

Imagine it's YOU, yes IMAGINE my  
friend

that it's YOU kneeling naked on  
her floor at this storys end!

And it's YOU kneeling naked after  
serving them their wine and their  
cheese

KNOWING what Sue has to do to GET  
one of these!

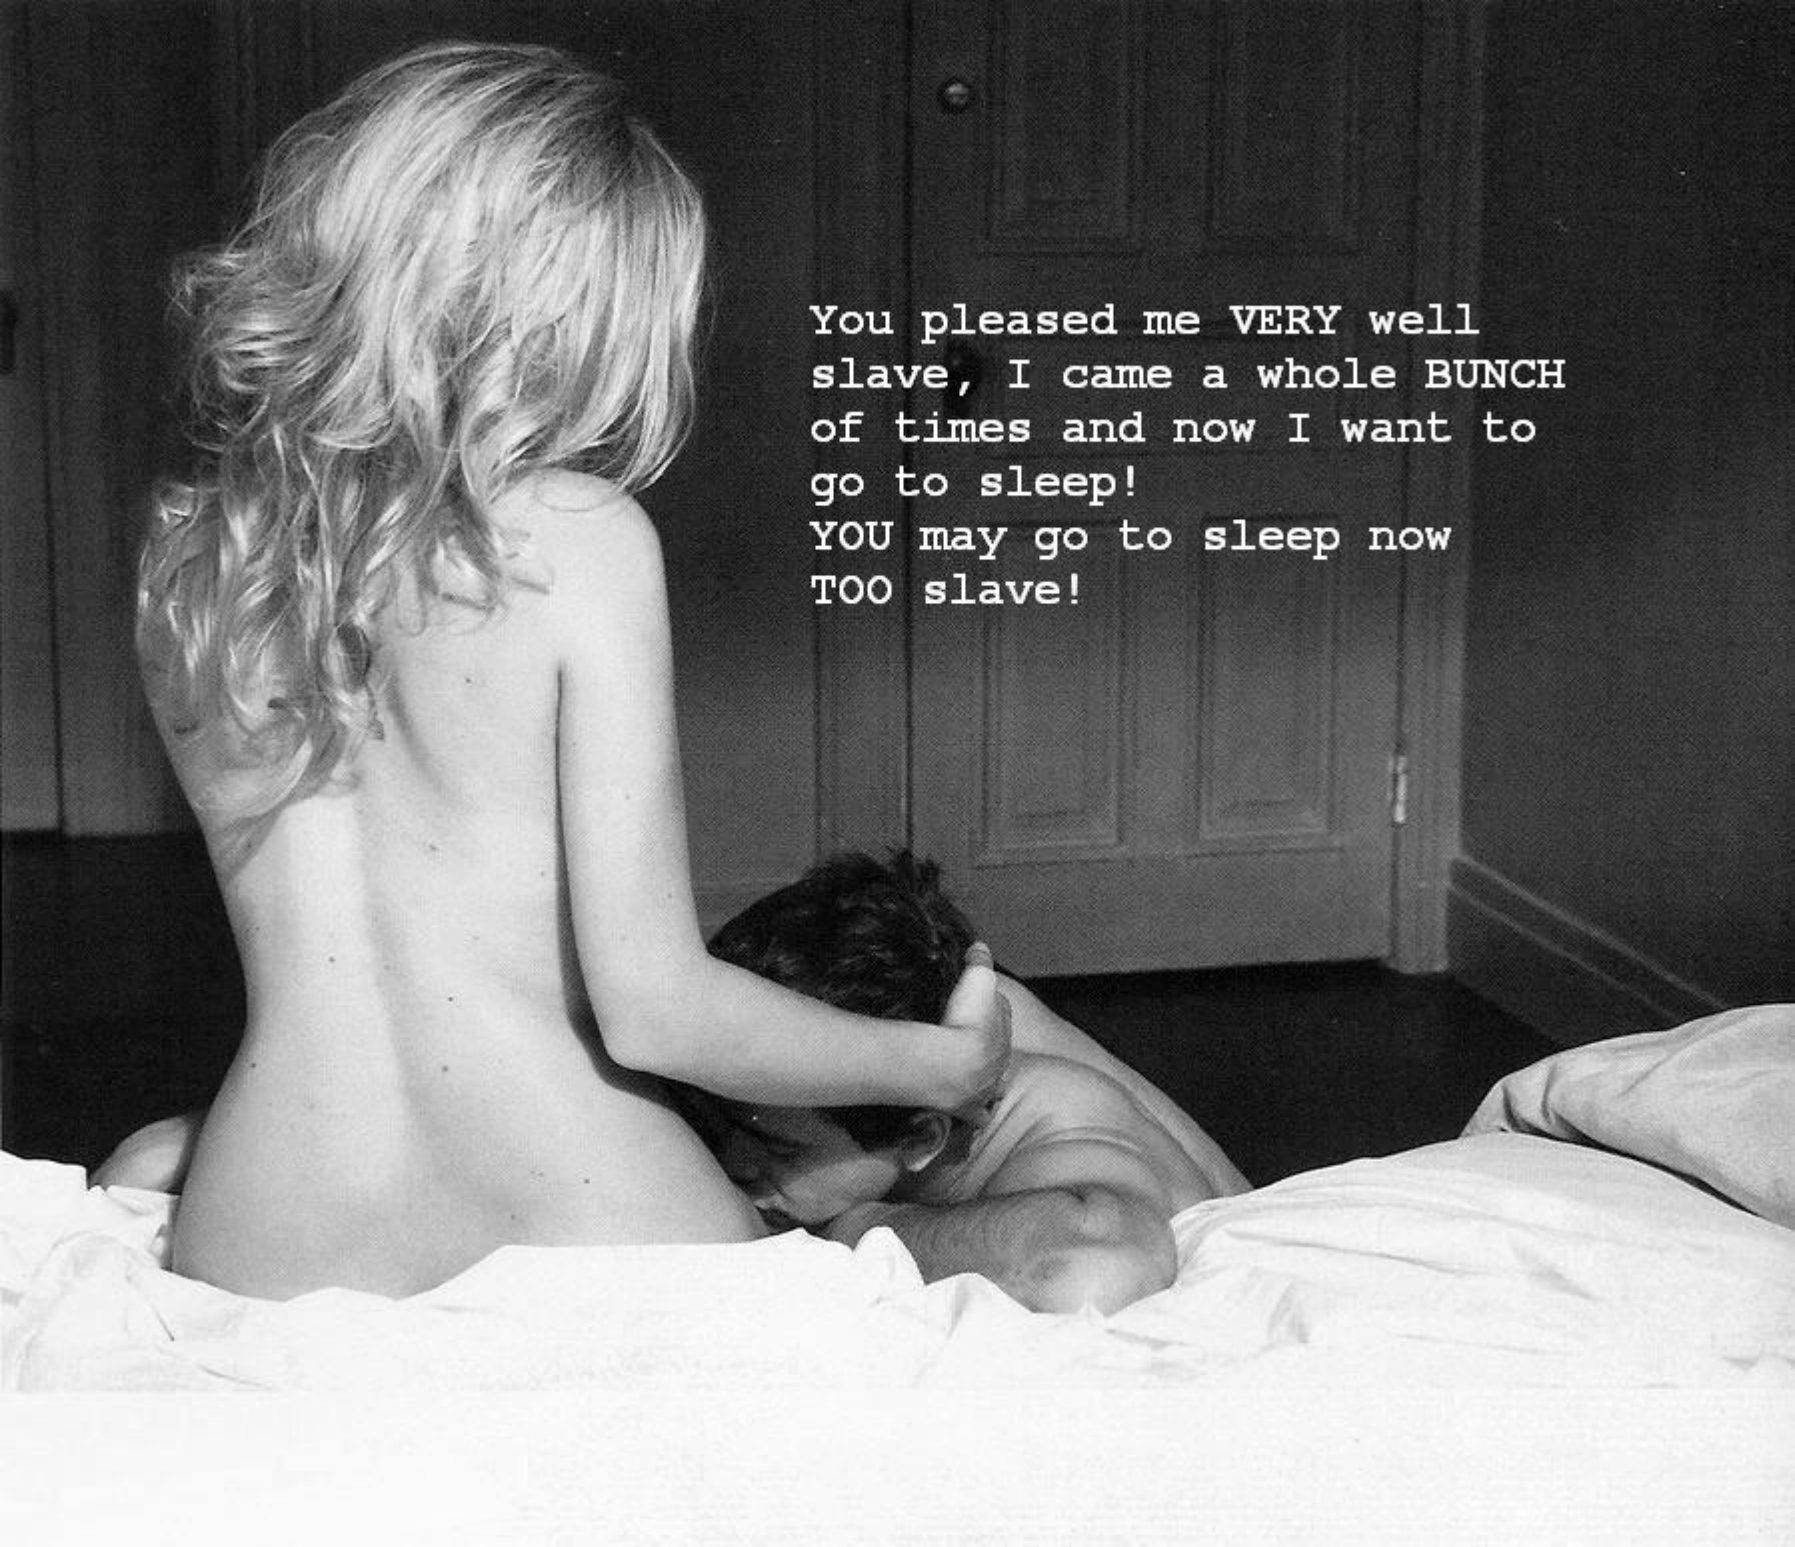

Once upon a time  
my strict  
Mistress taught  
me,  
the HARD way how  
things in HER  
house would be!

I'd OBEY her and  
I'd SERVE her the  
way SHE wanted  
IMMEDIATELY.  
no matter HOW  
humiliating

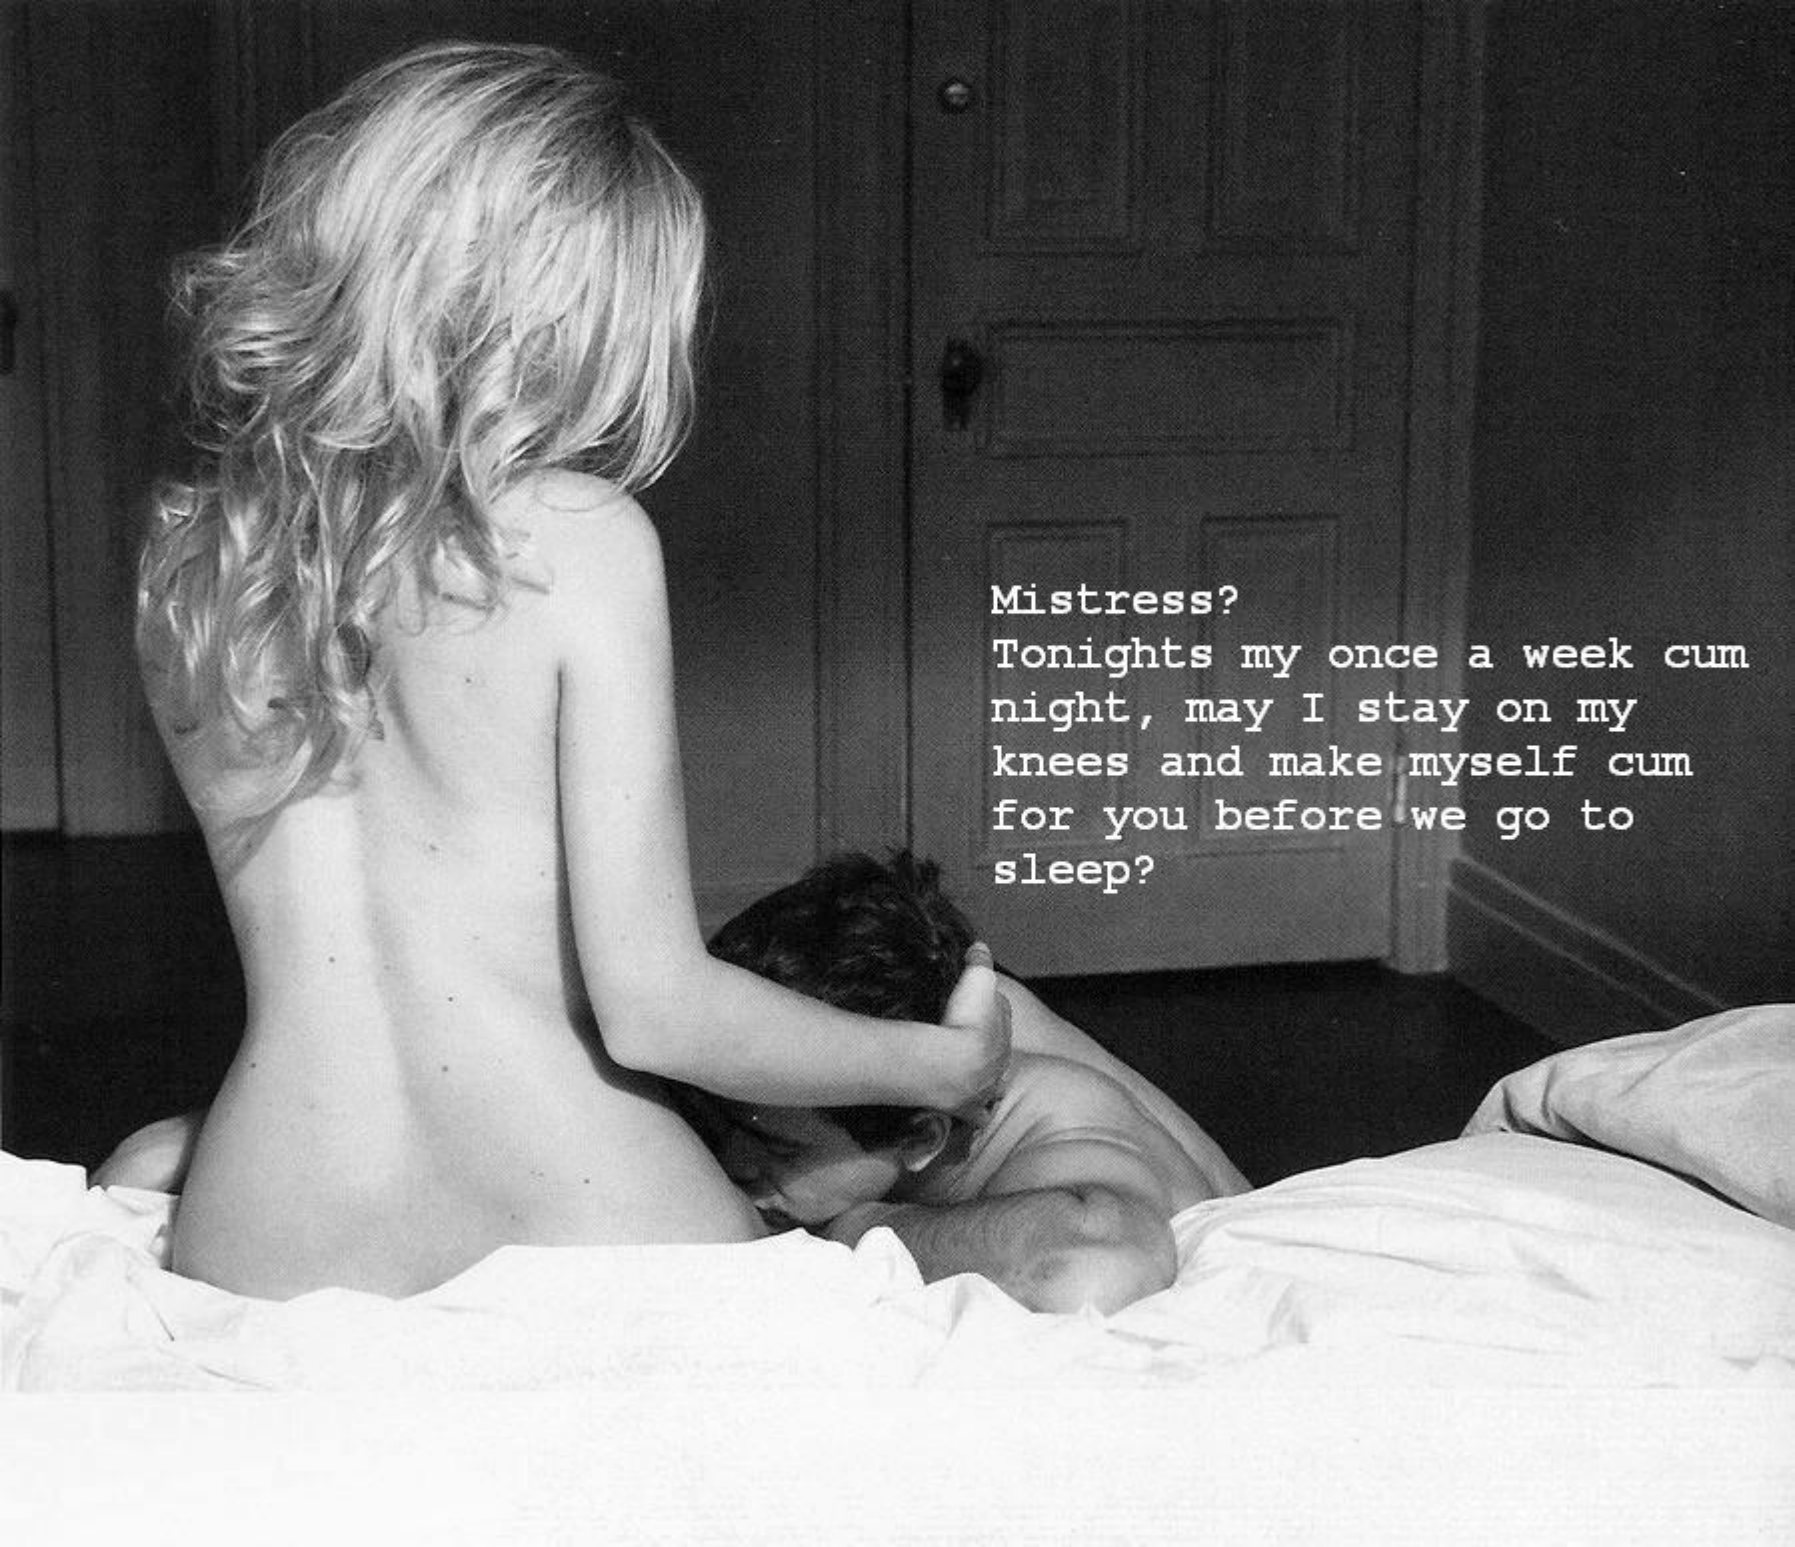

**"It Might Be For Me!"**

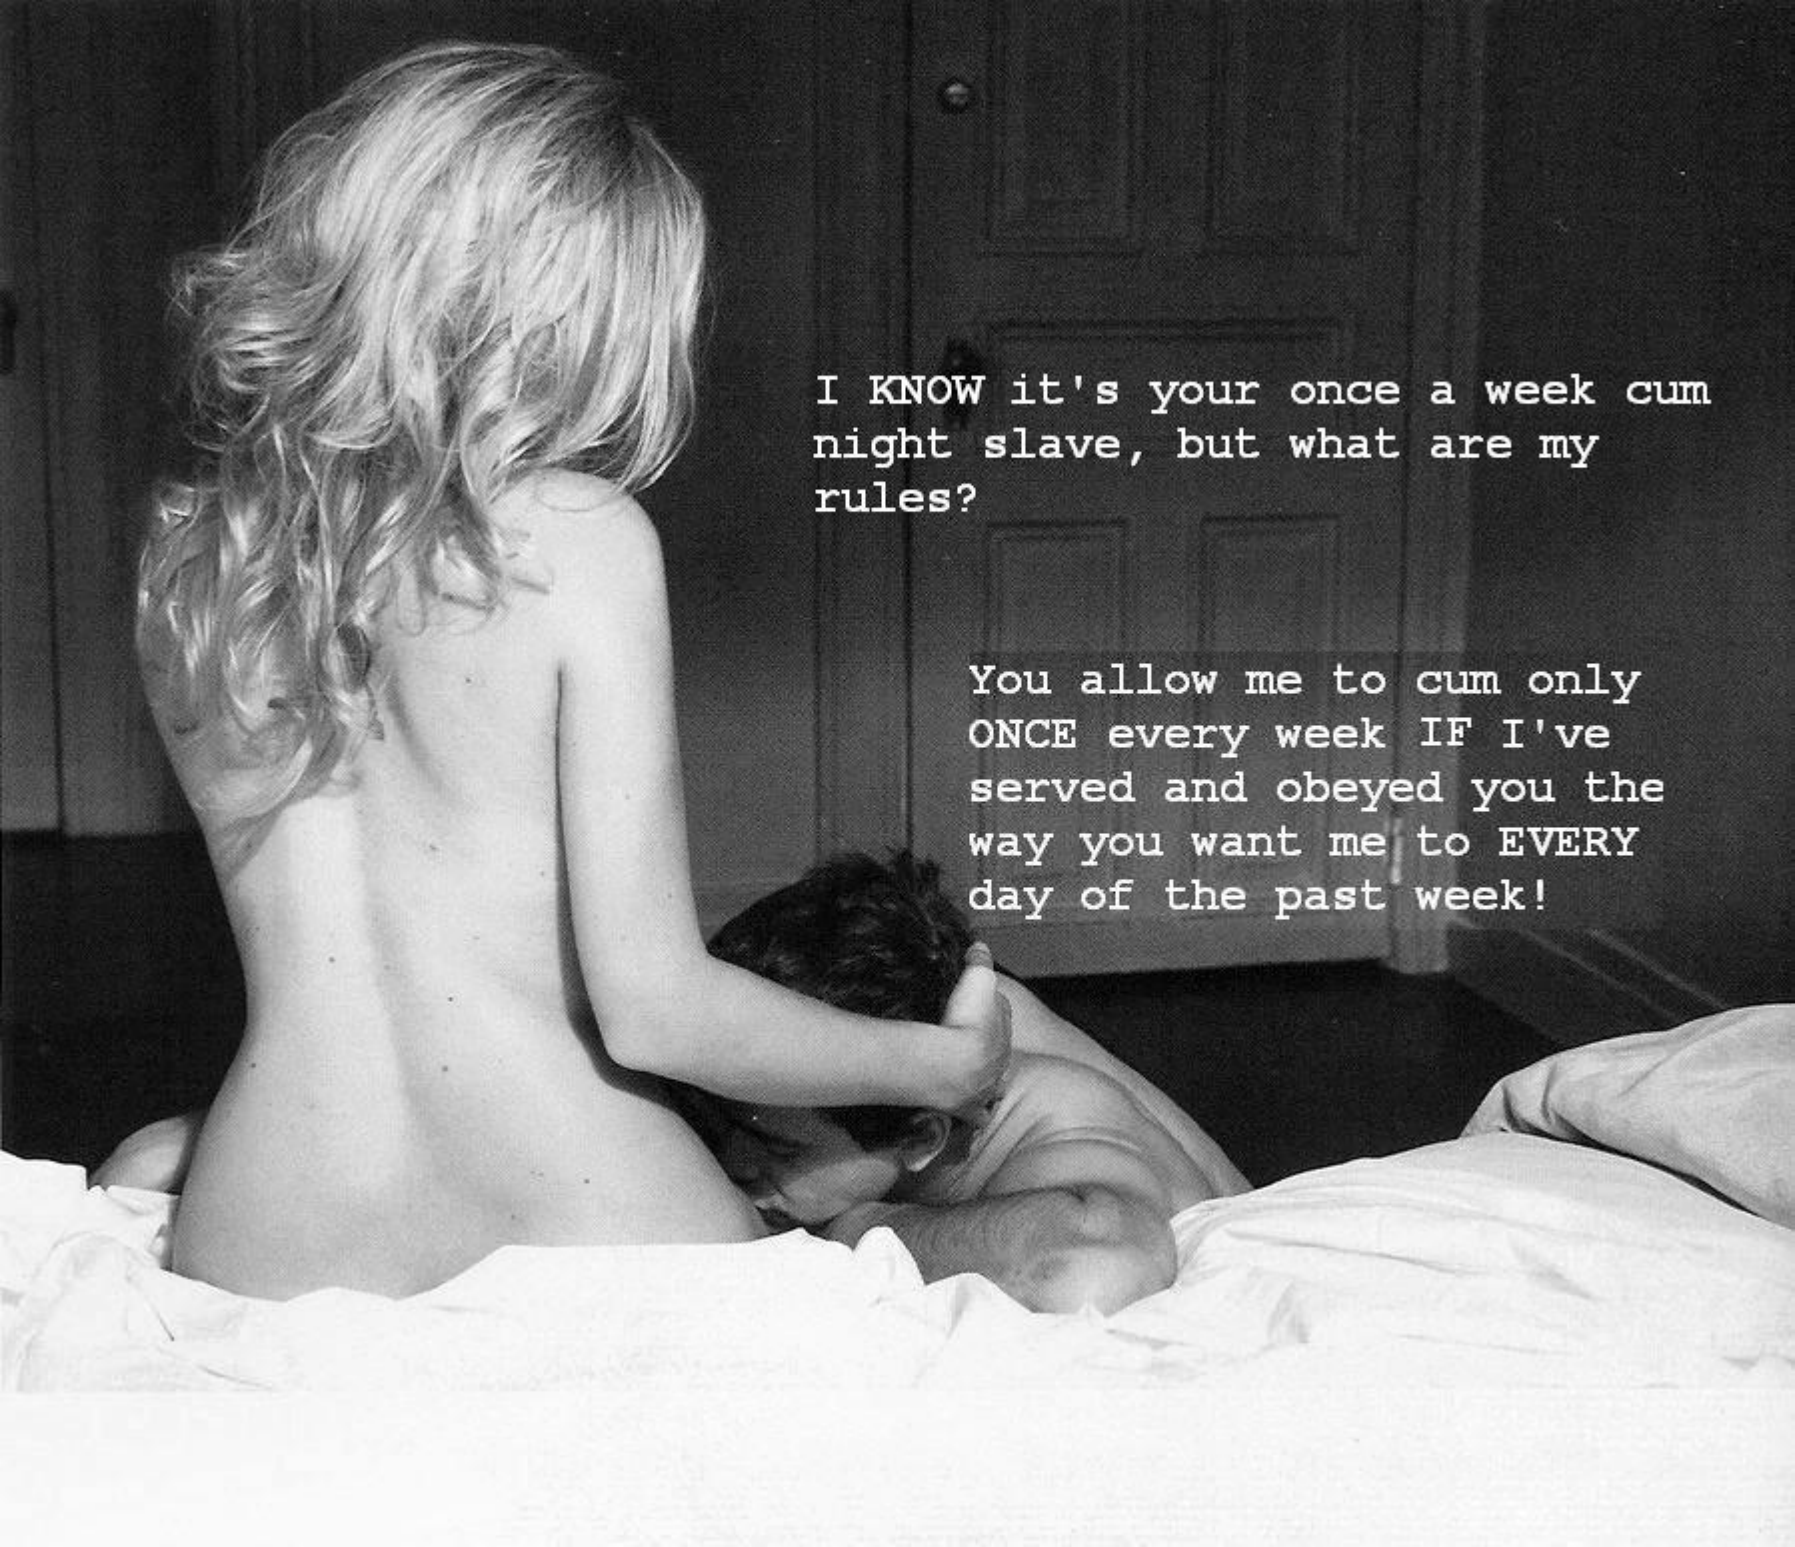

You pleased me VERY well  
slave, I came a whole BUNCH  
of times and now I want to  
go to sleep!  
YOU may go to sleep now  
TOO slave!

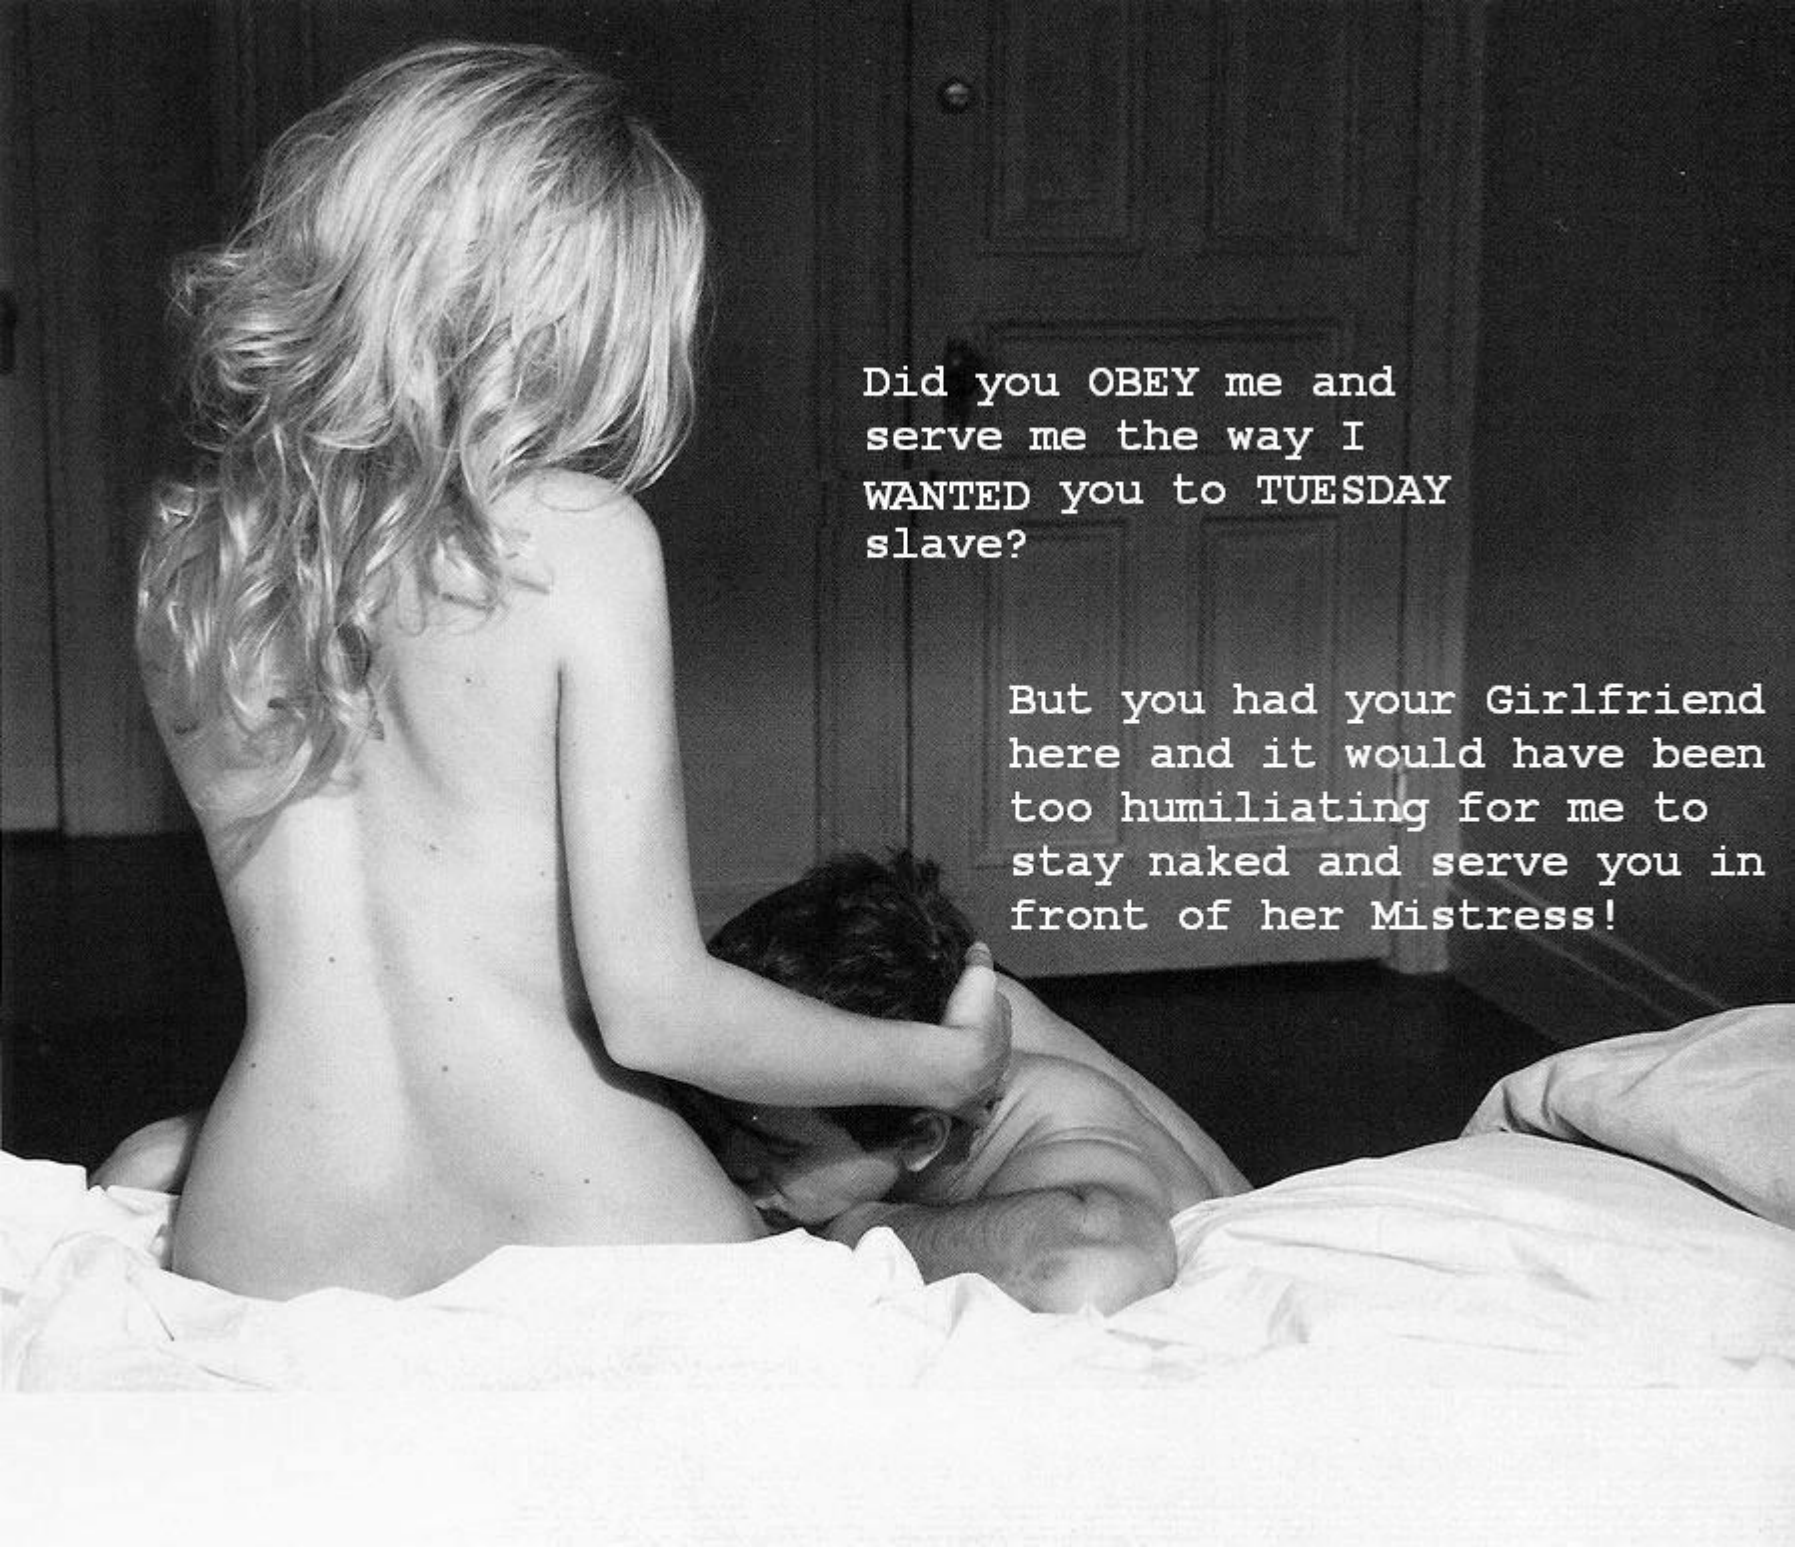

Mistress?

Tonights my once a week cum  
night, may I stay on my  
knees and make myself cum  
for you before we go to  
sleep?

I KNOW it's your once a week cum  
night slave, but what are my  
rules?

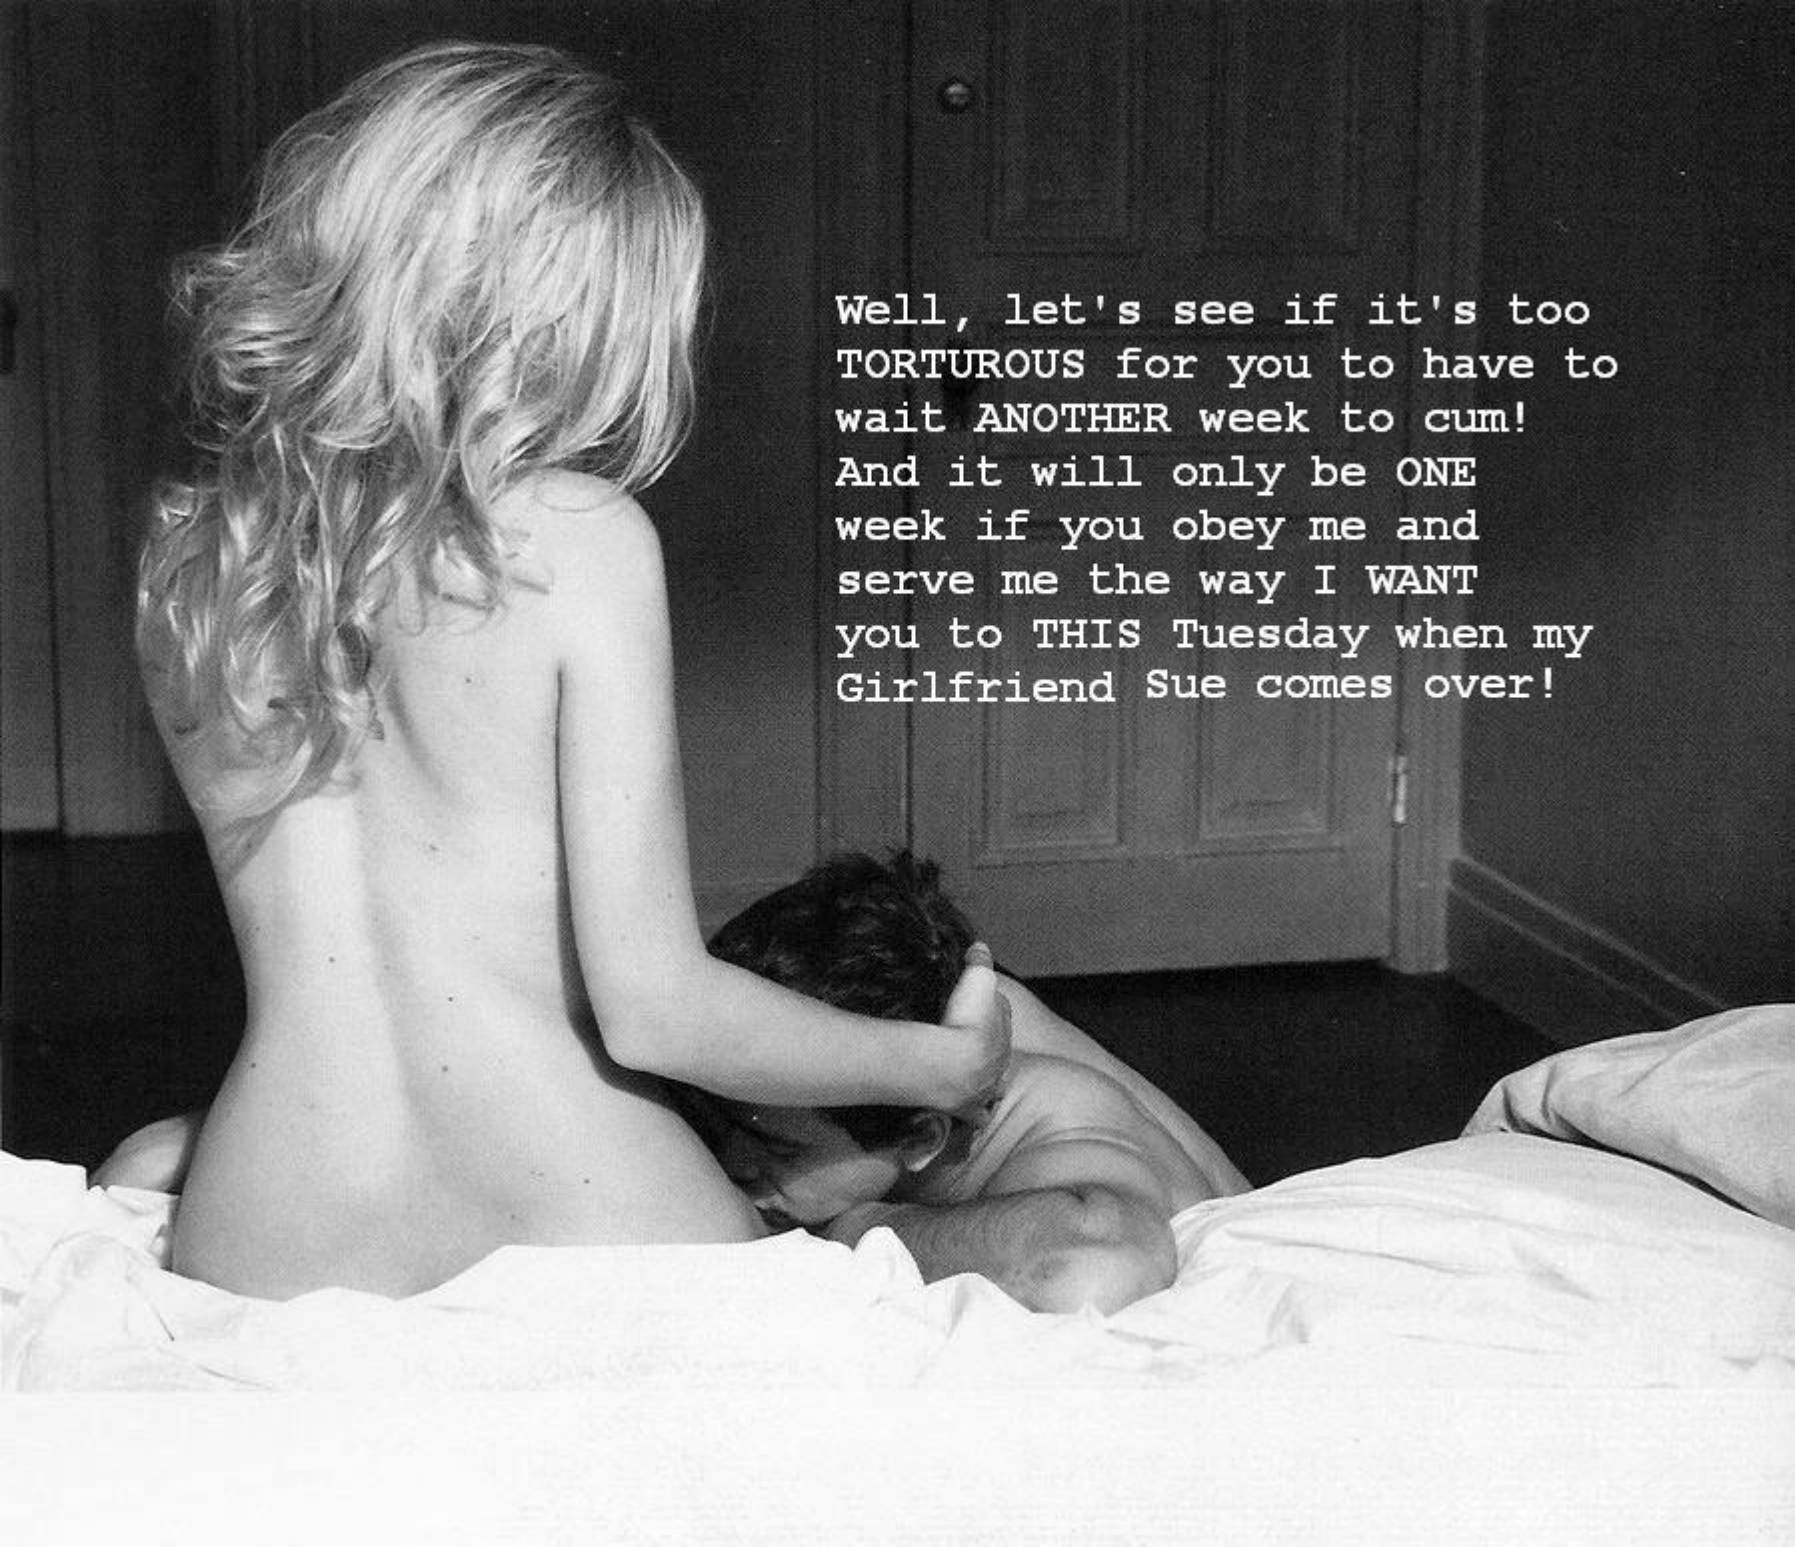

You allow me to cum only  
ONCE every week IF I've  
served and obeyed you the  
way you want me to EVERY  
day of the past week!

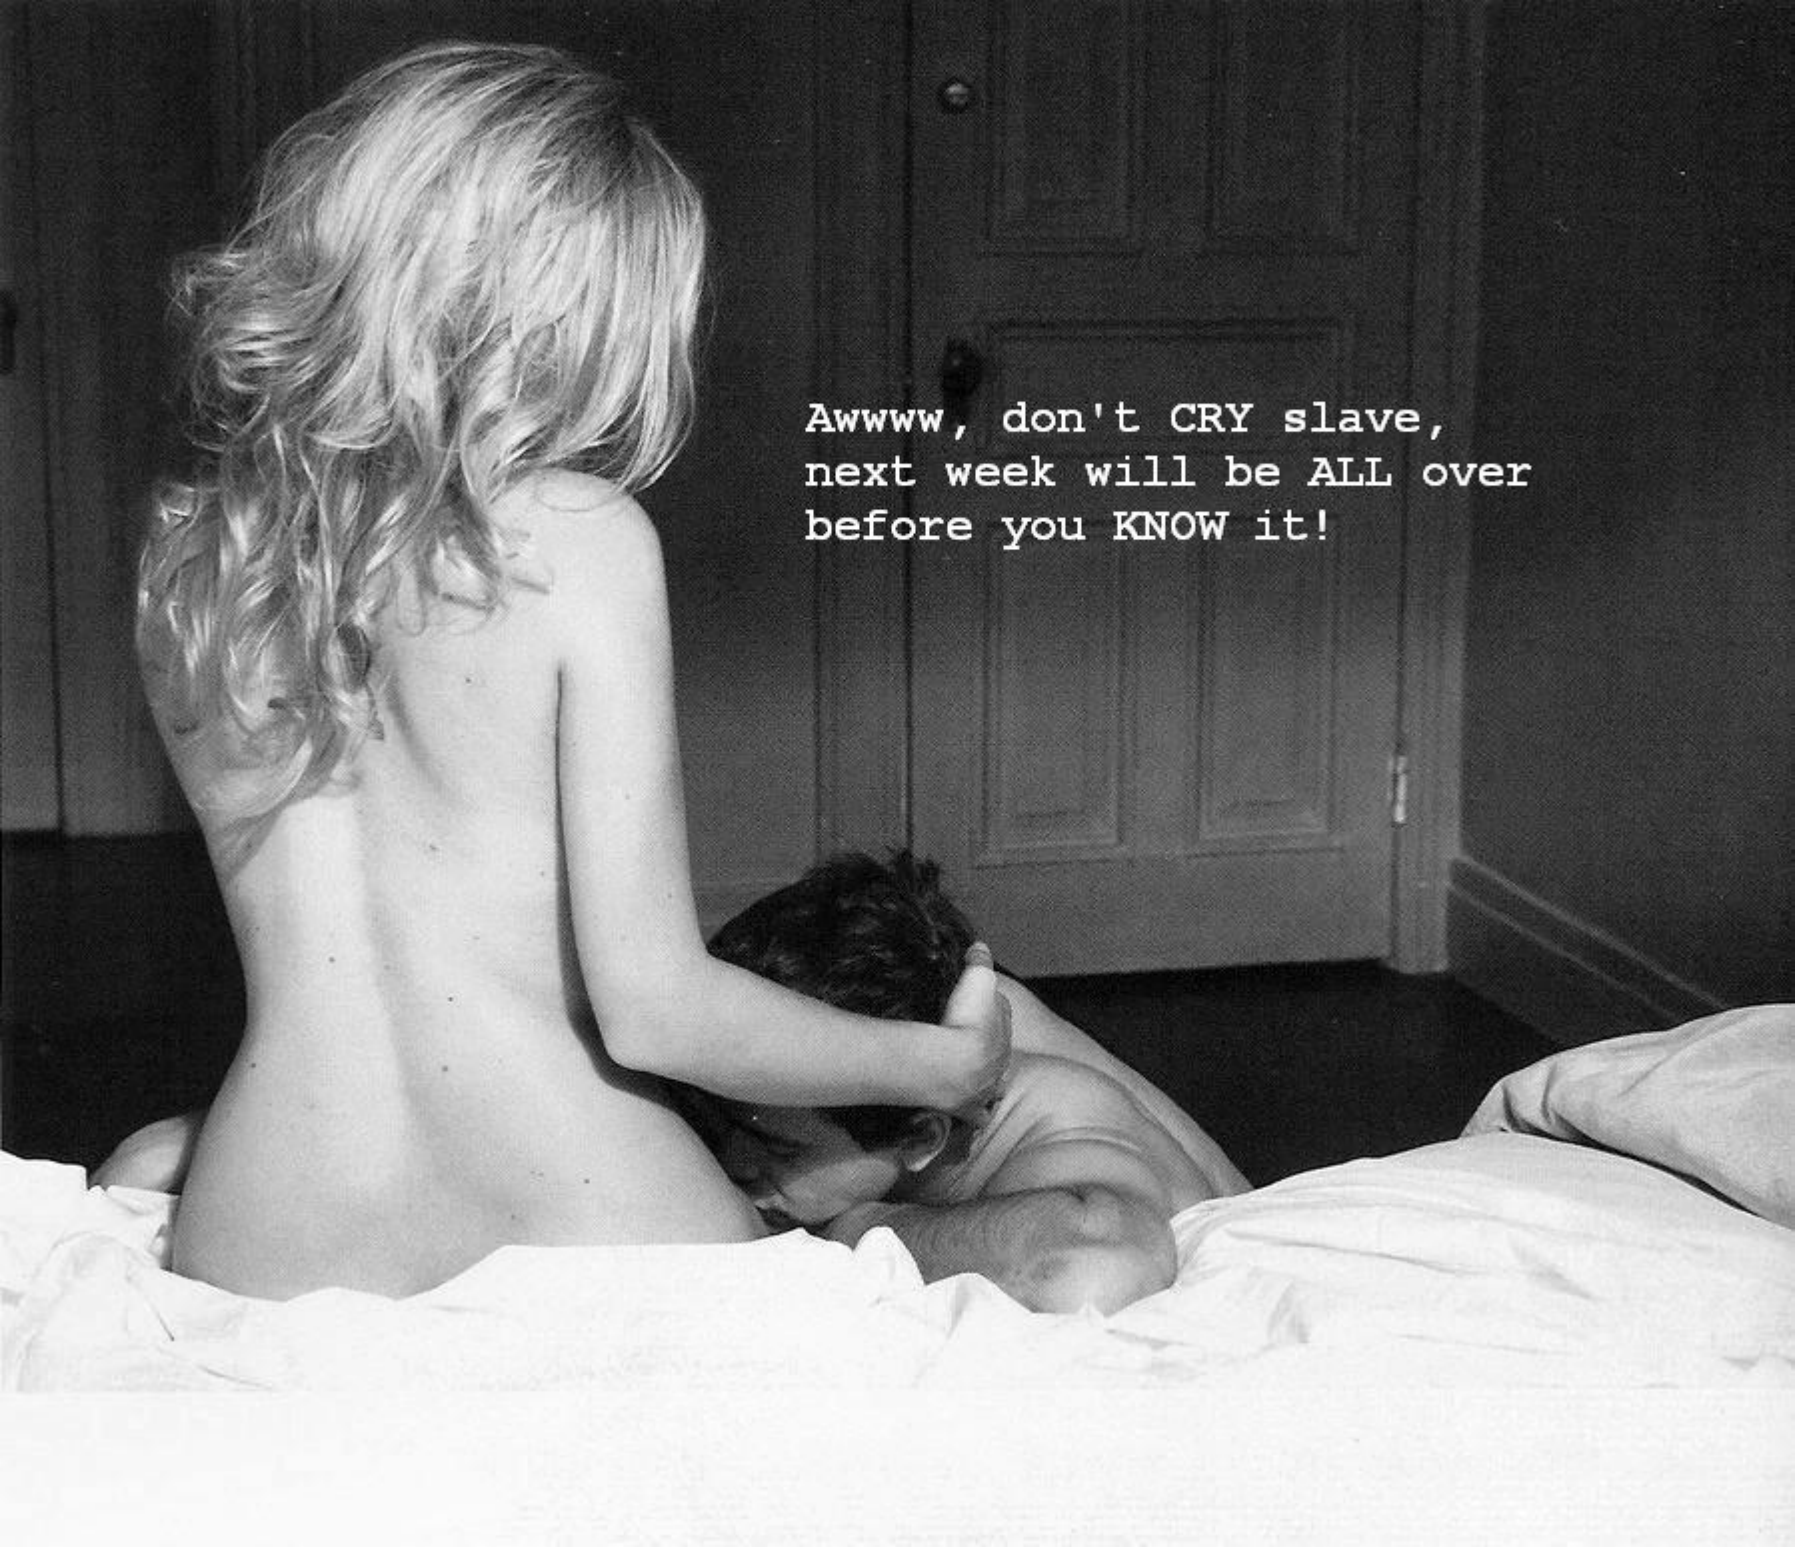

Did you OBEY me and  
serve me the way I  
WANTED you to TUESDAY  
slave?

But you had your Girlfriend  
here and it would have been  
too humiliating for me to  
stay naked and serve you in  
front of her Mistress!

Well, let's see if it's too  
TORTUROUS for you to have to  
wait ANOTHER week to cum!  
And it will only be ONE  
week if you obey me and  
serve me the way I WANT  
you to THIS Tuesday when my  
Girlfriend Sue comes over!

Awww, don't CRY slave,  
next week will be ALL over  
before you KNOW it!

**The End**

And when it  
became TUESDAY,  
what did I want  
so BADLY to do?

Kneel NAKED  
and SERVE me  
in front  
of my  
Girlfriend  
Sue,

because you didn't want  
ONE week without cumming  
to turn into TWO!  
Isn't that RIGHT slave?

Oh my God YES!  
YES Mistress  
Sue!

Now be a  
GOOD slave  
and serve us  
some wine  
and some  
cheese,

and then get  
your naked  
submissive  
ass BACK on  
your knees!

And I watched her  
SMILE as he said  
MEEKLY,

Yes Mistress  
Louise!

A young woman with long, wavy blonde hair and bangs is sitting on a grey couch. She is wearing a grey dress with a colorful floral pattern. She is looking directly at the camera with a neutral expression. The background is a bright, slightly out-of-focus window with white curtains. The text is overlaid on the right side of the image.

And I HAD to wonder  
HOW I could get MYSELF  
one of these!
