

I learned something from serving my
own strict Wife/Mistress which I
feel I should tell

sometimes my being her naked slave
made her hornier than Hell

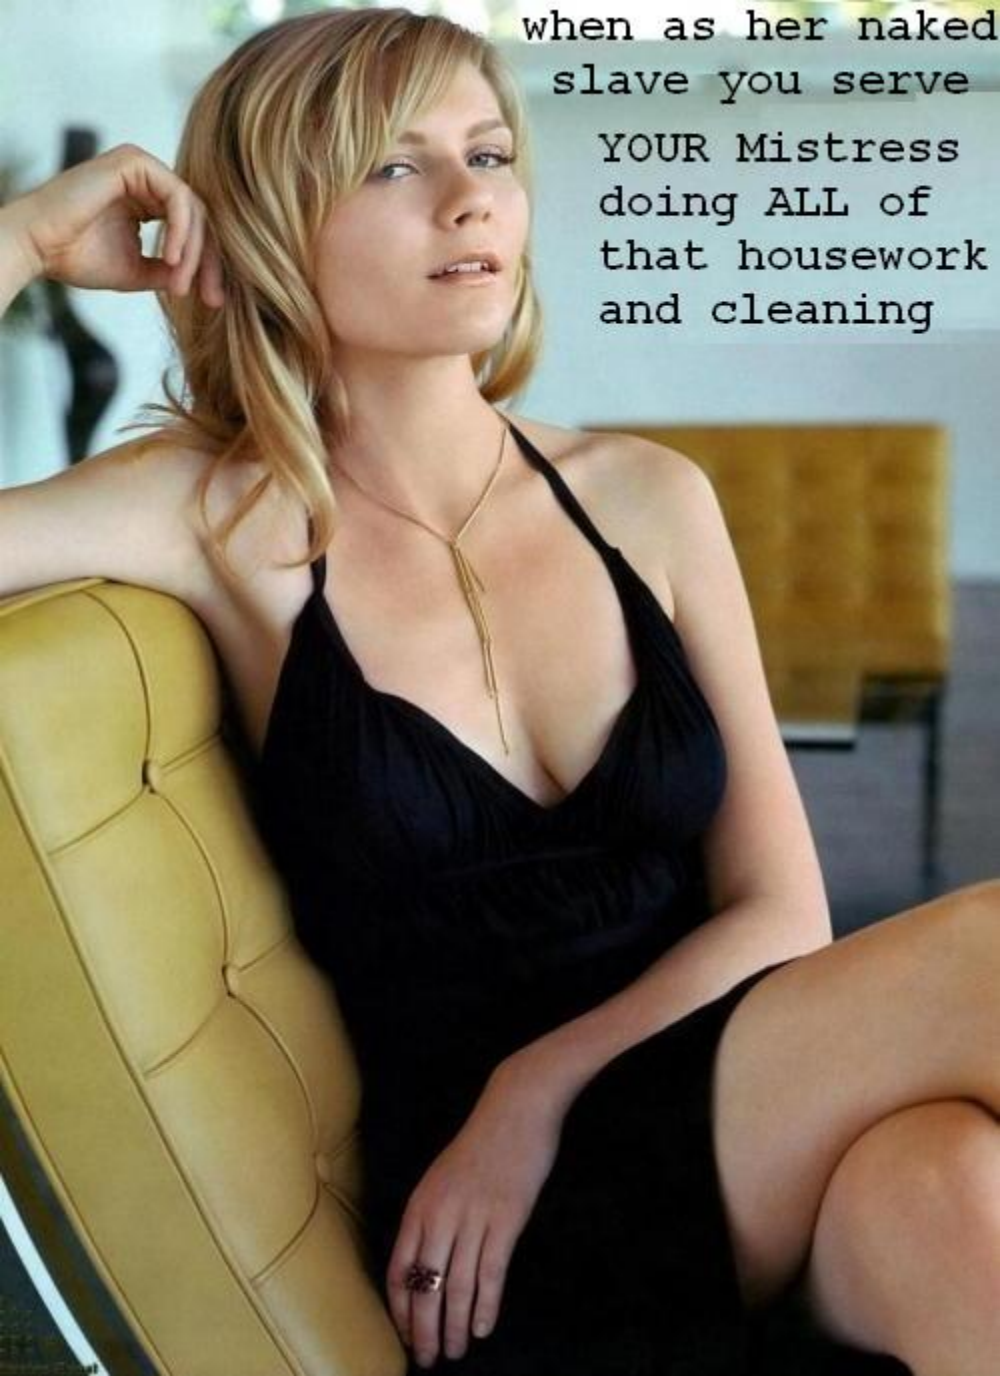

and oh my God, for BOTH of us,
it felt REALLY swell!

A woman with blonde, wavy hair is sitting on a yellow tufted chair. She is wearing a black halter top and a thin gold necklace. Her right hand is resting on her head, and her left hand is resting on her lap, showing a ring. The background is a blurred indoor setting.

Here's a short
but SWEET
story which
I'm sure you
know sometimes
is TRUE,

when as her naked
slave you serve

YOUR Mistress
doing ALL of
that housework
and cleaning

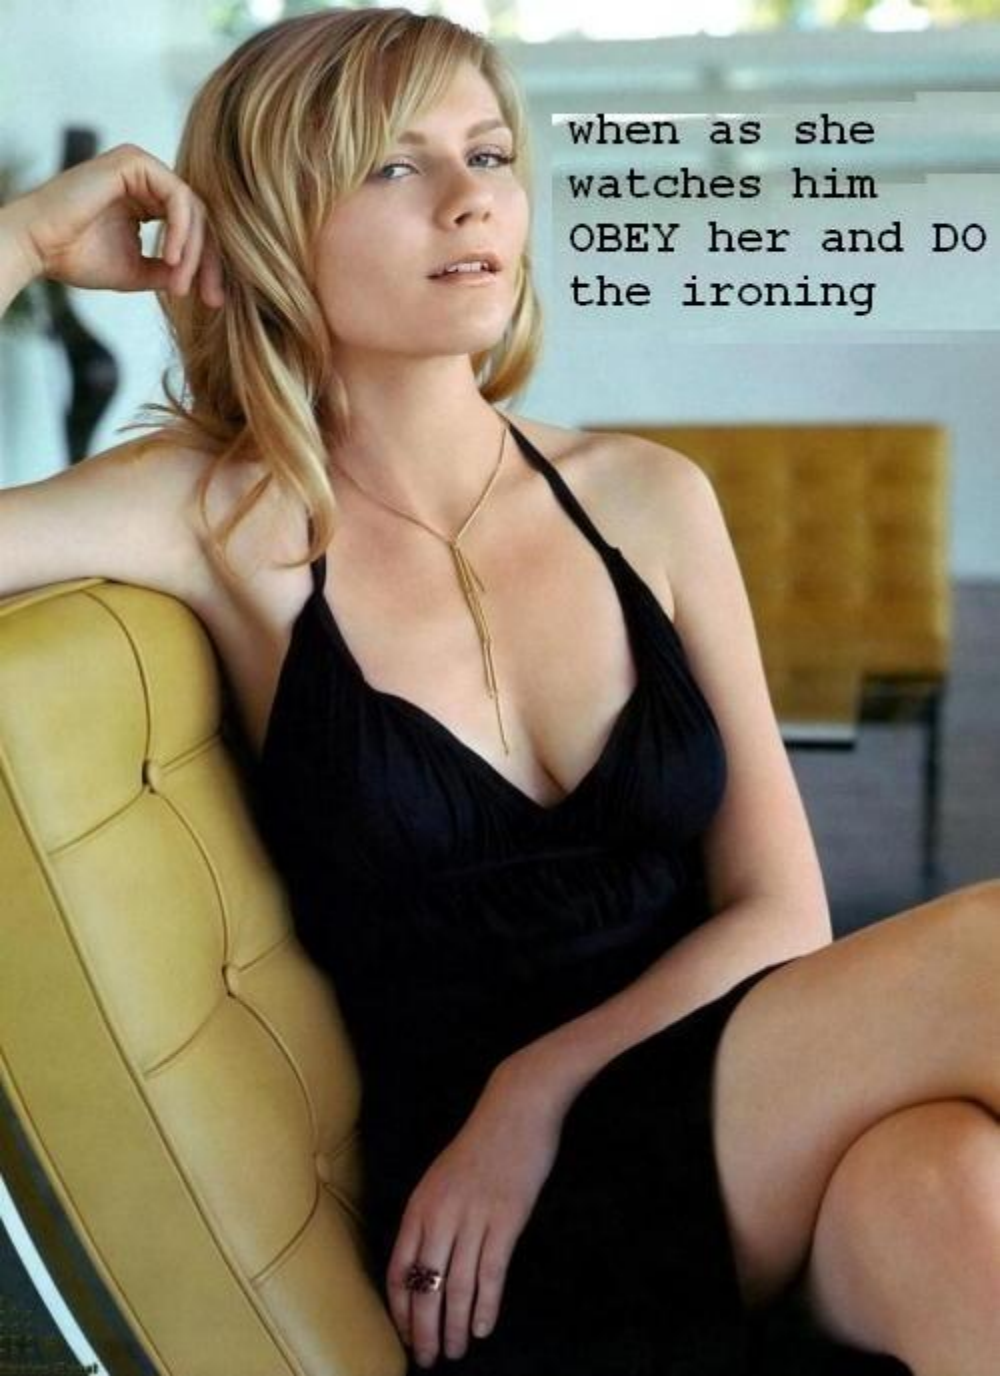

"She Orders You To!"

A woman with blonde, wavy hair is sitting on a yellow tufted chair. She is wearing a black halter top and a thin gold necklace. She is looking off to the side with a slight smile. Her right hand is resting on her head, and her left hand is resting on her lap, showing a ring on her finger. The background is a blurred indoor setting.

YEAH! There are
times when she
tells her naked
slave, "DO THE
IRONING!" and
he says

YES MISTRESS!

when as she
watches him

it excites her
SO much that
she HAS
to do
THIS!
