

My Mistresses name wasn't Mistress  
Cerese

but I certainly DID have feelings  
like these

Don't be  
ashamed  
of you  
WANTING  
the  
life

of a  
submissive  
SLAVE

to your  
DOMINANT  
wife!

Because  
like the  
slave in  
this  
story

you were  
BORN with  
a soul

that NEEDS  
a strict  
Woman to

**"Take TOTAL Control!"**

My God  
slave,  
LOOK at  
you!

It's  
making you  
SO horny  
KNOWING

that I  
can do  
**ANYTHING**  
I WANT  
with you,

ANYTHING  
at all

up to and  
INCLUDING

snipping  
off your  
BALLS!

So I'll  
tell you  
this ONCE  
slave

before I  
put you  
down on  
your knees

I WILL  
snip them  
off if  
I am not  
PLEASED!

But your  
erection  
says  
OBEDINCE

and  
screams  
"YES  
MISTRESS  
CERESE!"

"I'LL  
OBEY YOU  
AND PLEASE  
YOU!"

A woman with long dark hair, wearing a black sleeveless top and shorts with a white belt, stands in a living room. She is looking at a nude man who is standing with his back to the camera. She has her hand on his shoulder. The room features a white sofa with orange and white pillows, a window with a yellow frame, and a black trash can in the background.

' PLEASE  
ALLOW ME  
RELEASE? "

But I've  
had slaves  
before YOU

and I know  
obedient  
they STAY

when they  
beg for  
RELEASE

I tell them  
"NO WAY!"

Now get on  
your KNEES!

And he GOT  
on his  
knees

and God,  
DID he  
OBEY,

in hopes  
that SOME  
day

she  
WOULDN'T  
tell him  
"NO WAY!"

Now go get  
my brush  
and brush  
my hair!
