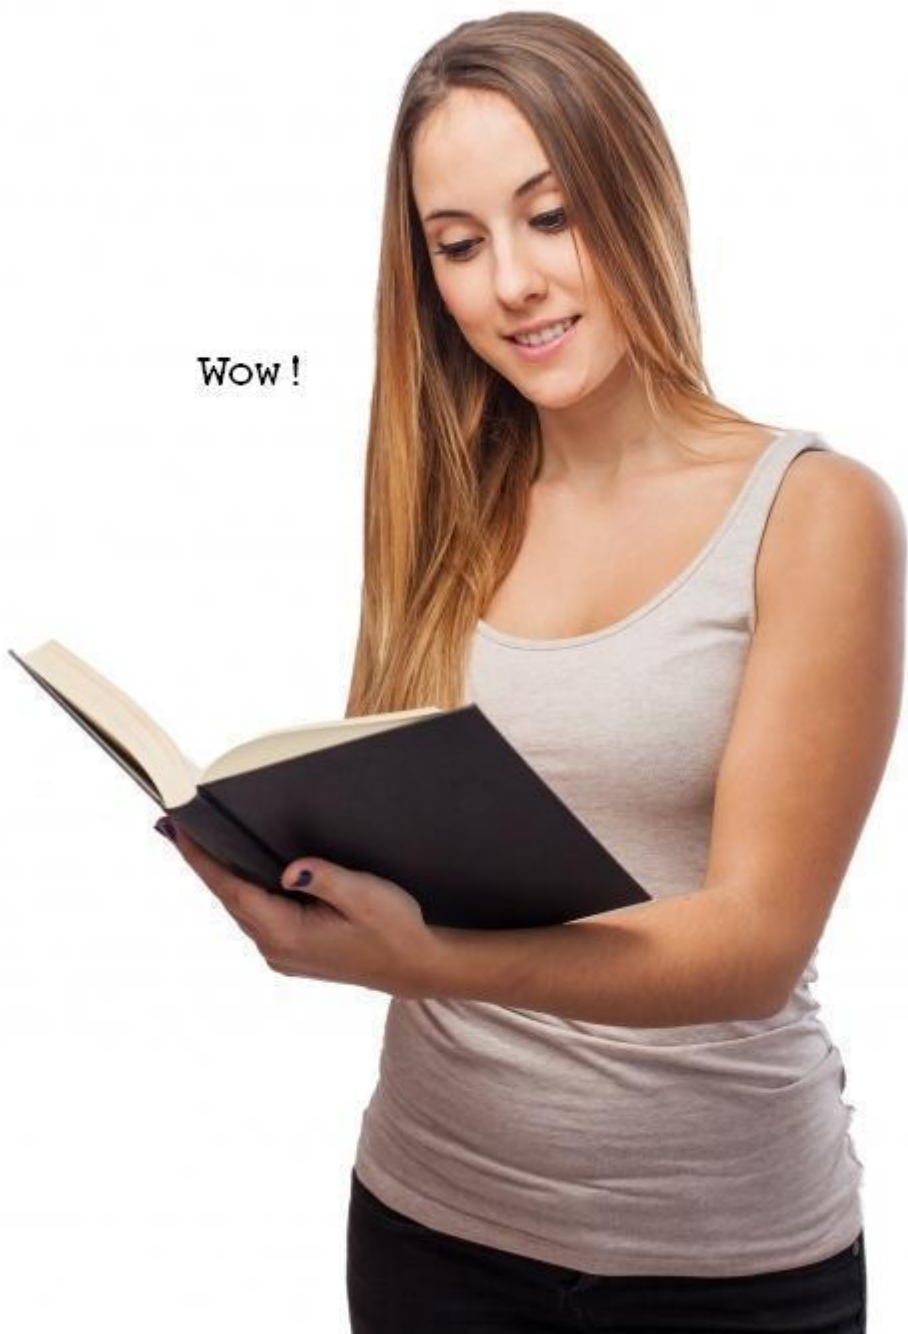

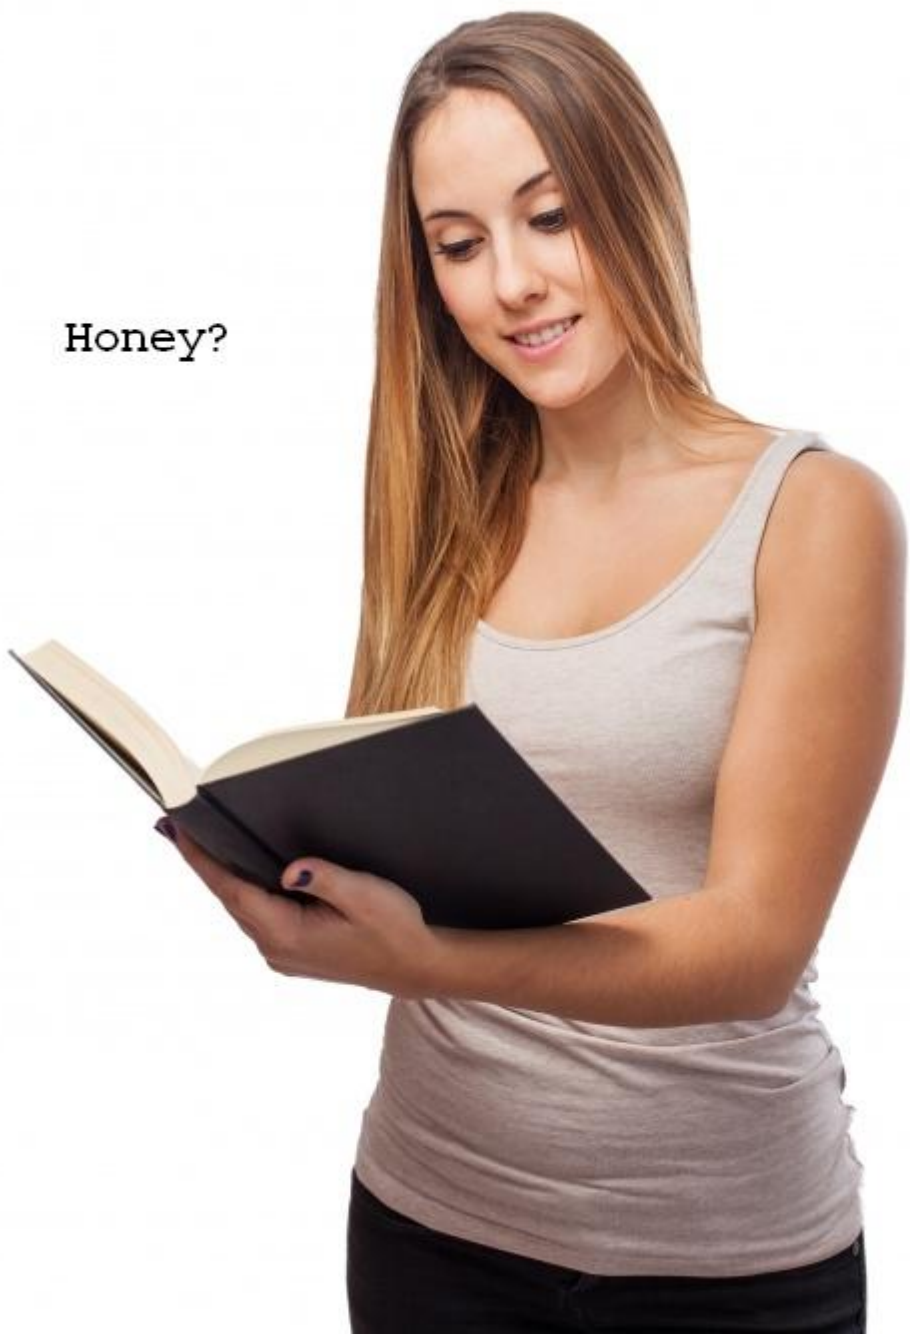

Wow!

Honey?

"Yes,
Mistress?"

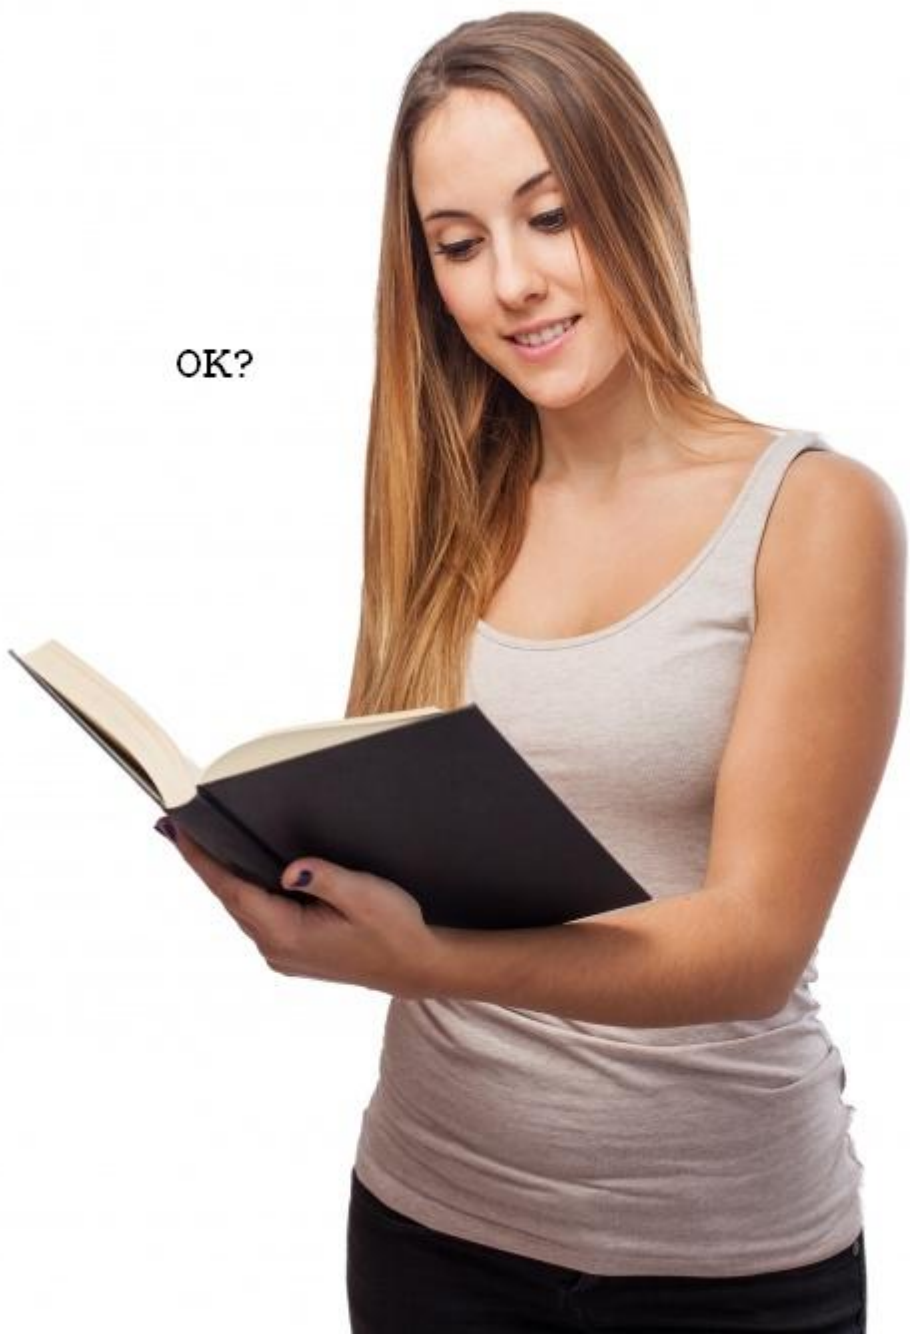

"Yes,
Mistress?"

There's
going to
be a change
in your
ejaculation
schedule!

OK?

"YES
MISTRESS!"

" YES
MISTRESS ! "

Good!
