

Girls, you'll never KNOW what
it's like

if all you know about it's TALK

so follow me Girls

let's go for a walk!

OK!

SURE!

Margaret?

YES?

Is HE OK
wih us
watching?

NOPE!

Girls??

Are you
WONDERING
what he's
thinking

as he
waits

"For Me To Come In"

with this
strap which
he HATES

and without
speaking
to begin

to whip
his ass
RAW

make him
beg for
mercy
and CRY *

as I
humiliate
him so
BADLY

he'll just
want to
DIE?

Well,

WONDER
no MORE
Girls!

The end
of all my
pride and my
dignity will
be witnessed
by her
Girlfriends
tonight

and I'm
PRAYING and
PRAYING with
all of my
might

that if THEY
want to whip
TOO

she won't say
it's alright!
