

"Once upon a time a but once a month
denied submissive man

asked his dominant Wife

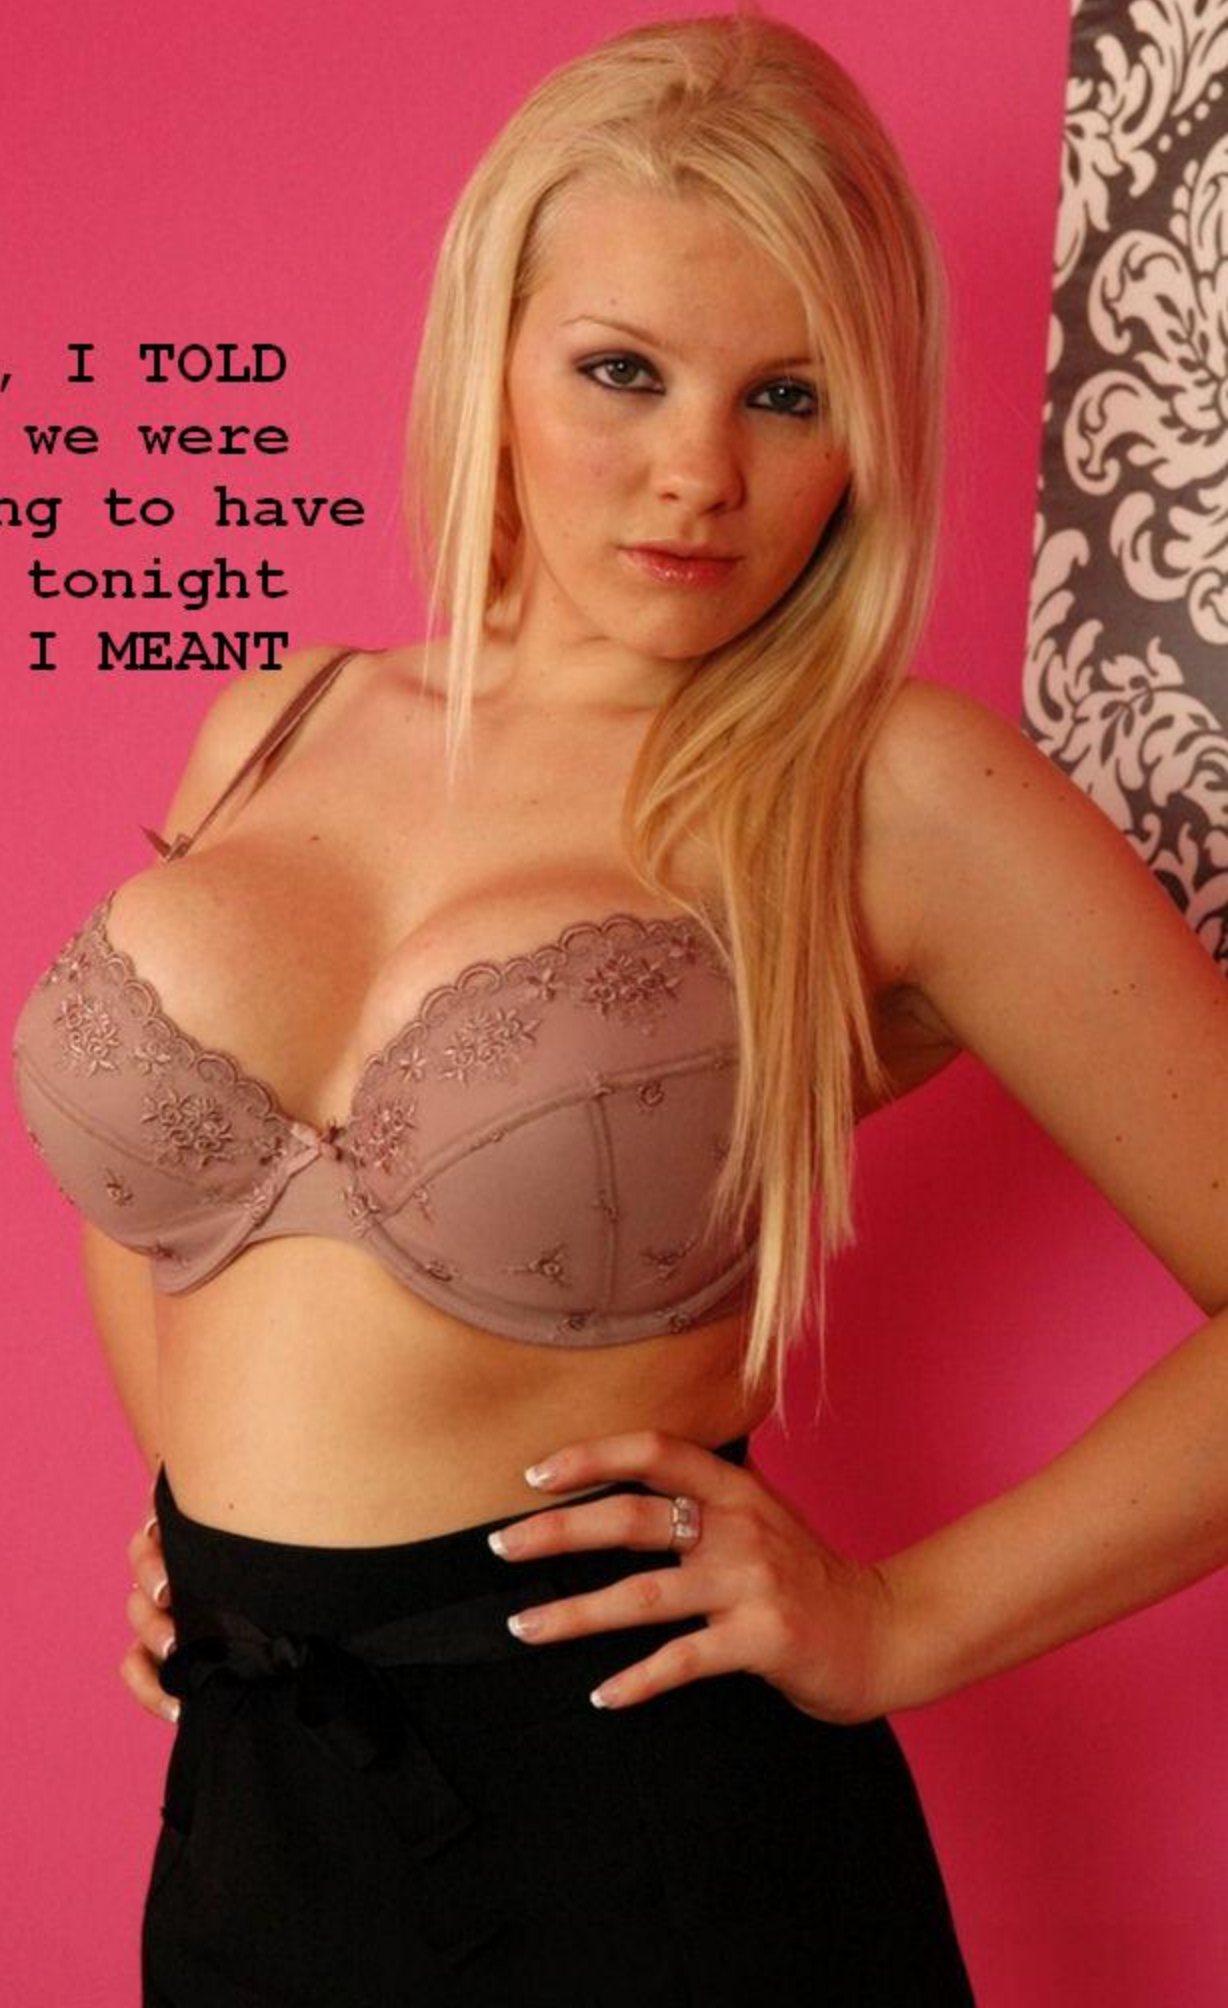

"can we have
sex tonight?"
And she said
"YES we CAN!"

And after she
began their
evening of sex,
and SHE was
HAPPY, here's
what happened
NEXT!

Hey, I TOLD
you we were
going to have
sex tonight
and I MEANT
it!

You licked me
to multiple
mind blowing
orgasms and
i'm VERY
pleased with
the sex I
had so NOW

"YOU May Have YOURS!"

So DO it or
I'll make you
wait ANOTHER
month!

YES MISTRESS !

You may cum
for me NOW!

And he SCREAMED
"THANK YOU
MISTRESS!"
as his cum
squirted all
over her floor
until he was
finished and
couldn't cum
ANY more!

And then SHE
stood there
WATCHING in
post orgasm
BLISS after
sternly
telling him

Now lick my
floor CLEAN!
and he sobbed
"Yes Mistress!"
