

A Fem Dom relationship is made up of TWO,
so what's reading these stories like
from HER point of view?

You don't
have to
be the
worlds
smartest
detective

to know
what
reading
these
stories
is like
from

"A WOMAN'S Perspective"

My God,
LOOK at you!

It has to be pure
TORTURE for you
to have to kneel
there NAKED

and read THESE
stories with
a woman

who doesn't allow
you to come unless
SHE gives you
permission to,

and
KNOWING
that she
most likely
WON'T!

Huh?

"Yes
Mistress!"

Yeah! You have to
read ALL of these
stories about
Female Domination,

the thing that turns
you on more than
ANYTHING else in
the WHOLE world,

and then
SUFFER,

without ANY
sexual release,

for as long
as she WANTS
you to SUFFER!

DON'T
you,
slave?

"Yes
Mistress!"

A woman with long dark hair is lying on her back, wearing a red top. She is holding a large, colorful, beaded vibrator in her mouth. The vibrator is covered in small, multi-colored beads (red, blue, yellow, green) and has a clear, bulbous tip. She is holding the handle of the vibrator with her right hand. The background is a dark, textured surface, possibly a bed or couch.

GOD, that makes me
hornier than HELL!

Yeah,
after
reading
these
stories

that's
how SOME
women
will
behave,

but
that's
why you
LOVE
them,

ISN'T
it,
slave?

**"YES
MISTRESS!"**
