

"It's VERY impolite to stare"

my Mother said to me

and after you read this story Son,

I'm SURE that you'll agree!

And if
you never
learned it
from your
MOM,

that it's
NOT polite
to stare,

then read
this story
ABOUT a
guy like
YOU,

and a
Dominant
Girl named

"Claire"

Instead of paying
attention to
my NEEDS,

my new slave
spent all of his
time staring
at my TITS!

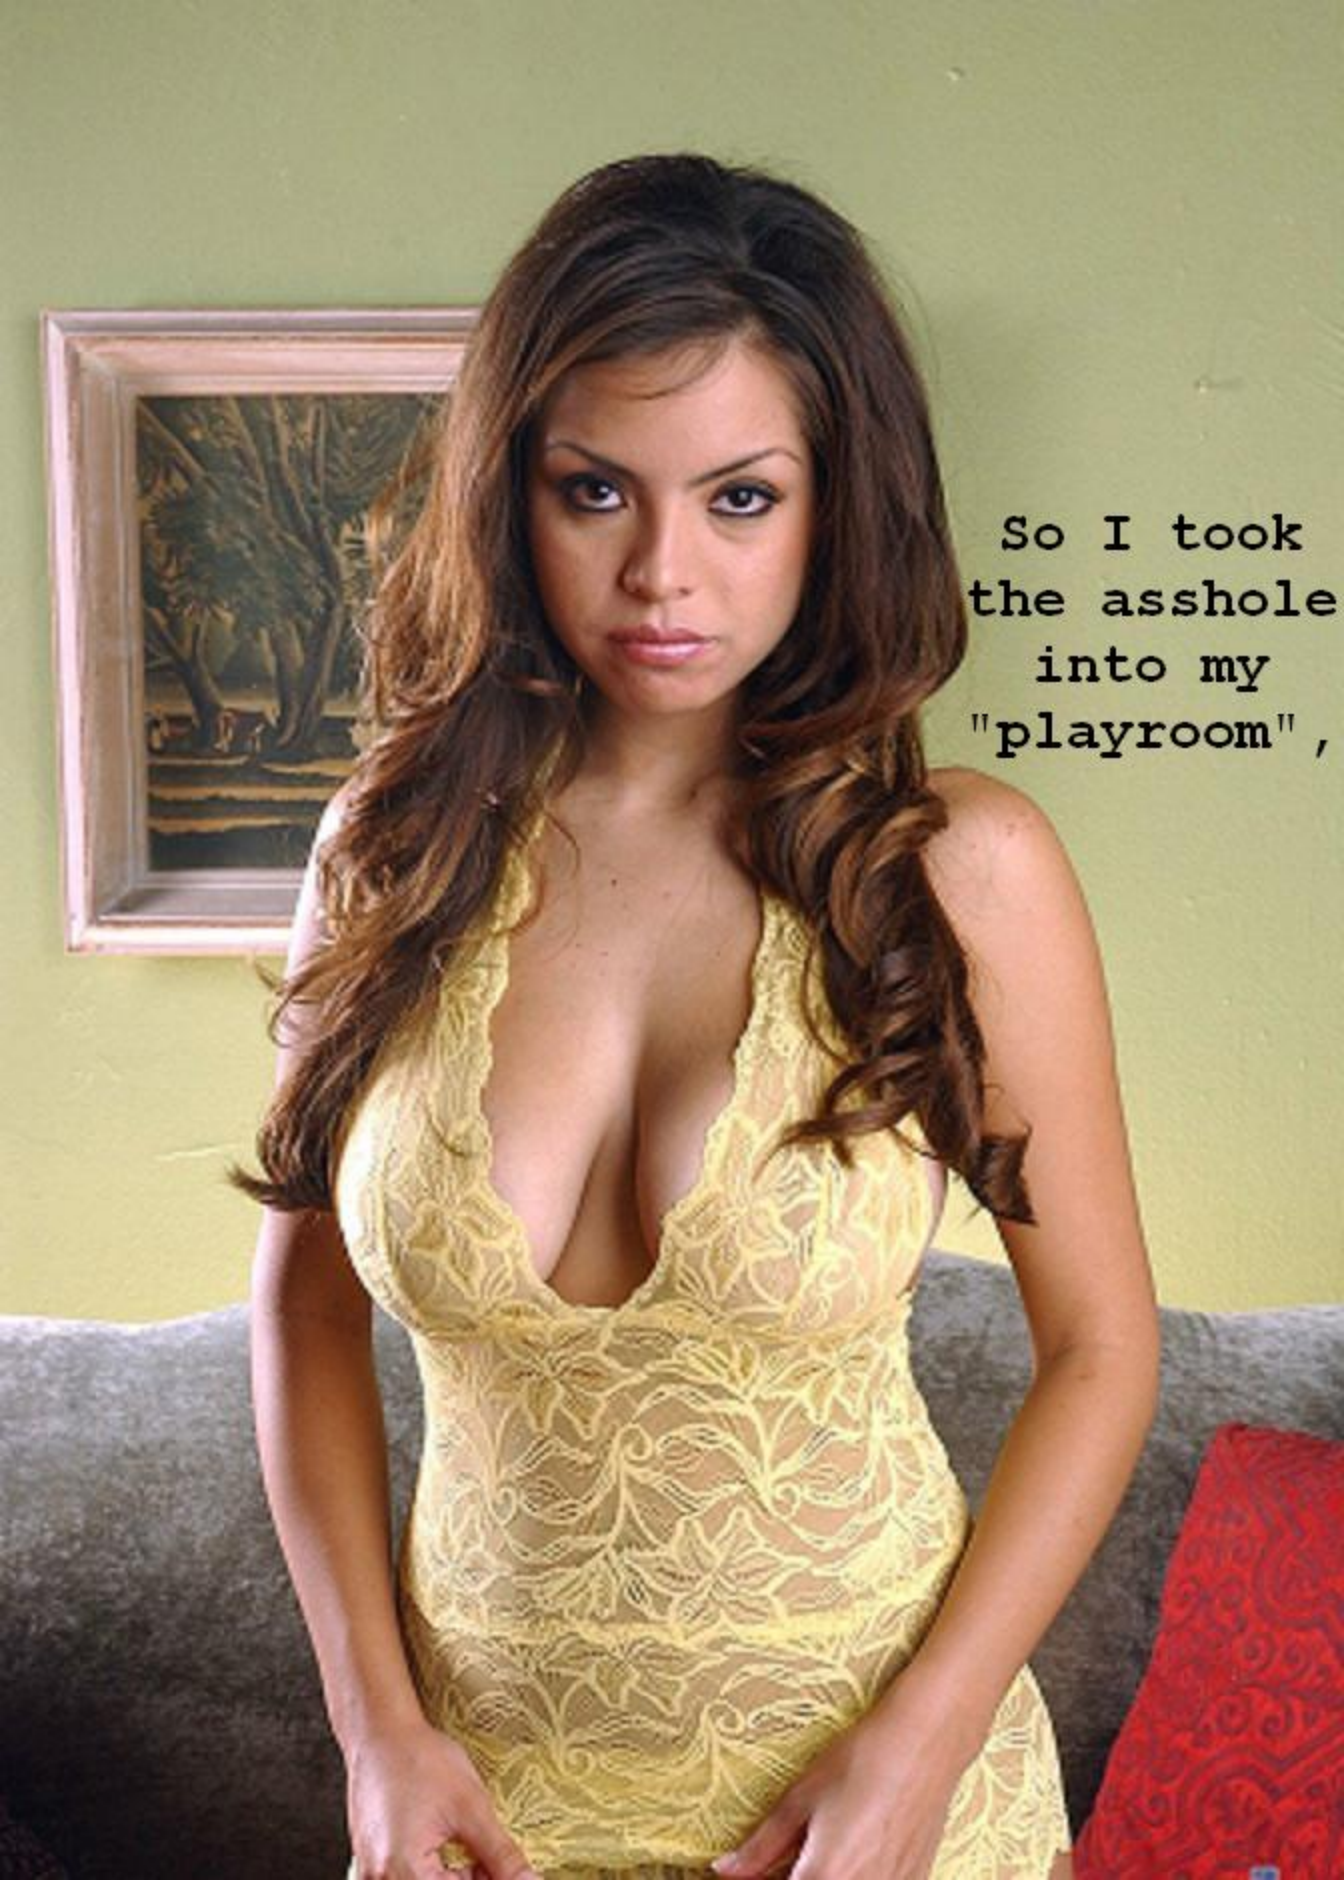

Needless to
say, it was
really pissing
me off,

A woman with long, wavy brown hair is sitting on a brown upholstered armchair. She is wearing a yellow lace dress with a deep V-neckline. She is looking directly at the camera with a serious expression. Her legs are crossed at the ankles. Behind her are two pillows: one with a red paisley pattern and one with a grey and white striped pattern. A large green plant is visible in the background to the right. The wall behind the chair is a light yellow color.

ALOT!

A woman with long, wavy brown hair is sitting on a grey couch. She is wearing a yellow lace dress with a deep V-neckline. She is looking directly at the camera with a serious expression. In the background, there is a green wall and a framed painting of a landscape with trees. A red patterned cushion is visible on the right side of the couch.

So I took
the asshole
into my
"playroom",

and told
him VERY
sternly,

NOW
stare
at my
tits
asshole,

while I
sit here

and stare at
YOUR balls,

ALL
fucking

DAY !

The End

Ouch !

Huh?

Now the
moral of
this story
guys

is so VERY
simply
THIS,

A woman with blonde hair in pigtails and bangs is posing in a kitchen. She is wearing a black lace bodysuit with white lace trim around the neckline and waist. She has a small cross necklace. The background includes white kitchen cabinets, a blue and white checkered wall, and a bouquet of flowers on the right.

that
you've
better
things to
DO as
slaves,

than
staring at
our tits!

DON'T
you?
