

Here is a story in which you
will see

how happy a marriage really
CAN be!

There once was a
very dominant
Woman who
trained her
husband
Jerome,
to be her
SLAVE and
OBEY her
in EVERY
way, at ALL
times, in
what is now
HER happy
home!

And she trained
him to do EVERY
domestic and
housecleaning
chore, and
to lick her
to orgasm
at least
ONCE a
day, but
MOST days,
ALOT more!

And if he served
her and pleased
her EVERY day
on his knees,
WORSHIPPING
her and
kissing her
feet, at
the end
of each
week she
would

"Give Him A Treat!"

By taking his
THROBBING erect
cock in my HAND,
and jerking him off

until
he CAME

all OVER my hand while
SCREAMING

THANK YOU
MISTRESS ANN!

OH GOD!
THANK YOU!
THANK YOU!

The End

And this
submissive
slave/husband
and his
owner/Wife,
shared the
DEPTHS of
each others
SOULS for
the rest of
thier life,

with HIS name
being "slave"
and HERS
being
"Mistress",
till death
do they
part,
SHARING a
marraige
of BLISS!

God, I bet
you'd do
ANYTHING to
have **YOURS**
be like
this,
WOULDN'T
you?
