

You shudder and cringe, hold
your balls in your hand

when you think of the worst
thing she can do to a man

Oh Yes that IS
bad, the thing
that you're
thinking,

A woman with long, wavy dark hair is sitting on a bed with bright red bedding. She is wearing a black, short-sleeved, V-neck dress and black high-heeled shoes with a lace-like pattern. She is looking towards the camera with a slight smile. The background shows a metal bed frame and a bedside table with a lamp.

but believe
it or not guys,
there's a WORSE
thing to MY
thinking!

Like what if
your dominant
Girlfriend
or wife

did THIS
every day

"For The Rest Of Your Life"

Watch
the
clock
and
count
the
minutes,
slave!

"YES
MISTRESS!"

"ONE
MISTRESS!"

" TWO
MISTRESS ! "

"THREE
MISTRESS!"

"FOUR
MISTRESS!"

"FIVE
MISTRESS!"

Now
let's
get you
dressed!

"YES
MISTRESS!"

A close-up photograph of a hand holding a large, realistic-looking penis. The penis is encased in a metal cage and secured with a black strap. The hand has dark red nail polish and is wearing a red beaded bracelet. The background is blurred.

Now
brush
my hair!

"YES
MISTRESS!"

So it CAN
be much
worse
guys

and I'm sure
THIS guy
agrees

that
sometimes

doing
THIS

A woman with long, wavy dark hair is sitting on a bed with bright red bedding. She is wearing a black, short-sleeved, V-neck dress and black high-heeled shoes with a lace-like pattern. She is looking towards the camera with a slight smile. The background shows a metal bed frame and a bedside table with a lamp.

is an act
of MERCY!

Isn't
it?
