

Once upon a time there was a very
strict Wife/Mistress

who let her submissive
slave/husband cum that month

but he had to do it like this

How long have you
been standing there
with that vibrator
turned on to
MAXIMUM power,
holding an
entire MONTHS
worth of cum
for me,

DESPERATELY
praying that
I'll FINALLY
give you
PERMISSION to
GIVE me all
of that cum?

FIFTEEN MINUTES
MISTRESS!

And I'm sure
they've been
fifteen very
LONG and
AGONIZING
minuteta too!
Huh?

OH GOD YES
MISTRESS!

GOOD !

"Now CUM!"

YES
MISTRESS!
THANK YOU
MISTRESS!

And for those
of you who
wish it could
be YOU in
this fable,

I have to lick
up and swallow
the MESS that I
made on her
table!

YEAH!
Now get busy
and DO it!

YES MISTRESS
MABEL!
