

Why is my life such incredible bliss,
when I'm only allowed to come once a
week and THAT's only IF

I've served her properly ALL week

and always OBEYED my Mistress

and STILL always have to do it
like THIS?

You've served and
obeyed me VERY well
all week,
you may have your
once a week COME
now!

THANK YOU
MISTRESS!

You're
welcome!

"You May Start Now!"

THANK YOU
MISTRESS!

You may come
NOW, slave!

THANK YOU
MISTRESS!

You're
welcome!

And I'll ANSWER
your question as
your dominant WIFE,

the Woman you
NEED to be a
slave to for
the rest of
your life,

it's because
something down
DEEP in the depths
of your soul

needs BADLY to be
under a Womans
TOTAL control!

Isn't that
TRUE slave?

Oh my God
YES,
Mistress
Nicole!

Good!
Now DRY me,
slave!

YES
MISTRESS!

A photograph of a woman with long, curly red hair and a man lying in bed together. The woman is on the left, propped up on pillows, looking down at the man. The man is on the right, lying down and looking up at the camera. They are both unclothed. The lighting is warm and intimate, with shadows on the wall behind them.

Thank you
for letting
me come
this week
Mistress!

You're
welcome
slave!
