

What's important in a relationship
between a woman and a man

are a few simple things that we can all
understand,

like love and affection and fidelity and
trust

and being there for each other until you both
turn to dust.

Yes, THIS is the basis, the foundation,
the CORE,

but in a Fem Dom relationship there IS
one thing MORE!

Yes ,

there IS one more
thing that the male
will need in a
female dominated
relationship,

ISN'T
there,
guys?

"Yes Mistress!"

We were
REALLY
curious,

so we went out
and asked a
bunch of women,

what THEY feel is
MOST important in
a Female and male
relationship!

And they told
us that
it was,

Love!

RESPECT!

Great
SEX!

Honesty!

Faithfulness!

Ummm ,
CARING!

Just BEING there
for each other!

Humor!

OBEDIENCE !

Trust!

Compatibility!

And then we went
to the local
Fem Dom club,

and we
asked
THEM,

what do YOU feel
is THE most
important thing
in a relationship
between a Female
and a male?

and they
UNANIMOUSLY
shouted,

A
SAFE word!

A SAFE
word!

A SAFE word!

Yes,
a SAFE
word!

A photograph of two women laughing and holding wine glasses. The woman on the left has blonde hair and is wearing a white dress with red polka dots. The woman on the right has dark hair and is wearing an orange and red patterned dress. They are both smiling broadly and looking at each other. The background is a plain, light-colored wall.

RIGHT
Honey?

A man is shown from the waist up, facing right. He is shirtless and wearing a black collar with silver studs. He has a black strap with silver studs around his upper arm and another similar strap around his waist. A red strap is tied around his right thigh. The background is dark with a textured wall and a red surface below. The text "YES MISTRESS!" is overlaid in white.

"YES
MISTRESS!"

The End

Yes ,

a
SAFE
word!

You DO
remember
YOURS,
don't
you?

"YES
MISTRESS! "

"YES MISTRESS!"

"YES
MISTRESS!"

MMFK
AMFSS!

He said
"YES
MISTRESS!"

GOOD !
