

Mistress Denise and her room mates
will tell you a tale

about how THEY properly educated
THEIR submissive male

Once upon a
time myself and
my room mates
Sharon and Sue,

owned a houseboy
as our SLAVE but he
didn't really know
what to do,
to PLEASURE us the
way we WANTED him to!

So Sharon
and Sue

"Put His Leash On"

and we
took
him

to a
special
two
week
long
CLASS

in how to
PROPERLY
pleasure
a Woman

given
by our
friend
Mistress
Cass,

who
told
our
slave

STERNLY

Get busy kissing
and LICKING it
slave and do
NOT give me
ANY backtalk
or sass,

and you better
learn to do it
right QUICKLY
or I'll PUNISH
your ass!

And he
KNEW
that
she
WOULD

so he
said

**YES
MISTRESS
CASS!**

And as he TRIED
to pleasure me
I knew WHY
they brought him
to my class!

The End

But Cass taught
him SO well in her
class for two weeks

that he
learned how to
give a Woman
ALL

of the ORGASMS
and SEXUAL
pleasure
she seeks!
