

Once upon a time I knelt at her feet  
and after no sex for six months, GOD  
it felt so fucking sweet

to hear her say "I accept you as my  
SLAVE!" as I knelt naked at her feet

but just as I thought I wouldn't have  
to suffer without sex any more

my brand new Wifw/Mistress told me  
about her "MUST obey" law!

She began training  
me not to cum  
without permission  
my very first night

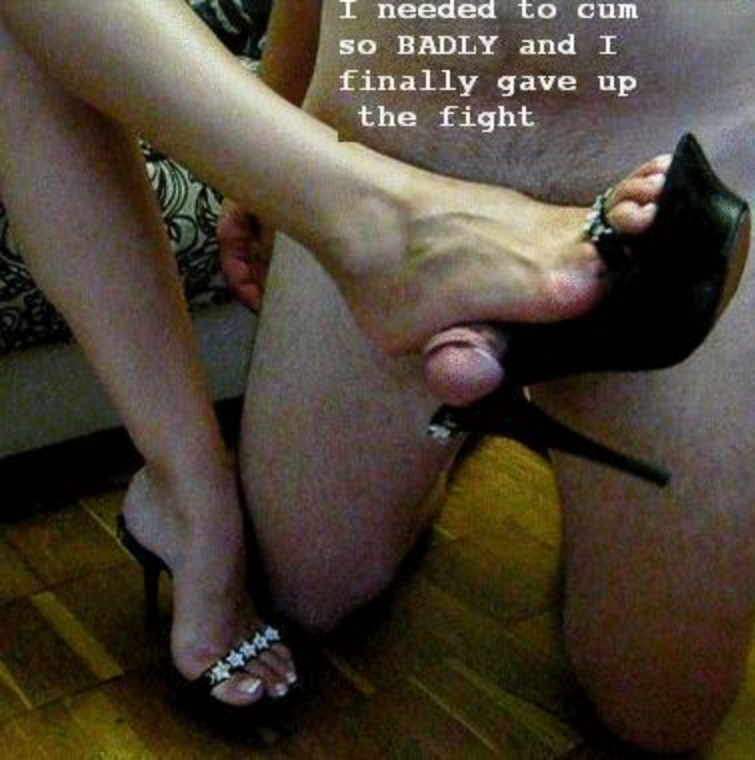

as her slave and I  
tryed so HARD to obey  
my Wife 'Mistress  
that night

but after what felt  
like a DAY of holding  
HER cum with all of  
my might

I needed to cum  
so BADLY and I  
finally gave up  
the fight

and after begging  
"Please don't punish me  
Mistress, it's my very  
first night!"

all I could say NEXT was  
"OH MY GOD MISTRESS,  
YOU'VE TIED THEM  
TOO TIGHT!"

**"And SHE Said"**

What did you EXPECT  
me to do for  
disobeying me?  
Shower you with  
KISSES?

NOOOOOO!

I'm just gonna  
ask you how  
tight you think

THIS is!

OH MY GOD! NOOOOOO!

Ooooooh  
YES slave!  
YES!

THIS is how  
you LEARN!

and he  
LEARNED not  
to cum unless  
I SAY that  
he may,  
even though I make  
him hold it sometimes  
for MANY a day!

But I DO  
let him cum!  
DON'T I?

And I'm VERY VERY grateful  
you DO Mistress Faye!

Even though  
when I DO  
it's always  
THIS way?

Oh my God YES!  
YES MISTRESS Faye!

Oh God PLEASE let me cum?  
Todays the twenty third day!  
Oh God I'm BEGGING you!  
PLEASE Mistress Faye?

I'll THINK  
about it!
