

Oh God Mistress, Mistress
please,

I'm begging you on bended knees

Don't take that big belt off
your pants

and use it on my naked ass!

If I
tell you
to get
yourself
up off
your
knees

and go
find my
big black
belt and
BRING it
to me,

so I
could
tie you
face down
to the
four
corners
of my
bed

and whip
your
submissive
little ass

till it's
a nice
cherry
RED,

you'll
tell me
"Yes
Mistress",
yes you'll
say THAT
to me

and then
you'll
start to
BEG,

and Oh my
GOD will
you

"Plead"

"Oh God Mistress
Dianne! Please
don't take me
to your bedroom
and give me
a whipping?
PLEASE?"

Richard, I'm sure
that you're
REALLY sorry for
disobeying me and
you can plead ALL
you want to, but
you are STILL
coming with me to
my bedroom for a
whipping!

"But Mistress,
my balls have been
tied tight in the
ribbon since
last night
and they hurt
REALLY bad,
Mistress!

Yes, I KNOW that
your balls have
been tied TIGHT
in the ribbon
since Ten O'clock
last night.

And YES Richard,
I'm sure that
they DO hurt
really bad!

"But it's not fair Mistress!
You already punished
me with the ribbon
AND your belt
LAST night,
Mistress!"

"Please don't punish
me for the same
thing TWICE,
Mistress!"
Please?

You are NOT being
punished for the
SAME thing twice,
Richard!

Your balls are tied
in the ribbon as
punishment for
coming without my
permission last
night,

and you're getting a
whipping with my belt
TODAY because you
didn't clean the
kitchen last night
like I TOLD you to!

"I'm sorry that
I forgot to clean
the kitchen last
night, Mistress
Dianne!
I'm SORRY
Mistress!"

Your "I'm Sorry Mistress"
doesn't cut it! I told you to
clean the kitchen BEFORE
I clipped you down
for Come Training!

But since you're a MALE,
you forgot about EVERYTHING
that I told you to do the
second that I put my hand
around your cock and
began Come Training you!
DIDN'T you, Richard?

"Yes Mistress!
Your hand always feels
so GOOD Mistress
and you always
make me want to
come for you
so BAD,
Mistress!"

"The ONLY thing I think about when you train me with your hand is how much I want to come for you and how badly I'll disappoint you if I DO!"

"When I'm at the
mercy of your hand
I forget about
EVERYTHING
but holding
my come for
you Mistress
Dianne!"

Yes, I KNOW that it
feels really good when
I jerk you off like that.
That's why I use my HAND
to train you to only
come when I give you
PERMISSION to!

But you forgot ALL about
my kitchen and the ONLY
thing that you thought
about was squirting your
come ALL OVER my hand!
WASN'T it, Richard?

"Yes Mistress!
I'm sorry Mistress!
I tried REALLY hard
to hold it for you,
but it was a WEEK
since you last
let me come
and I LOVE
giving you
my come
Mistress!"

"I'm sorry that
I came without
your permission
Mistress
Dianne!"

I KNOW that you love giving
me your come Richard,
but I want you to learn
to HOLD it for me until
I give you PERMISSION to
give it to me!
OK?

"Yes
Mistress
Dianne!"

I told you NOT to come
but you disobeyed me!
THAT'S why I gave you a
whipping with my belt
and tied your balls
in the ribbon
last night!

"Mistress? Since
you gave me a whipping
with your belt LAST
night for coming,
do I really have to
get ANOTHER whipping
with your belt
TODAY for the
kitchen?"

Yes! You HAVE
to get ANOTHER
whipping for
my KITCHEN
Richard!"

"Mistress Dianne?
Please don't use your
big black belt again?
Please don't whip
me hard Mistress,
Please?"

Richard, I'm GOING
to use the big black
belt again and I'm
GOING to whip you
really HARD!

"Are you going to
make me put my
wrist and ankle
cuffs on and then
clip me down to
your bed again,
Mistress?"

YES!
I WILL
clip you
down to
my bed
Richard!

"Are you going to
leave my legs wide
open again too,
Mistress?"

Yes Richard, your legs
will be WIDE open for me
like they always are
when I clip you to my bed!

"Please don't whip my tied
up balls Mistress Dianne?
They hurt REALLY bad
Mistress!
Please?"

I WON'T whip your balls on purpose Richard, but if you thrash around alot while I'm whipping you, I MAY hit them by accident!

"But it's HARD to lie still while you're whipping me Mistress Dianne! Your belt hurts ALOT Mistress!"

Richard, my whippings are
SUPPOSED to hurt really bad
to help you learn to OBEY me!
Now that's ENOUGH stalling!
Follow me to my bedroom NOW,
Richard!

"Mistress Dianne?
Can't I just go and clean
the kitchen for you NOW,
and then lick you to
orgasm INSTEAD of
getting a whipping?
PLEASE Mistress?"

No Richard, you can NOT
clean my kitchen NOW!
You will clean my
kitchen AFTER I'm all
finished whipping you

and AFTER you've
licked me to orgasm
to THANK me for
whipping you!

Now get your
ass in my
bedroom!

"PLEASE don't
whip me Mistress
Dianne!"

I am starting
to get REALLY
angry, Richard!

Richard?
Did'nt we discuss
what I would do
if you didn't
learn to OBEY me
the way that I
WANTED you to?

"Oh God Mistress Dianne!
You said that you
wouldn't let me keep
my BALLS if I didn't
learn to obey you!"

"Oh GOD Mistress Dianne!
Please don't cut
my balls off Mistress?
PLEASE Mistress?
PLEASE?"

Then follow me into
my bedroom for your
whipping RIGHT NOW,
Richard!

"YES
MISTRESS
DIANNE!"

And Yes,
you WILL
beg, and
GOD will
you plead

but as we
lived
together
it became
obvious
to me

that the
big belt
that I
use

the belt
you claim
that you
HATE,

sure makes
your cock
HARD and
stand up SO
straight!

Yes,
my belt
makes you
BEG

and
my belt
makes you
PLEAD

but the fact
that I USE it
is part of
why you
LOVE
me!

Isn't
it,
Honey?

"Yes
Mistress!"

Well,
I'll tell
you a
secret
between
just us
two,

it's your
WANTING
me to
use it

that
makes
ME love
YOU!

Well,
what are
you
waiting
for?

Go GET
it!
