

There are times a Woman's heart  
can be as cold as December  
when she wants you to start  
to help her remember

You know,  
I've been  
THINKING,

My poor  
SEXUALLY  
starved  
Hubbie,

it may  
help me  
REMEMBER

where I  
PUT that  
damn KEY,

if YOU  
were to do  
something

**"Like THIS, For ME!"**

You may stop  
sucking  
on it

and go and get  
me a Tampon now!

"YES MISTRESS!  
THANK YOU  
MISTRESS!"

You're  
welcome  
slave!

Now GO!

"YES MISTRESS!"

And be QUICK  
about it  
slave,

or you'll  
have a MESS  
to clean up!

"YES  
MISTRESS!"

SO!

What do  
you  
think?

Do you  
think  
THAT'LL  
help ME,

REMEMBER  
where  
I put

That  
stupid  
old KEY?

HMMMMM?

"OH GOD!"

"Do I HAVE to,  
Mistress?"

NOPE!
