

She taught me a quieter way
to do my begging and pleading
while she's blissfully enjoying
some quality time reading

"When my
Mistress reads
her Fem Dom
stories

she makes
me sit by
her side,

and says

A black and white photograph of a woman with long hair lying in bed. She is holding a large, realistic-looking dildo in her right hand. She is looking down at the object with a serious expression. The background is a simple wall with a window. The text "You better not come ONE fucking DROP," is overlaid on the right side of the image.

You better not
come ONE fucking
DROP,

and you better
keep your legs
open WIDE!

And I
reply with
"Yes Mistress!"

as I
very
weekly
OBEY,

until
the chapter

"She's Reading"

gets to
it's end

and she says

Now get down
there and
PLEASE me!

when I say

**"YES
MISTRESS! "**

and I
PLEASE
her,

until
she says
"WHEN!".

and I go
back to
waiting

for
the NEXT
chapters
end!
