

Don't make it look  
like it don't hurt  
or you may get it  
much MUCH worse!

Kiss  
my  
foot,  
slave!

A person is shown from the back, kneeling on a wooden floor. A thick, light-colored rope is tied around their waist, with a knot visible on the right side. The person's skin is fair and appears slightly flushed. In the background, two women are seated on a light green sofa. One woman has blonde hair and is wearing a green patterned top, while the other has dark hair and is wearing a black top. A dark brown leather chair is visible on the left, and a small white bowl sits on the floor near it. A framed picture hangs on the wall in the upper left corner.

"I CAN'T MISTRESS!  
I HAVE TO STAND STILL,  
MY BALLS ARE STRETCHED  
TOO FAR, MISTRESS!"

I  
SAID,

KISS  
my  
FOOT!

A person is shown from the back, kneeling on a wooden floor. Their back is arched, and their buttocks are prominently displayed. A thick, light-colored rope is tied around their waist, with a knot visible on the right side. The person's skin is fair and shows some faint red marks or bruising on the buttocks. In the background, two women are seated on a light green sofa. One woman has blonde hair and is wearing a green patterned top, while the other has dark hair and is wearing a black top. They appear to be watching the person in the foreground. To the left, a dark brown leather chair is partially visible, and a small white bowl sits on the floor near it. The overall scene suggests a BDSM or fetish context.

"YES  
MISTRESS!"

Good  
BOY!

Do they  
hurt,  
slave?

"YES  
MISTRESS!"

Good,

**"I WANT Them To!"**

I  
think

that  
because  
your  
balls  
are  
**CLAMPED**  
like  
this,

that it  
would  
very  
MUCH  
behoove  
you

to  
stand  
VERY  
still  
while  
I'm  
having  
my WAY  
with  
you!

OK,  
slave?

"YES  
MISTRESS!"

GOOD!

**The End**

WOW!

CAN  
he?

Can  
he  
WHAT,  
Sue?

Hold  
STILL  
for  
her!

CAN  
he?

Yeah!

but  
he  
won't!

Why  
NOT?

Cause  
he  
KNOWS

what's  
GOOD for  
him!

DOESN'T  
he,  
slave?

"YES  
MISTRESS!"  
"HE KNOWS THAT SHE  
WANTS THEM TO  
HURT!"

Yeah!  
Just  
like I  
do!  
Huh Huh  
slave?

"YES  
MISTRESS!"

WOW!
