

"SUFFER and make me even HORNIER
my slave, my PROPERTY, while I
tell you MY tale!

It's about a Girl who was BORN
to own a submissive male!"

Once upon a time
there was a
young Girl,
whose friends
dreamed of Prince
Charming and living
with him in a
magical world,

as his WIFE,
living in castles
and wearing jewels
and fine dresses,
living a life of
ROMANCE while
MAIDS attended
and cleaned up
household messes!

But SHE didn't get
turned on by
THAT lifestyle
creed,
THIS Girl got
turned on by
something

"VERY Different Indeed!"

A woman is lying on her back, positioned between the legs of two other individuals. She is wearing a white thong and high-heeled sandals. The scene is captured from a low angle, focusing on the woman's lower body and the surrounding legs. The text is overlaid on the image in a typewriter-style font.

Like a man
being her SLAVE
and seeing him
SUFFER while she
denied him ANY

release of
his SEED,

and she knew
a life with
Prince Charming
would NRVER

take care of
THAT need!

And she lived
HAPPILY ever
after!

VERY
happily!

00000h YES!
