

You best hope and PRAY

that YOUR Mistress

doesn't want

to be close like THIS!

And I suggest  
that you pray  
with ALL of your  
might slave,

because you're  
going to need  
those  
prayers  
ANSWERED,

before  
she's  
FINISHED!

Now THANK  
me for  
WARNING  
you!

"YES MISTRESS!  
THANK YOU FOR  
WARNING ME,  
MISTRESS!"

You're  
WELCOME  
slave!

Now GO,

and SERVE  
your Mistress,

and pray that  
SHE doesn't want

**"Someone To Share With!"**

I used to  
HATE getting  
my period,

and having  
to suffer  
with being  
MISERABLE,

BLOATED,

and  
TORTURED  
by terrible  
cramps,

ALONE !

GOD,  
I HATED it!

But then I found  
out that there  
were submissive  
males out there,

and I had NO  
problems at ALL  
finding one of  
them who wanted  
to be my SLAVE,

so NOW  
when I'm,

MISERABLE ,

and  
TORTURED  
by terrible  
cramps,

DAY after  
miserable  
DAY,

I have  
someone  
to SHARE  
it with!

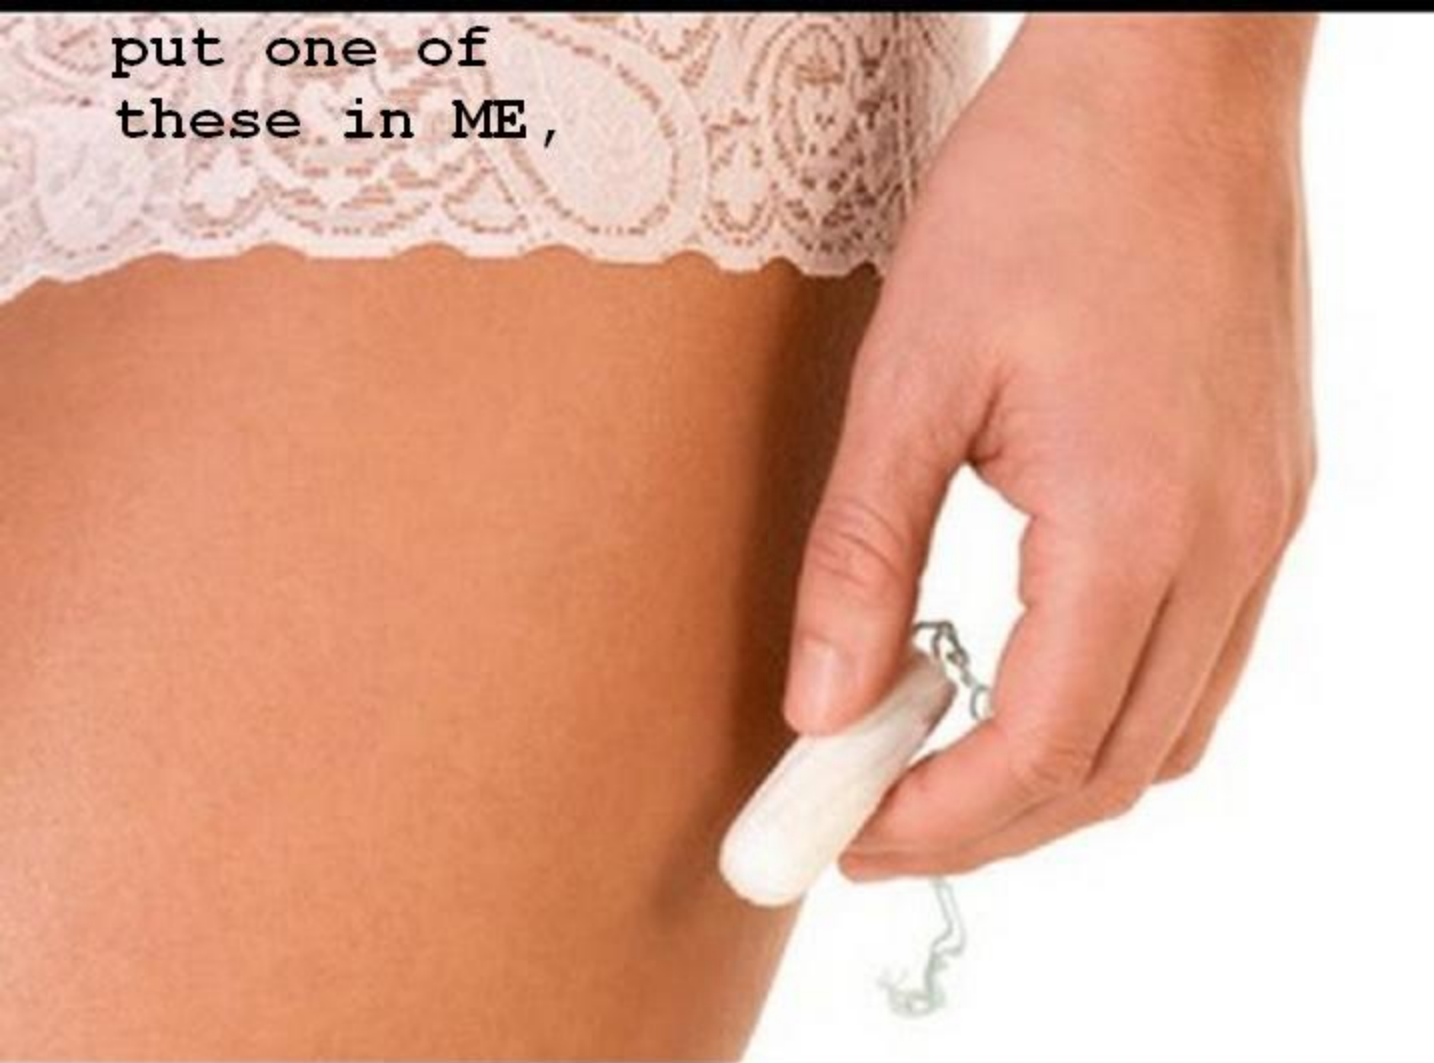

So NOW,  
as soon  
as I

put one of  
these in ME,

I make HIM  
bend over

and put one  
into HIMSELF!

**THEN ,**

the being  
TORTURED  
by terrible  
cramps,

DAY after  
miserable  
DAY,

is shared

by me tieing a  
string around  
his BALLS,

and  
TIEING  
it,

as  
TIGHT  
as I CAN,

and  
LEAVING  
it tied,

DAY after  
miserable  
DAY,

until I'm  
FINISHED!

And  
though  
it doesn't  
make my  
cramps,

NOR my  
bloating,

NOR my  
misery  
go AWAY,

SHARING  
this,

gives us  
a closeness  
we've NEVER  
felt before!

Doesn't  
it, slave?

"YES  
MISTRESS!"

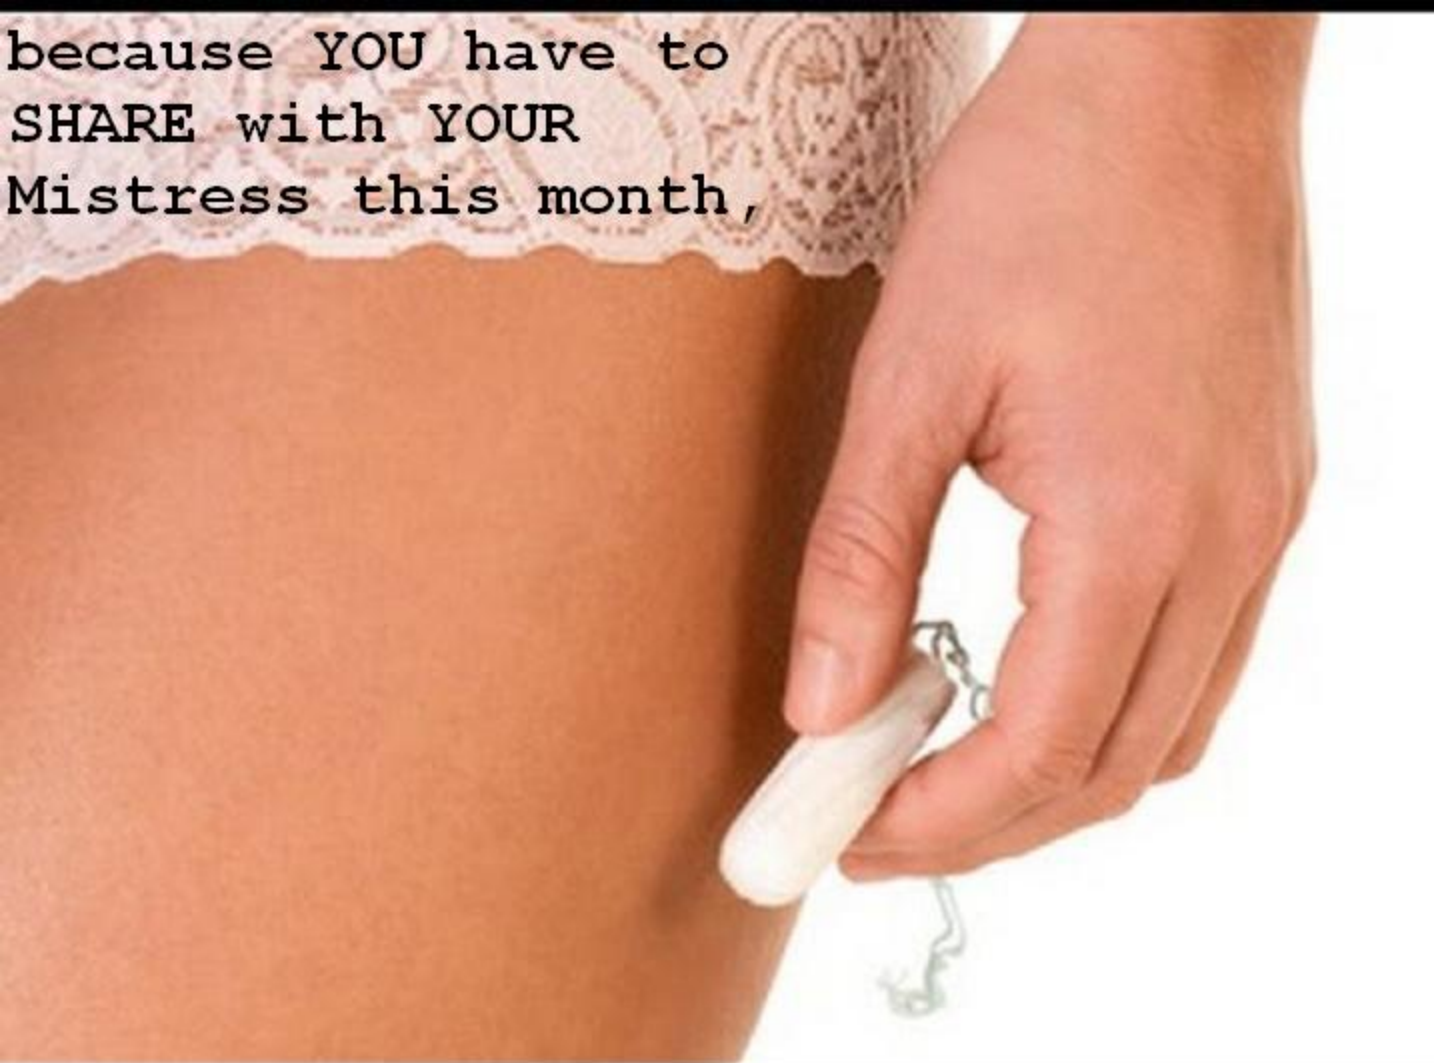

And THIS aint the END  
of THIS story YET,

because YOU have to  
SHARE with YOUR  
Mistress this month,

DON'T you my pet?
