

Yes, a dominant Female

DOES have her ways

to make a submissive male

DO what she says

YES Dear,
a Woman

has more
than ONE
way

to teach a
submissive
male

like YOU to

"Obey"

Once upon
a time

there was a
DISOBEDIENT
male,

who said
"I'm NOT
gonna do
what you SAY
Mistress
Gayle!"

So I got me
this STRAP,

and EVERY
day it
went WHAP,

till he
finally
LEARNED he
should BE

an
OBEDIENT
chap!

And now
that he
KNOWS

what my USE
for THIS is,

he has no
TROUBLE
at ALL

telling ME

"YES MISTRESS!"

Now this
story
about
Gayle

and her
male slave
Paul

should be
SUFFICIENT
to make you

OBEDIENT
and all!

But in the
event that
it ISN'T,

you
submissive
guys should
RECALL

that besides
your sorry
ASS

we own
BOTH
of your
BALLS!

"OH GOD MISTRESS!
NOOOOOOOOOOOOOOOOOOO!"
