

Does your screaming and begging give
your neighbors no peace?

How many times have they called the
police?

Well, let me ask you a question or
two

which may give your Mistress an idea
for a special project for you

When you
disobey
YOUR
Mistress,
does she
make you
crawl

to the sound
proof "PLAY"
room she
made you
build for
her at

"The End Of The Hall?"

And WAIT
for her
PROPERLY
while she
takes her
strap off
the wall

and lets
her hair
down to
meet you
and sate
her
DESIRE

to GIVE
you the
discipline
she feels
you truly
REQUIRE?

And when she
is finished
do you STAY
kneeling to
LOUDLY sob
"MISTRESS
"I'M
SORRY!"

THIS
way?

And your
neighbors
didn't hear
you SCREAM
and BEG
even ONCE
the entire
day?

Then you
better start
BUILDING
that sound
proof PLAY
room for
her RIGHT
away!

SHOULDN' T
you?
