

I'm sure you'll agree
it's not easy to hide
the feelings that arise
from our submissive side

Doe's this
story do well

explaining
the life

of a
submissive
male

and his
Dominant

"Wife?"

"May I come for
you, Mistress?"

NO!

And if
you DO,
I'll
punish
you!

"Yes
Mistress!"

So,
doe's it DO it?

Doe's it
SAY it
allright?

Is this how
YOU feel

on your knees
every night?
