

After a full year in chastity
and a chance to FINALLY come
GOD, I know I'D probably agree
to her having it done

Let me get the
paperwork out of
the way FIRST,

and THEN I'll
perform the

"Procedure!"

Are YOU
his OWNER?

Yes,
I AM,
doctor!

And do you
CONSENT
to this
procedure?

YES
doctor!
I DO!

And are you
AWARE,
that once
performed,

this
procedure
CAN NOT be
REVERSED?

YES
doctor!
I AM!

And when was the
last time they
were emptied?

Exactly
ONE year
ago,
doctor!

Would you like
them emptied
before I perform
the "procedure"?

YES,
doctor!

"OH GOD!
THANK YOU
MISTRESS!"

"THANK YOU!"

You're
WELCOME,
slave!

NURSE !

A woman with dark curly hair and glasses is dressed as a nurse. She wears a white short-sleeved nurse's uniform with a high collar and a white belt. A blue stethoscope is draped around her neck. She is wearing white latex gloves and is in the process of putting one on her left hand. The background is a plain wall with some medical equipment visible, including a metal stand with a plastic bag hanging from it and a small black device mounted on the wall.

Yes,
doctor?

Please empty
this male!

And be CAREFUL!
He hasn't been
emptied in a YEAR!

No
PROBLEM,
doctor!
