

This is a story which may give some
ideas

to you dominant Women reading it

Yeah it just MIGHT my Dears!

I have to
lick her to orgasm
multiple times
EVERY day,

but I only let HIM cum ONCE a
month IF I feel he DESERVES it

"In My FAVORITE Way!"

A woman is lying on her back on a blue and white patterned blanket. A man's hand is resting on her right thigh. The woman is looking towards the camera with a slight smile. The scene is set indoors on a light-colored wooden floor.

I have to do
THIS without
cumming until
Mistress
Marie's

A woman is lying on her back on a blue and white patterned blanket. She is nude and has her legs spread apart. Her hands are resting on her thighs. She has a red string tied around her pubic area. The background is a light-colored wooden floor.

ALL finished
having orgasm
after orgasm
while I SUFFER
and she's
TOTALLY
PLEASED!

You may stop
jerking off
now, I'm all
finished
cumming and
GOD do I need
a REST!

I want you
to make the
bed and
clean up in
here while
I go get
dressed!

Then
she leaves and
gets dressed and
when she comes back

she
STERNLY tells
me to

LAY FACE UP ON THE BED WITH
YOUR LEGS OPEN AND YOUR
HEAD AT THE BACK!

And after
I've obeyed and
said "YES MISTRESS!"

I sip my wine and RELAX and
have FUN doing THIS!

Until I sternly say "You
have my permission to CUM
now!" And he SCREAMS

OH GOD THANK YOU
MISTRESS!

And when he's ALL finished
cumming, my post orgasmic
bliss is so SWEET

as I sip my wine and relax
WATCHING him lick EVERY
drop of a months worth
of his cum from my feet!

And so that's the story of HOW
and WHEN MY slave's allowed
to cum for ME!

And he's THANKFUL
for THAT, sren't you
slave?

Oh God
YES
Mistress
Marie!
