

Why did I tell her I loved her when she
forbade me

to come and made me wear panties and be
on my knees

Why was my life a life of true bliss
when she taught me obedience

and I called her "Mistress"?

Honey?

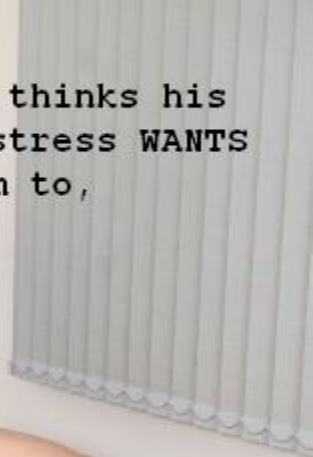

"Yes,
Mistress?"

Is he saying
this because

he thinks his
Mistress WANTS
him to,

or is he saying
it for the very
same reason

"YOU Do?"

"Mistress,
THANK YOU
for keeping
me obedient
and meek

and only
allowing me
to come
ONCE
each week

And
THANK YOU
that my coming
will be always
THIS way

jerking off
and NOT coming
until YOU
say I MAY!

And I love
you so much
Mistress
for having
forgave

me for having
this tiny
excuse for
a cock and
accepting
ME as your
slave!

I love
you TOO,
Honey!

Now shut up
and jerk off!

"Yes
Mistress!"

Honey?

"Yes,
Mistress?"

So why do you
think HE'S
saying it?

A woman with blonde hair in a ponytail, wearing a dark blue short-sleeved uniform with white trim, stands in profile looking at a man. The man is shirtless and bent over a wooden table with a black cushioned top. On the wall behind the woman is a black rack holding various tools, including wooden paddles, a red paddle, a metal grater, and a black mallet. A black chair is visible in the lower-left corner. The scene is set in a room with white walls and a window with white blinds in the background.

"Because he
really MEANS
it, Mistress!"

DO YOU
really
MEAN it?

"Yes
Mistress!"

THANK You,
Honey!

Now I have,
to ask MYSELF,

which one do
I want to
use FIRST?

Hmmmmmmmm !
