

Once upon a time when my business  
was first starting out

"I'd like an assistant and a raise!"  
came from my VERY overworked and  
sole employees mouth

So I brought  
my submissive  
slave boy  
friend to  
my office  
with me

and told him  
to assist her  
ALOT more  
than just  
bringing  
her

**"Coffee Or Tea!"**

And she never  
again asked me  
for a raise,  
but she DID  
ask to take  
him home  
overnight  
every couple  
of days!

But my business  
was BOOMING and  
I didn't care,  
because  
I'm a VERY  
smart Girl  
and I had  
me a SPARE!  
DIDN'T  
I Dear?

**Yes  
Mistress  
Claire!**

And it's a good  
thing I DID,  
cause my business  
sure GREW,  
and I had to  
hire an extra  
employee or  
two!  
So today you'll  
start assisting

**Carol**

**Sharon**

**Linda**

**and SUE!**

**Margaret**

Now crawl  
your ass  
IN there!  
They're  
waiting for  
you!
