

It may not be every day or even  
sometimes a month or a week

before she decides to allow you the  
release you so desperately seek

But when EVER or HOW she decides  
to grant the PRIVILEGE of cumming  
to you

I know from personal experience  
how you'll mean it from your SOUL  
when you tell her "THANK YOU!"

Being allowed  
to cum ONLY if SHE  
allows it is hard  
to withstand

but such is the  
life of a  
submissive man

but I'm so GRATEFUL  
to her and my love  
for her is so  
GRAND

when she decides  
to be nice and

**"Does This With Her Hand!"**

A black and white photograph showing a woman kneeling on the right side of the frame, facing left. She is touching the buttocks of a nude mannequin that is standing on the left side of the frame. The woman has long, wavy hair and is wearing a dark, patterned skirt. The mannequin is a full-body figure. In the background, there are some indistinct shapes that could be posters or signs. Overlaid on the image is a block of text in a typewriter-style font.

Do NOT  
cum  
until  
I TELL  
you to!

**YES  
MISTRESS!**

A black and white photograph showing a woman in profile on the right, wearing a black strapless top and a dark skirt. She is pointing her right index finger towards the buttocks of a man whose back and legs are visible on the left. The man is wearing a white brief. The background is dark with some indistinct shapes.

I want  
you to  
cum NOW  
slave!

**YES MISTRESS!  
THANK YOU  
MISTRESS!**

And I make SURE that  
I THANK her in the  
MOST proper way

before going back to  
serving and obeying  
her twenty four  
hours a day!
